Queen Maeve And Her Lovers A Celtic Archetype Of Ecstasy Addiction And Healing:

The Complete Idiot's Guide to Celtic Wisdom Carl Mccolman, 2003-05-06 A comprehensive look at Irish Scottish Welsh and continental Celtic traditions both pagan and Christian this guide includes the Celtic approach to shamanism fairies Wicca neopaganism magic and Druidism It draws a map for today's Celtic quest with the way of the pilgrim honor of one's ancestors and the language and culture The Complete Idiot's Guide to Yorkshire Celtic Wisdom helps you understand the many varieties of Celtic spirituality and mysticism In this Complete Idiot's Guide you get The spiritual history of the Celts from ancient shamans to renowned druids to modern paganism The magical realm of spirit otherwise known as the otherworld The mysticism of the natural world from standing to holy wells Why myths and stories are so important to the Celtic tradition

Jung and the Jungians on Myth Steven F. Walker, 2002 In this book Steven Walker carefully leads the reader through the fundamentals of the psychology that underlies Jung's theory of myth He defines key terms and distinguishes dream from fantasy in psychological experience He then traces the lineage of Jungian theory from Jung through such disciples as Van Franz and Neumann to contemporary archetypal psychology By applying Jungian psychology to an array of myths to illustrate core concepts of this theoretical tradition Walker fills a conspicuous gap in the current literature on Jung from back cover

Jung and the Jungians on Myth Steven Walker, 2014-04-08 Carl Gustav Jung 1875-1961 was never more insightful and intriguing than when he discussed mythology The key to understanding the Jungian approach to mythology lies in the concept of the image which provides the basis for his theory of the unconscious By emphasizing the image over the word Jungian psychology distinguishes itself dramatically from Freudian Lacanian and other psychologies that stress the task of interpreting the language the words of the unconscious In *Jung and the Jungians on Myth* Steven Walker carefully leads the reader through the essential lines of thought in Jungian psychology before developing his method for using Jungian ideas to approach mythological texts Whether one is sympathetic toward Jung's ideas or critical of them one will find in Walker's discussion a lucid introduction to Jungian perspectives on myth and psychology

American Icarus Pythia Peay, 2015-04-01 This is the story of Joe Carroll fully paid up member of the Greatest Generation aviator farmer and handsome Irish charmer who radiated exuberance for life a literal and metaphorical flying boy With his head in the clouds this American Icarus embodied all that was aspirational and attractive about mid twentieth century America with its technical ingenuity bravado and its belief that the only way was up But Joe was also a destructive impulsive alcoholic like many of that generation he held experiences and feelings close to the chest Only on his deathbed did Joe acknowledge the pull of gravity reaching out to his estranged family reflecting over his life and contemplating the afterlife Depth journalist Pythia Peay is Joe's eldest child In this evocative thoroughly researched and sensitively drawn depiction of her father's life and times Peay maps the trajectories of this troubled ordinary Joe who as a youth had suffered a Dickensian twist of fate that would leave him a divided man Guided by her father's memories he recalled as he lay dying Peay charts the ancestral rivers

that led a working class boy from depression era Altoona Pennsylvania to the Air Transport Command and Brazil during World War II post War Buenos Aires where Joe married an Argentine beauty with ancestral connections to the foundation of the United States newly independent Israel where he flew for El Al the Missouri heartland in the 1950s where he ran a farm and raised four children while traveling the world for TWA the upheavals of the 1960s that would drive Peay and her father apart Mexico where her parents fled to escape their failing marriage and finally Texas where Joe got cancer and died In narrating Joe s life Peay not only delineates the depths of the Depression the highs of the good war and the psychological toll it exacted on the Greatest Generation as well as the undercurrents that led to her family s disintegration in the 1960s but she unpacks the myths and archetypes that shape the United States its perpetual restlessness and heroic individualism in a journey that leads intimately and movingly to a final reconciliation with a dying patriarch and the ghosts of the past

The Sacred Whore Maureen Concannon (Ph. D.),2004 Anthropology archaeology mythology history and psychology are combined to produce this first study of the subject for many years Jacket

Celtic Queen Maeve and Addiction Sylvia Brinton Perera,2001 Drawing on twenty six years of experience as a Jungian analyst the author shows how the stories and images of ancient mythology can illuminate the depths of the psyche In particular she shows how those in the grip of addiction confront the great Irish goddess Maeve whose name means the inebriating one and whose drink was the sacred mead Maeve represents the profoundly human and archetypal need for experiences of ecstasy and sovereignty Written with passion and clarity the author gives us Queen Maeve in full and invites us to comprehend the wildness of the Celtic imagination She brings with her the sensitivity of a psychoanalyst who has companioned many souls suffering the dislocations and addictions of modern life For those who have had to battle with their own addictions or with those of their loved ones or clients this book offers the promise of understanding how that battle is suffered fought and won

Dreams, a Portal to the Source Edward C. Whitmont,Sylvia Brinton Perera,1991 An introductory guidebook to dream interpretation which will be of interest to analysts and therapists both in practice and training and to a wider readership interested in the origins and significance of dreams

Descent to the Goddess Sylvia Brinton Perera,1981 Pioneer study of the need for an inner female authority in a masculine oriented society Interprets the journey into the underworld of Inanna Ishtar Goddess of Heaven and Earth to see Erishkigal her dark sister So must modern women descend into the depths of themselves Rich in insights

Sacred Contracts Caroline Myss,2013-09-04 Caroline Myss author of the New York Times bestsellers Anatomy of the Spirit and Why People Don t Heal and How They Can presents an exciting highly original program in this long awaited book Based on her internationally popular workshop of the same name Sacred Contracts is a brilliant synthesis of psychology healing guidance and spiritual insight As a medical intuitive Myss has found that people often don t understand their purpose in life which has led to a spiritual malaise of epidemic proportions This metaphysical disease in turn leads to depression anxiety fatigue and eventually physical illness But our purpose our individual Sacred Contract is often difficult to apprehend For this reason

Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung Plato and contemporary thinkers She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages She then examines the lives of the spiritual masters and prophets Abraham Jesus the Buddha and Muhammad whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own With her signature motivational style and stories Myss explains how you can identify your particular spiritual energies or archetypes the gatekeepers of your higher purpose and use them to help you find out what you are here on earth to learn and whom you are meant to meet In coming to know your archetypal companions you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your greatest in fact your divine potential In this process you learn how to see your life and the lives of others symbolically allowing you to manage your personal power without getting caught up in emotional drama You will also learn how to fulfill your Sacred Contract what you and only you are here on earth to do Finally Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas Both visionary and practical Sacred Contracts is a completely unique process of self discovery and spiritual archaeology and a bold powerful work of spiritual wisdom
