Quebec And Radical Social Change:

Ouébec and Radical Social Change Dimitrios I. Roussopoulos, 1974 The Psychology of Radical Social Change Brady Wagoner, Fathali M. Moghaddam, Jaan Valsiner, 2018-04-03 Since 2011 the world has experienced an explosion of popular uprisings that began in the Middle East and guickly spread to other regions What are the different social psychological conditions for these events to emerge what different trajectories do they take and how are they are represented to the public To answer these questions this book applies the latest social psychological theories to contextualized cases of revolutions and uprisings from the eighteenth to the twenty first century in countries around the world In so doing it explores continuities and discontinuities between past and present uprisings and foregrounds such issues as the crowds collective action identity changes globalization radicalization the plasticity of political behaviour and public The City and Radical Social Change Dimitrios I. Roussopoulos, 1982 **Activism and Social Change** communication Eric Shragge, 2013-01-01 Drawing on over thirty years of experience in community development practice Eric Shragge offers a unique historical perspective on activism linking various forms of local organizing to the broader goal of fundamental social change This new edition places contemporary community organizing in a post 9 11 context and includes a discussion of national and international organizing efforts in the Middle East in the Occupy movement in European resistance to austerity measures and in recent student protests in Ouebec A new chapter length case study covering Shragge's long term involvement with the Immigrant Workers Centre in Montreal offers one of the few English language discussions of community organizing in Quebec Activism and Social Change is an excellent core or supplementary text in courses on social movements community organizing or community development Quebec and radical social change Dimitrios I. The Story of French Jean-Benoit Nadeau, Julie Barlow, 2010-05-28 A fascinating exploration of the Roussopoulos, 1974 historical and cultural development of the French language from the bestselling authors of Sixty Million Frenchmen Can t Be Wrong Imagine a language that is watched over by a group of forty Immortals a language with rules so complex that few people ever completely master it whose status as the world's lingua franca has been declining for two centuries whose use in global institutions is waning and whose speakers are so insecure they pass laws banning the use of other languages and spend millions of tax payers dollars to make sure it gets used in literature music and film Now imagine a language that is second only to English for the number of countries where it is spoken officially surpassing both Spanish or Arabic a language that is the official tongue of two G 7 countries and three European nations that is employed alongside English in most international institutions and that is the number two choice of language students across the planet a language with two million teachers and 100 million students worldwide and whose number of speakers has tripled in the last fifty years This paradox is the backdrop for The Story of French in which bilingual Canadian authors Jean Beno t Nadeau and Julie Barlow unravel the mysteries of a language that has maintained its global influence in spite of the ascendancy of English Mixing

historical analysis with journalistic observation and drawing on their experiences living in and travelling to French speaking countries they explore how the French language developed over the centuries how it came to be spoken in the Americas Africa and Asia and how it has maintained its global appeal Canada's 1960s Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade s impact on contemporary notions of Canadian identity Canada 2012 Wayne C. Thompson, 2012-08-10 This is an annually updated presentation of Canada past and present It is broken down into sections dealing with Canada's culture geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy executive parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy future and bibliography Canada 2024-2025 P. T. Babie, Charles J. Russo, 2024-10-31 The World Today Series Canada is an annually updated presentation of Canada It provides the reader an in depth look at the country's culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and October Crisis 1970 William Tetley, 2006-10-26 This first hand account of a seminal Canadian crisis challenges students the notion that civil rights and political liberties were unjustifiably restricted The Impossible Québec Pierre Vallières, 1980 A strongly felt criticism of the Parti Quebecois proposal for sovereignty association A genuine humanist and idealist who tries to awaken the people to a better life Globe and Mail Céline Georges-Hébert Germain, 1998-09 This authoritative biography tells the rags to riches story of a young girl from Charlemagne Quebec who became the 1 selling recording artist in the world The Bitter Thirties in Québec Evelyn Dumas, 1975 This vivid history of the Quebec labor situation during the Depression also serves as helpful background information in understanding current problems As enjoyable as a good adventure story Globe and Mail Decentralization and Intrastate Struggles Kristin M. Bakke, 2015-06-04 There is no one size fits all decentralized fix to deeply divided and conflict ridden states One of the hotly debated policy prescriptions for states facing self determination demands is some form of decentralized governance including regional autonomy arrangements and federalism which grants minority groups a degree of self rule Yet the track record of existing decentralized states suggests that these have widely divergent capacity to contain conflicts within their borders Through in depth case studies of Chechnya Punjab and Qu bec as well as a statistical cross country analysis this book argues that while policy fiscal approach and political decentralization can indeed be peace preserving at times the effects of these institutions are conditioned by traits of the societies they are meant to govern Decentralization may help preserve peace in one country or in one region but it may have just the opposite effect in a country or region with different ethnic and economic characteristics One Hundred Years of Social Work Therese Jennissen, Colleen Lundy, 2011-02-17 One Hundred Years

of Social Work is the first comprehensive history of social work as a profession in English Canada Organized chronologically it provides a critical and compelling look at the internal struggles and debates in the social work profession over the course of a century and investigates the responses of social workers to several important events A central theme in the book is the long standing struggle of the professional association the Canadian Association of Social Workers and individual social workers to reconcile advancement of professional status with the promotion social action The book chronicles the early history of the secularization and professionalization of social work and examines social workers roles during both world wars the Depression and in the era of postwar reconstruction It includes sections on civil defence the Cold War unionization social work education regulation of the profession and other key developments up to the end of the twentieth century Drawing on extensive archival research as well as personal interviews and secondary literature the authors provide strong academic evidence of a profession that has endured many important changes and continues to advocate for a just society and a responsive social welfare state One Hundred Years of Social Work will be of interest to social workers social work students and educators social historians professional associations and anyone interested in understanding the complex nature of people and institutions Céline Dion and René Angelil Library Bundle Jean Beaunoyer, Georges-Hebert Germain, 2013-11-09 C line Dion is quite possibly Canada's most famous singer and an icon in her own home province of Quebec Possessed of an incandescent voice and a vibrant personality she has moved huge audiences all over the world These two books tell her story C line is the story of her journey from being just one child in a huge family to becoming the world s songbird Ren Ang lil fills in the gaps by presenting the life of her manager and husband who helps guide both C line's career and life and has played a key role in her success Includes C line Ren Angelil The Making of C line Dion The Social History of Ideas in Quebec, 1760-1896 Yvan Lamonde, 2013 The first synthesis of the history of ideas over a century in Quebec

Challenge for Change Thomas Waugh, Michael Brendan Baker, Ezra Winton, 2010-02-01 Pioneering participatory social change oriented media the program had a national and international impact on documentary film making yet this is the first comprehensive history and analysis of its work The volume's contributors study dozens of films produced by the program their themes aesthetics and politics and evaluate their legacy and the program s place in Canadian Qu b cois and world cinema An informative and nuanced look at a cinematic movement Challenge for Change reemphasizes not just the importance of the NFB and its programs but also the role documentaries can play in improving the world **Globalisation and Employee Participation** Iordanis Psimmenos, 2018-12-21 First published in 1997 this is an important and wide ranging book It is rooted in a fascinating research based case study of employee participation in the state owned Greek public power electricity corporation Drawing on extensive familiarity with the relevant literatures however it also provides a full appreciation of the significance of this case by placing it within both the history and current framework of employee organisation and industrial relations in Greece and the development of Greece as a peripheral capitalist society in a global

economy By exploring the issue of employee participation in this way Dr Psimmenos not only makes a unique original contribution to the study of industrial organisation and management worker relations in Europe but also shows the impact which the institutions and processes of globalisation have upon a society and economy like Greece part of the European Union and also subject to the constraints of international capitalism Globalisation and Employee Participation will be welcomed by academics and researchers in sociology politics industrial relations and political economy as well as those concerned with the history and present state of Greece and other Mediterranean societies It is a valuable scholarly addition to the literature in these areas Translation Effects Kathy Mezei, Sherry Simon, Luise von Flotow, 2014-06-01 Much of Canadian cultural life is sustained and enriched by translation Translation Effects moves beyond restrictive notions of official translation in Canada analyzing its activities and effects on the streets in movie theatres on stages in hospitals in courtrooms in literature in politics and across caf tables The first comprehensive study of the intersection of translation and culture Translation Effects offers an original picture of translation practices across many languages and through several decades of Canadian life The book presents detailed case studies of specific events and examines the reverberation and spread of their effects Through these imaginative at times unusual investigations the contributors unveil the simultaneous invisibility and omnipresence of translation and present a cross cut of Canadian translation moments Addressing the period from the 1950s to the present and including a wide scope of examples from medical interpreting to film dubbing the essays in this book create a panoramic view of the creation of modern culture in Canada Contributors include Piere Anctil University of Ottawa H l ne Buzelin Universit de Montr al Alessandra Capperdoni Simon Fraser University Philippe Cardinal Andrew Clifford York University Beverley Curran Ren e Desjardins University of Ottawa Ray Ellenwood David Gaertner Chantal Gagnon Universit de Montr al Patricia Godbout Hugh Hazelton Jane Koustas Brock University Louise Ladouceur Universit de l'Albera Gillian Lane Mercier McGill University George Lang Rebecca Margolis Sophie McCall Simon Fraser University Julie Dolmaya McDonough Denise Merkle Universit de Moncton Kathy Mezei Sorouja Moll Brian Mossop Daisy Neijmann Glen Nichols Mount Allison University Joseph Pivato Gregory Reid Robert Schwartzwald Sherry Simon Luise von Flotow University of Ottawa and Christine York
