## Queen Victoria The Bestsellers Of 19:

*Queen Victoria's Book of Spells* Ellen Datlow, Terri Windling, 2013-03-19 Gaslamp Fantasy or historical fantasy set in a magical version of the nineteenth century has long been popular with readers and writers alike A number of wonderful fantasy novels owe their inspiration to works by nineteenth century writers ranging from Jane Austen the Brontës and George Meredith to Charles Dickens Anthony Trollope and William Morris And of course the entire steampunk genre and subculture owes more than a little to literature inspired by this period *Queen Victoria's Book of Spells* is an anthology for everyone who loves these works of neo Victorian fiction and wishes to explore the wide variety of ways that modern fantasists are using nineteenth century settings characters and themes These approaches stretch from steampunk fiction to the Austen and Trollope inspired works that some critics call Fantasy of Manners all of which fit under the larger umbrella of Gaslamp Fantasy The result is eighteen stories by experts from the fantasy horror mainstream and young adult fields including both bestselling writers and exciting new talents such as Elizabeth Bear James Blaylock Jeffrey Ford Ellen Kushner Tanith Lee Gregory Maguire Delia Sherman and Catherynne M Valente who present a bewitching vision of a nineteenth century invested or cursed with magic A Kirkus Reviews Best Fiction Book of 2013 **Victorian Bestseller** Karen Bourrier, 2019-06-19 When novelist Dinah Craik 1826-87 died expressions of grief came from Lord Alfred Tennyson Matthew Arnold Robert Browning T H Huxley and James Russell Lowell among others and even Queen Victoria picked up her pen to offer her consolation to the widower Despite Craik's enormous popularity throughout a literary career that spanned forty years she is now all but forgotten Yet in an otherwise respectable life bookended by scandal this was precisely the way that she wanted it *Victorian Bestseller* is the first book to relate the story of Dinah Craik's remarkable life Combining extensive archival work with theoretical work in disability studies and the professionalization of women's authorship Karen Bourrier engagingly traces the contours of this author's life Craik who wrote extensively about disability in her work was no stranger to it in her personal and professional life marked by experiences of mental and physical disability and the ebb and flow of health Following scholarship in the ethics of care and disability studies the book posits Craik as an interdependent subject placing her within a network of writers publishers editors and artists friends and family members *Victorian Bestseller* also traces the conditions in the material history of the book that allowed Victorian women writers careers to flourish In doing so the biography connects corporeality gender and the material history of the book to the professionalization of Victorian women's authorship

*Queen Victoria* John Plunkett, 2003 The nineteenth century saw the arrival of the mass media high volume illustrated newspapers and magazines photography and the telegraph which connected every part of the Empire From the beginning royalty was an essential subject for the media Victoria's reign was documented in a detail never known before her accession and coronation her very public marriage her travels at home and abroad her Jubilees and ultimately her death and funeral John Plunkett's book is the first to study the role of the media in Queen Victoria's reign He argues that the development of

popular print and visual media in the nineteenth century helped to reinvent the position of the monarchy in national life. He reveals how the royal family was one of the principal beneficiaries of the growth of cheap newspapers and illustrated periodicals and the advent of new media. He brings to light a wealth of previously unexamined material including a detailed account of the emergence of royal journalism and the role of functionaries like the Court Newsmen and shows how photographs of Victoria were routinely retouched and manipulated in the latter decades of the century.

**The Mysterious Miss Marie Corelli** Teresa Ransom, 1999 Marie Corelli dined with the Prince of Wales, entertained Sarah Bernhardt and split Stratford into warring factions but she seems to have invented her own past. The bestselling novelist of her age, she blazed into fame from nothing.

*The Last Princess* Matthew Dennison, 2019-12-12 Beatrice Mary Victoria Feodore, later Princess Henry of Battenberg, was the last born in 1866 of Victoria and Albert's children and she would outlive all of her siblings to die as recently as 1944. Her childhood coincided with her mother's extended period of mourning for her prematurely deceased husband, a circumstance which may have contributed to Victoria's determination to keep her youngest daughter as close to her as possible. She would eventually marry Prince Henry of Battenberg in 1885 but only after overcoming her mother's opposition to their union. Beatrice remained Queen Victoria's favourite among her five daughters and became her mother's constant companion and later her literary executor, spending the years that followed Victoria's death in 1901 editing her mother's journals and voluminous correspondence. Matthew Dennison's elegantly written biography restores Beatrice to her rightful place as a key figure in the history of the Victorian age and paints a touching and revealing portrait of the life and family of Britain's second longest reigning monarch.

*Queen Victoria's Highland Journals* Victoria (Queen of Great Britain), 2005 These journals cover the period from 1848 to 1882, provide a fascinating insight into the days she spent with her family in her much beloved Scottish Highlands. They provide a rare opportunity into the thoughts and reflections of the wife and mother who wore the Imperial crown.

**Queen Victoria's Children** John Kiste, 2011-10-24 Queen Victoria and Albert, Prince Consort, had nine children who, despite their very different characters, remained a close-knit family. Inevitably, as they married into European royal families, their loyalties were divided and their lives dominated by political controversy. This is not only the story of their lives in terms of world impact but also of their own personal achievements, their individual contributions to public life in Britain and overseas and in their roles as the children of Queen Victoria and the Prince Consort.

**Queen Victoria's Gene** D M Potts, W T W Potts, 2011-10-21 Queen Victoria's son Prince Leopold died from haemophilia but no member of the royal family before his generation had suffered from the condition. Medically, there are only two possibilities: either one of Victoria's parents had a 1 in 50,000 random mutation or Victoria was the illegitimate child of a haemophiliac man. However, the haemophilia gene arose, it had a profound effect on history. Two of Victoria's daughters were silent carriers who passed the disease to the Spanish and Russian royal families. The disease played a role in the origin of the Spanish Civil War and the tsarina's concern over her only son's haemophilia led to the entry of Rasputin into the royal

household contributing directly to the Russian revolution      **Victoria: The Queen** Julia Baird, 2017-10-03 The true story for fans of the PBS Masterpiece series Victoria this page turning biography reveals the real woman behind the myth a bold glamorous unbreakable queen a Victoria for our times Drawing on previously unpublished papers this stunning portrait is a story of love and heartbreak of devotion and grief of strength and resilience NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES ESQUIRE THE CHICAGO PUBLIC LIBRARY Victoria the Queen Julia Baird s exquisitely wrought and meticulously researched biography brushes the dusty myth off this extraordinary monarch The New York Times Book Review Editor s Choice When Victoria was born in 1819 the world was a very different place Revolution would threaten many of Europe s monarchies in the coming decades In Britain a generation of royals had indulged their whims at the public s expense and republican sentiment was growing The Industrial Revolution was transforming the landscape and the British Empire was commanding ever larger tracts of the globe In a world where women were often powerless during a century roiling with change Victoria went on to rule the most powerful country on earth with a decisive hand Fifth in line to the throne at the time of her birth Victoria was an ordinary woman thrust into an extraordinary role As a girl she defied her mother s meddling and an adviser s bullying forging an iron will of her own As a teenage queen she eagerly grasped the crown and relished the freedom it brought her At twenty she fell passionately in love with Prince Albert of Saxe Coburg and Gotha eventually giving birth to nine children She loved sex and delighted in power She was outspoken with her ministers overstepping conventional boundaries and asserting her opinions After the death of her adored Albert she began a controversial intimate relationship with her servant John Brown She survived eight assassination attempts over the course of her lifetime And as science technology and democracy were dramatically reshaping the world Victoria was a symbol of steadfastness and security queen of a quarter of the world s population at the height of the British Empire s reach Drawing on sources that include fresh revelations about Victoria s relationship with John Brown Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today balancing work and family raising children navigating marital strife losing parents combating anxiety and self doubt finding an identity searching for meaning

**Who Was Queen Victoria?** Jim Gigliotti, Who HQ, 2014-07-10 Her reign of 63 years and seven months is known as the Victorian Era a period of industrial cultural scientific and political change that was marked by a great expansion of the British Empire But Victoria was raised under close supervision and near isolation until she became Queen of the United Kingdom at the young age of 18 She married her first cousin Albert and had nine children who married into families across Europe By the time she had earned the nickname The Grandmother of Europe and the title Empress of India it was indeed true that the sun never set on the British Empire Publicly she became a national icon but privately Who Was Queen Victoria

*Born to Rule* Julia P. Gelardi, 2005-03-19 Using unpublished letters memoirs and interviews with their descendants this epic biography follows Queen Victoria s five most famous and powerful granddaughters Two 8 page color photo inserts

**Victoria** Daisy Goodwin, 2016-11-22 From New York Times bestselling author and creator writer of the new Masterpiece PBS drama Victoria a glorious novel of the 18 year old girl who became a great queen

**Queen Victoria: Twenty-Four Days That Changed Her Life** Lucy Worsley, 2019-01-08 The story of the queen who defied convention and defined an era A passionate princess an astute and clever queen and a cunning widow Victoria played many roles throughout her life In Queen Victoria Twenty Four Days That Changed Her Life Lucy Worsley introduces her as a woman leading a truly extraordinary life in a unique time period Queen Victoria simultaneously managed to define a socially conservative vision of Victorian womanhood while also defying its conventions Beneath her exterior image of traditional daughter wife and widow she was a strong willed and masterful politician Drawing from the vast collection of Victoria s correspondence and the rich documentation of her life Worsley recreates twenty four of the most important days in Victoria s life Each day gives a glimpse into the identity of this powerful difficult queen and the contradictions that defined her Queen Victoria is an intimate introduction to one of Britain s most iconic rulers as a wife and widow mother and matriarch and above all a woman of her time

Queen Victoria Lucy Worsley, 2019-05 AN INTIMATE ACCOUNT OF ONE OF BRITAIN S LONGEST REIGNING AND MOST EXTRAORDINARY MONARCHS FROM BESTSELLING HISTORIAN LUCY WORSLEY Readers LOVE Queen Victoria This book changed my whole perception of Queen Victoria Fascinating Lucy has really brought her to life An insightful interesting and readable account Who was Queen Victoria A little old lady potato like in appearance dressed in everlasting black She was also a passionate young princess who loved dancing And there is also a third Victoria the brilliant queen one who invented a new role for the monarchy Victoria found a way of ruling when people were deeply uncomfortable with having a woman on the throne Her image as a conventional daughter wife and widow concealed the reality of a talented instinctive politician Her actions if not her words reveal that she was tearing up the rules on how to be female But the price of this was deep personal pain By looking in detail at twenty four days of her life through diaries letters and more we meet Queen Victoria up close and personal Living with her from hour to hour we can see and celebrate the contradictions that make up British history s most recognisable woman Critical acclaim for Queen Victoria A wonderfully fresh vivid and engaging portrait Jane Ridley author of Bertie A Life of Edward VII Has much of the abundant charm of its author Spectator The glory of this book is in the details The Times Worsley s command of the material and elegant writing style make this a must read Publisher s Weekly An intimate glimpse Daily Mail An engaging portrait of the monarch i paper Provides a unique insight into this inscrutable monarch Choice Magazine In this lively light footed biography just out in paperback the popular TV historian Lucy Worsley looks at just 24 days of Victoria s 81 year long life to reveal unexpected sides to the monarch BBC History Magazine

*Victoria Victorious* Jean Plaidy, 2009-02-19 In this unforgettable novel of Queen Victoria Jean Plaidy re creates a remarkable life filled with romance triumph and tragedy At birth Princess Victoria was fourth in line for the throne of England the often overlooked daughter of a prince who died shortly after her birth She and her mother lived in genteel

poverty for most of her childhood exiled from court because of her mother's dislike of her uncles George IV and William IV. A strong-willed child, Victoria was determined not to be stifled by her powerful uncles or her unpopular controlling mother. Then one morning at the age of eighteen, Princess Victoria awoke to the news of her uncle William's death. The almost forgotten princess was now Queen of England. Even better, she was finally free of her mother's iron hand and her uncles' manipulations. Her first act as queen was to demand that she be given a room and a bed of her own. Victoria's marriage to her German cousin Prince Albert was a blissfully happy one that produced nine children. Albert was her constant companion and one of her most trusted advisors. Victoria's grief after Prince Albert's untimely death was so shattering that for the rest of her life, nearly forty years, she dressed only in black. She survived several assassination attempts and during her reign, England's empire expanded around the globe until it touched every continent in the world. Derided as a mere girl queen at her coronation, by the end of her sixty-four-year reign, Victoria embodied the glory of the British Empire. In this novel written as a memoir by Victoria herself, she emerges as truthful, sentimental, and essentially human, both a lovable woman and a great queen.

*Queen Victoria* Michael Ledger-Lomas, 2021-04-08. This biography evokes the pervasive importance of religion to Queen Victoria's life but also that life's centrality to the religion of Victorians around the globe. The first comprehensive exploration of Victoria's religiosity, it shows how moments in her life, from her accession to her marriage and her successive bereavements, enlarged how she defined and lived her faith. It portrays a woman who had simple convictions but a complex identity that suited her multinational Kingdom: a determined Anglican who preferred Presbyterian Scotland, an ardent Protestant who revered her husband's Lutheran homeland but became sympathetic towards Roman Catholicism and Islam, a moralizing believer in the religion of the home who scorned Sabbatarianism. Drawing on a systematic reading of her journals and a rich selection of manuscripts from British and German archives, Michael Ledger-Lomas sheds new light not just on Victoria's private beliefs but also on her activity as a monarch who wielded her powers energetically in questions of church and state. Unlike a conventional biography, this book interweaves its account of Victoria's life with a panoramic survey of what religious communities made of it. It shows how different churches and world religions expressed an emotional identification with their Queen and Empress, turning her into an embodiment of their different and often rival conceptions of what her Empire ought to be. The result is a fresh vision of a familiar life which also explains why monarchy and religion remained close allies in the nineteenth-century British world.

*Queen Victoria* Elizabeth Longford, 2019-04-18. Drawing upon Queen Victoria's previously unpublished journals, Elizabeth Longford's classic biography recalls the contrasts and curiosities of an earlier era with exquisite detail and transforms the queen from a severe, time-worn effigy into a human being who loved, feared, and fumed. Longford probes the contradictions of a woman who wore a bonnet instead of a crown at her Golden Jubilee and yet was recognised always as both dignified and formidable. She chronicles both the Queen's public life and her emotional travails, including surprisingly stormy passages in her and Prince Albert's otherwise loving marriage. A refreshingly

human image of the Queen emerges voluble passionate politic and articulate with an irresistible mixture of grandeur and simplicity Empress Miles Taylor,2018-10-02 An entirely original account of Victoria s relationship with the Raj which shows how India was central to the Victorian monarchy from as early as 1837 In this engaging and controversial book Miles Taylor shows how both Victoria and Albert were spellbound by India and argues that the Queen was humanely intelligently and passionately involved with the country throughout her reign and not just in the last decades Taylor also reveals the way in which Victoria s influence as empress contributed significantly to India s modernization both political and economic This is in a number of respects a fresh account of imperial rule in India suggesting that it was one of Victoria s successes

**Victoria & Albert** Susan Symons,2016-08-13 This book about the marriage of Queen Victoria and Prince Albert tells the story of one of the most famous relationships in history Their marriage was by no means a grand match for Victoria and was very unpopular with the British public There were early troubles for the couple with power struggles personality clashes and unwelcome pregnancies but they created a true partnership a happy family life and founded a dynasty The book ends with Albert s early death and how a man in the prime of life was worn out with the stresses and strains of being Victoria s husband Victoria was pregnant for a third of her married life and the book looks at how she dealt with pregnancy childbirth and being a mother Queen Victoria and Prince Albert were married at the Chapel Royal St James s Palace in London on 10 February 1840 when they were both twenty years old For her their marriage followed a whirlwind romance and Albert would be a life long passion For him it was a successful outcome of long laid plans marrying Victoria was his career They were in an unusual position for their time because it was Victoria who was the sovereign and Albert had a supporting role Their marriage would succeed but stormy waters lay ahead Victoria and Albert uses some of Victoria s own words from her journal and letters to help tell the story and is beautifully illustrated throughout with portraits and other memorabilia from the author s collection This short book is intended to be light hearted and easy to read and should appeal to anyone who likes history or follows royalty or is interested in people s personal stories Victoria and Albert is the second of three books about The Colourful Personal Life of Queen Victoria They focus on the story of Victoria as a woman her personal life the events that formed her character and the relationships that were important to her The first book Young Victoria looked at her early years including her difficult childhood and how she came to the throne aged only eighteen The third book The Widowed Queen will cover the long years of her widowhood after Albert s early death as the doyenne of sovereigns and grandmamma of Europe *Queen Victoria* Hourly History,2016-09-19 The Queen of Great Britain and Ireland for 63 years the mother of nine children and grandmother to 42 Queen Victoria s life was one of magnificent proportions Victoria s childhood was difficult and lonely but from the time she took the throne aged just eighteen she blossomed into a powerful woman both frivolous and formidable Inside you will read about An Unsentimental Marriage Race to Produce an Heir Finally an Adult and Finally a Queen V A Die Shattenseite The Hungry Forties and Albert s Great Exhibition The Widow at Windsor And much more In her later years

Victoria struggled to find balance between her wish to live a very private life as a widow and her duty to live the very public life of a Queen and later Empress. The world Victoria was born into was a very different world to that which she left behind and her life story is an incredible journey from infant heir to matriarchal Queen and Empress.
