

Queen Of Lions

Ginger Garrett

Queen Of Lions:

Queen of Lions Alan Savage, 1994 When the beautiful Margaret of Anjou married King Henry VI of England she longed for love power wealth and a son Though her husband could satisfy none of her desires there were others at court who could This novel retells the story of how she became the all powerful Queen of Lions **Saving the White Lions** Linda Tucker, 2013-05-07 In this captivating suspenseful memoir white lion conservationist Linda Tucker describes her perilous struggle to protect the sacred white lion from the merciless and mafia like trophy hunting industry armed only with her indomitable spirit and total devotion Her story begins in 1991 with a heart stopping misadventure in the Timbavati Reserve of South Africa Tucker then a successful advertising executive and a group of fellow travelers found themselves surrounded by a pride of angry lions There was no way out night had fallen and the battery in their only flashlight was beginning to flicker Miraculously a local medicine woman with two youngsters in tow passed trancelike and fearless through the lions and escorted them all to safety For Tucker that life threatening experience became a life changing one She abandoned her career left Europe and returned to Timbavati to track down the medicine woman who had saved her Maria Khosa Upon seeing Tucker again Khosa only smiled and said What took you so long She had been expecting her and there was so much to do Under Khosa s shamanic tutelage Tucker learned of her sacred destiny to be the keeper of the white lions believed to be angelic beings sent to Earth to save humanity at a time of crisis Khosa also prophesized that the queen of the white lions the embodiment of the mother of Ra the sun god would soon be born on a day and in a place considered holy by Westerners On December 25 2000 in the little South Africa town of Bethlehem a snowy white lion cub Marah was born From the moment of her first meeting with Marah Tucker s story immediately takes off into battle as she dedicates her every waking moment to prying Marah and her siblings from the grips of the trophy hunting industry Compellingly written in the intimate style of a journal Tucker describes with unflinching honesty her fears doubts hopes and dreams all the while unfolding for us an unforgettable tale of adventure romance spirituality and most of all justice **Mystery of the White Lions** Linda Tucker, 2010-06-01 The inspiring firsthand account of one woman s journey into African shamanism and the mysteries of the most sacred animal on the continent the legendary White Lion In 1991 Linda Tucker was rescued from a pride of lions in the Timbavati game region by a medicine woman known as the Lion Queen So began Linda s lifelong journey into the wisdom and ceremonies of Old Africa in which humans and lions are able to cross the species barrier Such knowledge is in accordance with the most guarded secrets of Ancient Egypt and humankind s greatest riddle the Sphinx Scientists in our day have established that humankind s most significant evolutionary leap occurred as a result of our ancestors interaction with great cats The White Lion is a genetic rarity within *Panthera leo* and occurred in just one region on Earth Timbavati Today White Lions form the center of the notorious canned trophy hunting industry hand reared captive lions shot in enclosures for gross sums of money By contrast shamans believe that killing a lion sun god is the ultimate sacrilege How the human species

treats such precious symbols of God in nature may determine how nature treats the human species Whether we view them as prophetic Lions of God or simply as rare genetic mutations the story of the White Lions is a true legend unfolding in our own extraordinary times Inspiring captivating and thoroughly researched Mystery of the White Lions is an unforgettable portrait of these magnificent beasts and of the overwhelming love that has driven Linda s every action to save them Through understanding the White Lion we will understand ourselves and our great role in the chain of being Deepak Chopra **A**

Coalition of Lions Elizabeth Wein,2004 After the death of virtually all of her family in the battle of Camlan Goewin Princess of Britain daughter of the High King Artos makes a desperate journey to African Aksum to meet with Constantine the British ambassador and her fiance But Aksum is undergoing political turmoil and Goewin s relationship with its ambassador to Britain makes her position more than precarious Caught between two countries with the power to transform or end lives Goewin fights to find and claim her place in a world that has suddenly irrevocably changed *The Lion's Roar of Queen Śrīmālā* Alex Wayman,1990 The Lion s Roar of Queen Srimala or Sri mala sutra became the Mahayana scripture preeminent for teaching that all sentient beings have the potentiality of Buddhahood It was an inspiration for both the Lankavatara sutra and the Chinese classic Awakening of Faith The translators present evidence that it was composed in the Andhra region of South India in the third century A D Thereafter it had remarkable success in China and through Korea entered into the beginnings of Buddhism in Japan where it has been important up to the present time This the first complete rendering of the scripture into a western language utilizes all the known Sanskrit fragments the Tibetan the two Chinese versions and the Japanese renditions Chinese and japanese commentaries and various studies in japanese Contents Foreword Preface Translator s Note Introduction I Sri Mala as a Text II Classification of Persons III Doctrine of Sri Mala Prologue 1 Eliminating all Doubts 2 Deciding the Cause 3 Clarifying the Final Meaning 4 Entering the one vehicle path Epilogue Appendix I The Chinese Section Titles of Sri Mala and Appendix II Works Cited in Chi tsang s Commentary Glossary Bibliography Index

The Lion Queen Rina Singh,2023-10-03 Author Rina Singh and illustrator Tara Anand presenta true tale of big cats and even bigger courage in this picture book inspired by the personal story of the Lion Queen Rasila Vadher who was Gir Forest s first female guard Never look a lion in the eyes a mother tells her fearless girl After a field trip to the Gir Forest the girl learns all about the rare Asiatic lions of India and from that day on she dreams of taking care of them when she grows up But not everyone thinks a girl has a right to such a dream and so she stifles what she wishes for most a roar growing inside her That is until the day she comes face to face with a lion This empowering and exciting picture book is inspired by the story of Rasila Vadher who grew up to become the first woman guardian and real life Lion Queen at India s Gir Forest the very place where she first fell in love with lions *Lion Guard: Can't Wait to be Queen* ,2016-01-26 Read along with Disney When Simba and Nala have to leave Pride Rock for a few days Kiara becomes queen She is in charge of everything in the Pride Lands including the Lion Guard Kion has to decide should he listen to his big sister and queen or lead the Lion Guard the way

he thinks is best **Njinga of Angola** Linda M. Heywood,2017-02-27 The fascinating story of arguably the greatest queen in sub Saharan African history who surely deserves a place in the pantheon of revolutionary world leaders Henry Louis Gates Jr Though largely unknown in the West the seventeenth century African queen Njinga was one of the most multifaceted rulers in history a woman who rivaled Queen Elizabeth I in political cunning and military prowess In this landmark book based on nine years of research and drawing from missionary accounts letters and colonial records Linda Heywood reveals how this legendary queen skillfully navigated and ultimately transcended the ruthless male dominated power struggles of her time Queen Njinga of Angola has long been among the many heroes whom black diasporians have used to construct a pantheon and a usable past Linda Heywood gives us a different Njinga one brimming with all the qualities that made her the stuff of legend but also full of all the interests and inclinations that made her human A thorough serious and long overdue study of a fascinating ruler Njinga of Angola is an essential addition to the study of the black Atlantic world Ta Nehisi Coates This fine biography attempts to reconcile her political acumen with the human sacrifices infanticide and slave trading by which she consolidated and projected power New Yorker Queen Njinga was by far the most successful of African rulers in resisting Portuguese colonialism Tactically pious and unhesitatingly murderous a commanding figure in velvet slippers and elephant hair ripe for big screen treatment and surely as our social media age puts it one badass woman Karen Shook Times Higher Education *A Marriage of Lions* Elizabeth Chadwick,2021-09-09 The Historical Novel Society Editor s Choice Picking up an Elizabeth Chadwick novel you know you are in for a sumptuous ride Daily Telegraph England 1238 Raised at the court of King Henry III as a chamber lady to the queen young Joanna of Swanscombe s life changes forever when she comes into an inheritance far above all expectations including her own Now a wealthy heiress Joanna s arranged marriage to the King s charming tournament loving half brother William de Valence immediately stokes the flames of political unrest as more established courtiers object to the privileges bestowed on newcomers As Joanna and William strive to build a life together England descends into a bitter civil war In mortal danger William is forced to run for his life and Joanna is left with only her wit and courage to outfox their enemies and prevent them from destroying her husband her family and their fortunes Elizabeth Chadwick has taken the few facts known about Joanna s life and turned them into a rich detailed portrait of a woman attempting to survive brutal court politics The Times Praise for Elizabeth Chadwick An author who makes history come gloriously alive The Times Stunning Her characters are beguiling and the story is intriguing Barbara Erskine I rank Elizabeth Chadwick with such historical novelist stars as Dorothy Dunnett and Anya Seton Sharon Kay Penman Enjoyable and sensuous Daily Mail Meticulous research and strong storytelling Woman Home A riveting read A glorious adventure not to be missed Candis *The Last Lions of Africa* Anthony Ham,2020-08-04 Bravely pursued acutely observed and elegantly told John Vaillant author of *The Tiger* Urgent and important This moving tale with a heroic cast of characters leonine and human is a must read for anyone passionate about wildlife and wild places Tony Park author of *Last Survivor* This is the riveting and

illuminating story of Australian writer Anthony Ham's extraordinary journey into the world of lions. Haunted by the idea that they might disappear from the planet in our lifetime, he ventured deep into the African wilderness speaking to local tribespeople and activists as well as to rangers, scientists, and conservationists about why lions are close to extinction and what can be done to save them. In *The Last Lions of Africa*, we walk alongside Anthony as he reveals the latest extraordinary science surrounding the earth's dwindling lion populations and their often surprising relationship to mankind. As he uncovers heartbreaking and astonishing accounts of individual lions, prides, and habitats, each chapter unfolds as both gripping campfire story and deeply researched exploration of larger mysteries in the natural world. Anthony's vivid storytelling weaves together natural history, ancient lore, and multidisciplinary science to show us a world in which human populations are growing and wild lands are shrinking, where lions and indigenous peoples fight not for sovereignty over the land but for their very existence. In this gripping and crucial book, Anthony Ham brings Africa, its people, and its endangered lions to magnificent life and shows the surprising ways those last lions might be saved.

10 Reasons to Love... a Lion Catherine Barr, 2018-07-05. Lions are incredible creatures. Did you know that they are the only big cat to live in groups? Or that their roar can be heard for miles? Discover ten reasons why lions are incredible and five ways you can show they love them in this gorgeous picture book. A must for any young animal enthusiast and a fantastic introduction to environmental issues.

[The Lions of Fifth Avenue: A GMA Book Club Pick](#) Fiona Davis, 2021-05-25. A Good Morning America Book Club Pick and a New York Times bestseller. A page-turner for booklovers everywhere. A story of family, ties, their lost dreams, and the redemption that comes from discovering truth. Adriana Trigiani, bestselling author of *The Shoemaker's Wife*. In New York Times bestselling author Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life: her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club, a radical all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. And when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head-on and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-

averse Sadie teams up with a private security expert to uncover the culprit However things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own family heritage truths that shed new light on the biggest tragedy in the library s history **In the Shadow of Lions** Ginger Garrett,2008 I am the first writer The Scribe My books lie open before the Throne and someday will be the only witness of your people and their time in this world So begins the narration of one such angel in this sweeping historical tale set during the reign of England s Henry VIII It is the story of two women their guardian angels and a mysterious subversive book a book that outrages some inspires others and launches the Protestant Reformation The devout Anne Boleyn catches the eye of a powerful king and uses her influence to champion an English translation of the Bible Meanwhile Rose a broken suicidal woman of the streets is moved to seek God when she witnesses Thomas More s public displays of Christian charity ignorant of his secret life spent eradicating the Bible persecuting anyone who dares read it Historic figures come alive in this thrilling story of heroes and villains saints and sinners angels and mortals and the sacred book that will inspire you anew Fans of Francine Rivers and Karen Kingsbury will love Ginger s intriguing combination of rich character development artful settings and inspiring historical insights *Court of Lions* Somaiya Daud,2020-08-06 Two identical girls one a princess the other a rebel Who will rule the empire Amani must make a devastating choice between revolution and family in this sequel to the instant Sunday Times bestseller *Mirage* After being swept up into the brutal Vathek court Amani the ordinary girl forced to serve as the half Vathek princess s body double has been forced into complete isolation The cruel but complex princess Maram with whom Amani had cultivated a tenuous friendship discovered Amani s connection to the rebellion and has forced her into silence and if Amani crosses Maram once more her identity and her betrayal will be revealed to everyone in the court Amani is desperate to continue helping the rebellion to fight for her people s freedom But she must make a devastating decision will she step aside and watch her people suffer or continue to aid them and put herself and her family in mortal danger And whatever she chooses can she bear to remain separated forever from Maram s fianc Idris *The Lion in Winter* James Goldman,2004-12-14 Insecure siblings fighting for their parents attention bickering spouses who can t stand to be together or apart adultery and sexual experimentation even the struggle to balance work and family These are themes as much at home in our time as they were in the twelfth century In James Goldman s classic play *The Lion in Winter* domestic turmoil rises to an art form Keenly self aware and motivated as much by spite as by any sense of duty Henry II and Eleanor of Aquitaine maneuver against each other to position their favorite son in line for succession By imagining the inner lives of Henry Eleanor and their sons John Geoffrey and Richard Goldman created the quintessential drama of family strife and competing ambitions a work that gives visceral modern day relevance to the intrigues of Angevin England Combining keen historical and psychological insight with delicious mordant wit the stage play has become a touchstone of today s theater scene and Goldman s screenplay for the 1968 film adaptation won him an Academy Award Told in marvelously articulate language with humor that bristles and burns

Los Angeles Times The Lion in Winter is the rare play that bursts into life on the printed page Lion Hearted Andrew Loveridge, 2018-04-10 Until the lion has its own storyteller tales of the lion hunt will always glorify the hunter Zimbabwean proverb In 2015 an American hunter named Walter Palmer shot and killed a lion named Cecil The lion was one of dozens slain each year in Zimbabwe which legally licenses the hunting of big cats But Cecil's death sparked unprecedented global outrage igniting thousands of media reports about the peculiar circumstances surrounding this hunt At the center of the controversy was Dr Andrew Loveridge the zoologist who had studied Cecil for eight years In Lion Hearted Loveridge pieces together for the first time the fascinating life and murky details of this beloved lion's slaying In the tradition of Born Free and Gorillas in the Mist Lion Hearted chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked often from birth to death Born and raised in Zimbabwe Loveridge learned to love predators at the knee of his father an eminent herpetologist who stored baby crocodiles in the family bathtub After earning his doctorate at Oxford he seized an invitation to study the lions of Zimbabwe's Hwange National Park There he meets Stumpy Tail who despite her name has the dignity of the Queen of the Animal Kingdom Dynamite a venerable coalition leader who muscled out by younger males sets off on an incredible thirty seven day 137 mile journey to find a new home and Kataza who escapes another lion's claws and whom Loveridge twice saves from death at the hands of humans And of course there is Cecil Dethroned in an epic battle he forms an alliance with a former rival He also becomes a favorite of photographers and tourists until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world Despite their ruthless reputation lions can form deep emotional bonds females live in prides a sisterhood of mothers daughters sisters and aunts that can exhibit military precision when hunting in formation males band together in coalitions to vie for control of territory and the female prides They also display a wide range of emotional behavior including mourning the loss of their mates partners and cubs Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years There may now be as few as 20 000 wild lions across the entire continent far fewer than the number of elephants While deploring the killing of lions for sport Loveridge does not believe that banning trophy hunting by itself will halt the decline of Africa's lion populations He sees greater threats in human population growth the loss of habitat to agriculture and the illegal trade in lion body parts for use in traditional medicines And he offers concrete proposals for averting the lion's extinction More than a gripping detective story Lion Hearted is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing Lions are one of the most beloved animals on the planet Loveridge observes They are the national symbol of no fewer than fifteen countries Surely we can think of a better way to save the wild animals we love besides killing them Reprints and pamphlets, mainly on biological subjects from the Biological laboratory, Queen's college, Galway Richard John Anderson, 1913 **Menagerie** Caroline Grigson, 2016 Menagerie is the story of the panoply of exotic animals

that were brought into Britain from time immemorial until the foundation of the London Zoo a tale replete with the extravagant the eccentric and on occasion the downright bizarre From Henry III's elephant at the Tower to George IV's love affair with Britain's first giraffe and Lady Castlereagh's recalcitrant ostriches Caroline Grigson's tour through the centuries amounts to the first detailed history of exotic animals in Britain On the way we encounter a host of fascinating and outlandish creatures including the first peacocks and popinjays Thomas More's monkey James I's cassowaries in St James's Park and Lord Clive's zebra which refused to mate with a donkey until the donkey was painted with stripes But this is not just the story of the animals themselves It also the story of all those who came into contact with them the people who owned them the merchants who bought and sold them the seamen who carried them to our shores the naturalists who wrote about them the artists who painted them the itinerant showmen who worked with them the collectors who collected them And last but not least it is about all those who simply came to see and wonder at them from kings queens and nobles to ordinary men women and children often impelled by no more than simple curiosity and a craving for novelty
