QUEEN IN 3-D BRIAN. MAY,2021-10 Queen in 3 D is an inside view of one of the greatest rock acts of all time told in his own pictures and words by founder member songwriter and guitarist Brian May Complimentary 3 D OWL viewer included The Virgin Encyclopedia of 70s Music Colin Larkin,2002 All the facts and informed opinion that you need on the artists who made the history of this decade are contained in this single volume distilled from The Virgin Encyclopedia of Popular Music universally acclaimed as the world s leading source of reference on rock and pop history *The Queen's Necklace* Antal Szerb,2019-06-25 In August 1785 Paris buzzed with a scandal that had everything an eminent churchman a female fraudster a part time prostitute and the hated Queen herself Its centrepiece was the most expensive diamond necklace ever assembled and the tangle of fraud folly blindness and self delusion it provoked The humiliation the affair brought on the royal family contributed to their appalling deaths in the Revolution just four years later In this unusual witty and often surprising version of the story the great Hungarian novelist Antal Szerb takes the narrative as a standpoint from which to survey the entire age including aspects of it seldom considered by more orthodox historians The author s vast knowledge is worn very lightly and the book teems with amusing anecdotes but it is at heart a deeply personal work a remarkable gesture of defiance against the brutal world in which it was written **Saint Margaret, Queen of the Scots** C. Keene,2013-11-19 Margaret saint and 11th century Queen of the Scots remains an often cited yet little understood historical figure Keene s analysis of sources in terms of both time and place including her Life of Saint Margaret translated for the first time allows for an informed understanding of the forces that shaped this captivating woman **Rockin' the Free World!** Sean Kay,2016-12-29 In Rockin the Free World international relations expert Sean Kay takes readers inside Bob Dylan s America and shows how this vision linked the rock and roll revolution to American values of freedom equality human rights and peace while tracing how those values have spread globally *The Artistry and Legacy of Queen* Tony Rigg,Ewa Mazierska,2024-12-12 Over a career spanning six decades Queen have become one of the most successful music artists in the

history of the recorded music industry Their consumption on digital platforms towers above other classic bands and artists of their generation and even many contemporary artists attesting to the substantial and transgenerational appeal of Queen This collection offers insights into the Queen phenomenon through considering their artistry influences sound singing style use of instruments and technology composition live performance as well as their impact on other music makers and fandom Bringing together academics from a range of disciplines in music studies including musicology composition performance as well as specialists in film and media studies sociology queer studies and business studies the book examines the many dimensions of Queen and lessons we can learn from them to inform future practice in popular music

Is This the Real Life? Mark Blake, 2011-03-22 Queen's success in the 1970s was accompanied by a taste for musical and non musical excess Is This the Real Life draws on eyewitness testimonies former producers and managers ex girlfriends and boyfriends to create a complete picture of one of the world's most ambitiously driven rock bands at work and at play Revealing Queen's complex dynamic Blake also explores how Freddie Mercury's sexuality alienated some of the band's fan base how they reinvented themselves by morphing from hard rock to pop and how they saw out their final years as Mercury became one of the most successful rock stars in the world Is This the Real Life looks beyond Queen's public persona to shed light on the legendary band's four wildly divergent personalities particularly lead singer Freddie Mercury's

Queen Martin Popoff, 2018-11-27 A thoughtfully curated and gloriously illustrated retrospective of the band's studio releases Queen comes just in time for the 45th anniversary of their debut LP and biopic Formed in 1970 Queen went on to become one of the most popular and most successful rock bands of all time Even following the untimely death of beloved and magnetic frontman Freddie Mercury and nearly 50 years after their formation interest in the band has continued evidenced by scores of reissues arena tours with surviving members and a feature film biopic In this new installment in Voyageur Press's Album by Album series rock journo Martin Popoff convenes a cast of 19 Queen experts and superfans to discuss all 15 of the band's studio albums including their soundtrack for the 1980 film Flash Gordon Panelists include Queen experts rock journalists musicians and record industry figures The results are freewheeling discussions delving into the individual songs the circumstances that surrounded the recording of each album the band and contemporary rock contexts into which they were released and more The engaging text of this beautifully designed book is illustrated throughout with rare live performance and candid offstage photography as well as scads of rare Queen ephemera The Album by Album series is a unique approach to the rock bio injecting the varied voices of several contributors The results have even the most diehard fans rushing back to their MP3 players or turntables to confirm the details and opinions expressed
