thunderstruck by the karma law of Whatever a man soweth he will surely reap The duos were squarely nailed on the cross of poverty The embryonic girls very early in life had a strong faith in their invisible creator God through religiosity and their innate abilities This monumental attachment was acquired through their foliage acquaintances with their mother by their speeches hard work dexterity and forth righteousness This was an exhibition of thorough bred motherhood mien despite the aura of domineering male ego haunting their world The sub theme of curiosity was another competent tool that navigated the girls through the labyrinth of their life ocean The girls were struck with curiosity virus unravelling the veils covering the fountain of knowledge through education encompassed in books slates speeches songs Christian hymns etc Another sub theme is their choice of the Tripod Prism of Marshal Triangle project cum 3Gs which landed them triumphantly on the shores of their dream and future Their guardianship motto In God we live In work we forage In education our future is guaranteed Was pursued with vigor Que Sera Sera became the paddling tools for the girls to navigate through the man infested stormy waters of life By implication everyone s life be you a boy or girl is PRIMARILY in the hands of the Almighty God Fate and SECONDARILY in his or her own hands Our Fate is therefore in our own naked hands **Que Sera, Sera** ,2019 Alfred's Basic Adult Piano Course: Greatest Hits Book 1 E.
