## **Queen Marys Photograph Albums:**

*Queen Mary's Photograph Albums* Queen Mary (consort of George V, King of Great Britain),1989 **The Photograph Album** David McGlone,2023-11-07 If memories are films about ghosts these pictures were the story of a haunted relationship There is a thin line between love and hate For over twenty one years Maria and John had criss crossed the boundary Now on the morning of their anniversary they are selecting photographs from their time together Silently evaluating their past while trying to decide if they have a future David McGlone s THE PHOTOGRAPH ALBUM takes each picture as a starting point for an evaluation of the day the year and beyond A tale of love hate trust heartbreak and death it is ultimately a story of redemption that elicits laughter as much as it does tears Queen Mary James Pope-Hennessy,2019-02-21 The official biography of Queen Mary grandmother of the current Queen originally commissioned in 1959 with a new foreword by Hugo Vickers When Queen Mary died in 1953 James Pope Hennessy was commissioned to write an official biography of her unusual for a Queen Consort Queen Mary s life contrary to popular belief was essentially dramatic and she played a far more important and influential role in the affairs of the British monarchy than her public image might have otherwise suggested Using material from the Royal Archives private papers and Queen Mary s personal diaries and letters Pope Hennessy s biography was a remarkable portrait of a remarkable woman and received rave reviews across the press Long out of print this new edition of Queen Mary will be accompanied by a new foreword from royal biographer and writer Hugo Vickers

**The Quest for Queen Mary** James Pope-Hennessy,Hugo Vickers,2018-09-20 A delightful insight into an eclectic life The Daily Telegraph Very funny and astute a loathly feast for royal watchers Hilary Mantel New Statesman Books of the Year 2018 A complete delight conjuring up with a few sharp strokes of the pen a mad exotic species from a world gone by Craig Brown Mail on Sunday Gloriously indiscreet the best royal book ever Harry Mount Financial Times When James Pope Hennessy began his work on Queen Mary s official biography it opened the door to meetings with royalty court members and retainers around Europe The series of candid observations secrets and indiscretions contained in his notes were to be kept private for 50 years Now published in full for the first time and edited by the highly admired royal biographer Hugo Vickers this is a riveting often hilarious portrait of the eccentric aristocracy of a bygone age Giving much greater insight into Queen Mary than the official version and including sharply observed encounters with among others the Duke and Duchess of Windsor the Duke of Gloucester and a young Queen Elizabeth The Quest for Queen Mary is set to be a classic of royal publishing Historical Dictionary of the British Monarchy James Panton,2011-02-24 The Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy *Murder Aboard The Queen Mary* Louise Hathaway,2023-04-23 Why did a teenage girl get murdered aboard the

Queen Mary during the Art Deco Weekend That's what 67 year old amateur sleuth Kathleen tries to find out along with the help of an attractive homicide detective who's in charge of the case Step aboard the legendary Queen Mary and find out whodunnit in this ghostly and romantic cozy mystery **Working for Victory?** Diana Condell, Jean Liddiard, 2022-08-24 Women kept the home fires burning while their men went off to war This is the usual image of the part played by women in the First World War reinforced through countless posters government exhortations and even popular songs It is very far from the truth As this remarkable book shows originally published in 1987 the truth was that women showed themselves capable of undertaking many roles hitherto the sole prerogative of men a position accepted during the emergency of war but quickly righted once peace was restored the women who had helped to win the war were displaced by the returning heroes from the Front Diana Condell and Jean Liddiard selected more than 150 superb contemporary photographs and these unique pictures with extended captions and accompanying text illustrate the many and varied roles played by women in the First World War Many of the photographs had never been published before and they reveal dramatically the extent to which women took over the day to day running of society during the war Fulfilling these roles helped to change women's perceptions of themselves and their place in the social fabric the photographs are arranged thematically to reveal this and how society's own view of women was altered as a result The book also tells the story of the war from the female viewpoint assessing its effect on the women involved It focuses in a neglected but vital part of the history of the emancipation of women and also raises questions about what sort of victory they had worked for In quality and range this was a pioneering study More than that through the haunting quality of its images it creates a pathway into the mind and world of the past Her Majesty Queen Mary Louis Wulff, 1949 **Philip** Gyles Brandreth, 2021-04-27

#### THE SUNDAY TIMES TOP 10

**BESTSELLER** It is a beautifully written book about a unique and extraordinary man who was the longest serving consort to the longest reigning monarch in British history I have read many other books about Philip but this is the best **DAILY EXPRESS** Gloriously witty and incisive **DAILY MAIL** It's bloody brilliant totally inspiring it's a joy to read a book that comes from a perspective of fondness There are whole pages I want to read to the kids and stick to the fridge **KIRSTIE ALLSOPP** **THE TIMES** As a sparkling celebration of Prince Philip the book will be hard to beat **THE TELEGRAPH** Brandreth explores a temperament on the brink of anger and agitation with immense tact even affection **THE SPECTATOR** This affectionate biography of Prince Philip is stuffed with entertaining anecdotes so readable and refreshing even after the millions of words that have been written about Prince Philip in the past couple of weeks **THE TIMES** Brilliant there is so much in this book you won't find anywhere else **LORRAINE** A stately respectful and joyful tribute It is an extraordinary story told with unique insight and authority by an author who knew him for more than 40 years **EDINBURGH EVENING NEWS** A warm affectionate portrait of the much missed Duke a rich source of insights and anecdotes **SAGA MAGAZINE**

This is the story of Prince Philip Duke of Edinburgh the longest serving consort to the longest reigning sovereign in British history It is an extraordinary story told with unique insight and authority by an author who knew the prince for more than forty years Philip elusive complex controversial challenging often humorous sometimes irascible is the man Elizabeth II once described as her constant strength and guide Who was he What was he really like What is the truth about those gaffes and the rumours of affairs This is the final portrait of an unexpected and often much misunderstood figure It is also the portrait of a remarkable marriage that endured for more than seventy years Philip and Elizabeth were both royal by birth both great great grandchildren of Queen Victoria but in temperament and upbringing they were two very different people The Queen s childhood was loving and secure the Duke s was turbulent his grandfather assassinated his father arrested his family exiled his parents separated when he was only ten Elizabeth and Philip met as cousins in the 1930s They married in 1947 aged twenty one and twenty six Philip The Final Portrait tells the story of two contrasting lives assesses the Duke of Edinburgh s character and achievement and explores the nature of his relationships with his wife his children and their families and with the press and public and those at court who were suspicious of him in the early days This is a powerful revealing and ultimately moving account of a long life and a remarkable royal partnership

*The Rhinoceros of South Asia* Kees Rookmaaker, 2024-04-30 The rhinoceros is an iconic animal Three species once inhabited South Asia two of which disappeared over a century ago This survey aims to reconstruct the historical distribution of these large mammals resulting in new maps showing the extent of their occurrences Thousands of sources varied in time and nature are used to study the interactions between man and rhinoceros The text is supported by over 700 illustrations and 38 maps showing the importance of the rhinoceros in the scientific and cultural fabric of Asia and beyond

**Happy and Glorious** National Portrait Gallery (Great Britain), 1977

**The Queen** Matthew Dennison, 2021-06-03 Matthew Dennison s elegant and magisterial biography of Her late Majesty updated following the death of Elizabeth II and the accession of King Charles III A worthy and balanced overview of the Queen s life Dennison is especially good on her childhood quietly tactfully tastefully reverent The Times The death of Queen Elizabeth II on 8 September 2022 was more than just a moment of profound sadness her passing marked the end of an era in our national life and the final closing of the Elizabethan Age For millions of people both in Britain and across the world Elizabeth II was the embodiment of monarchy Her long life spanned nearly a century of national and global history from a time before the Great Depression to the era of Covid 19 Her reign embraced all but seven years of Britain s postwar history up to the accession of her son King Charles III she was served by fifteen UK prime ministers from Churchill to Truss and witnessed the administrations of fourteen US presidents from Truman to Biden In this brand new biography of the longest reigning sovereign in British history Matthew Dennison traces her life and reign across an era of unprecedented and often seismic social change Stylish in its writing and nuanced in its judgements The Queen charts the joys and triumphs as well as the

disappointments and vicissitudes of a remarkable royal life it also assesses the achievement of a woman regarded as the champion of a handful of British values endorsed if no longer practised by the bulk of the nation service duty steadfastness charity and stoicism

**My Mother and I** Ingrid Seward, 2024-02-15 The story of the real relationship between King Charles III and his mother by the esteemed royal biographer Ingrid Seward The relationship between the late Monarch and her son the King has long been a subject of fascination The upbringing of an heir is especially important and places an extra burden on top of all the cares of motherhood The demands placed on the monarch are unique and there was no one better placed to know this than the late Queen She knew that not only must they be figureheads but they must be seen to care for others less fortunate than themselves They are also expected to uphold family values Princess Elizabeth made it a point of maternal honour to try and build her routine around her young son while doing her duty When she became Queen it was a more delicate balance but one which she eventually learnt to sustain Unlike his self contained mother who always put duty above personal happiness King Charles needed love and support to function properly This is the story of how Charles was shaped and moulded by his heritage His mother was the woman he always loved but could never be close to As Queen she held the Pandora's box of the crown and all he could do was wait and learn In his mother's old age he finally received the affection and respect from her he had craved for so long This book documents his life through many personal anecdotes from his family and his friends from the moment the guns saluted his birth to the day he was officially declared as the King at his Coronation

**Elizabeth** Gyles Brandreth, 2022-12-08 THE NO 1 SUNDAY TIMES BESTSELLER NOW FEATURING EXCLUSIVE MATERIAL ABOUT CHARLES III'S CORONATION WITH ADDED PHOTOGRAPHS A personal account of the life and character of Britain's longest reigning monarch from the writer who knew her family best Compelling Fascinating DAILY MAIL The writer who got closest to the human truth about our long serving senior royals THE TIMES The book overflows with nuggets of insider knowledge TELEGRAPH Paints a unique picture of the remarkable woman who reigned for seven decades Fascinating insights HELLO \_\_\_\_\_ Gyles Brandreth first met the Queen in 1968 when he was twenty Over the next fifty years he met her many times both at public and at private events Through his friendship with the Duke of Edinburgh he was given privileged access to Elizabeth II He kept a record of all those encounters and his conversations with the Queen over the years his meetings with her family and friends and his observations of her at close quarters are what make this very personal account of her extraordinary life uniquely fascinating From her childhood in the 1920s to the era of Harry and Meghan in the 2020s from her war years at Windsor Castle to her death at Balmoral this is both a record of a tumultuous century of royal history and a truly intimate portrait of a remarkable woman Enjoy this special edition now featuring an exclusive postscript about King Charles III's Coronation with photographs \_\_\_\_\_ Praise for Gyles Brandreth's bestselling royal writing Beautifully written book I have read many other books about Philip but this is the best DAILY EXPRESS Brilliant totally inspiring It's a joy to read a book that comes from a perspective of fondness KIRSTIE ALLSOPP

THE TIMES As a sparkling celebration of Prince Philip the book will be hard to beat TELEGRAPH So readable and refreshing even after the millions of words that have been written about Prince Philip in the past couple of weeks THE TIMES Brilliant There is so much in this book you won't find anywhere else LORRAINE Queen Mary, 1867-1953 James Pope-Hennessy, 1959 Biografie van Mary koningin van Engeland 1867 1953 *Sinkable* Daniel Stone, 2022-08-16 From the national bestselling author of *The Food Explorer* a fascinating and rollicking plunge into the story of the world's most famous shipwreck the RMS Titanic On a frigid April night in 1912 the world's largest and soon most famous ocean liner struck an iceberg and slipped beneath the waves She had scarcely disappeared before her new journey began a seemingly limitless odyssey through the world's fixation with her every tragic detail Plans to find and raise the Titanic began almost immediately Yet seven decades passed before it was found Why And of some three million shipwrecks that litter the ocean floor why is the world still so fascinated with this one In *Sinkable* Daniel Stone spins a fascinating tale of history science and obsession uncovering the untold story of the Titanic not as a ship but as a shipwreck He explores generations of eccentrics like American Charles Smith whose 1914 recovery plan using a synchronized armada of ships bearing electromagnets was complex convincing and utterly impossible Jack Grimm a Texas oil magnate who fruitlessly dropped a fortune to find the wreck after failing to find Noah's Ark and the British Doug Woolley a former pantyhose factory worker who has claimed since the 1960s to be the true owner of the Titanic wreckage Along the way *Sinkable* takes readers through the two miles of ocean water in which the Titanic sank showing how the ship broke apart and why and delves into the odd history of our understanding of such depths Author Daniel Stone studies the landscape of the seabed which in the Titanic's day was thought to be as smooth and featureless as a bathtub He interviews scientists to understand the decades of rust and decomposition that are slowly but surely consuming the ship It is expected to disappear entirely within a few decades He even journeys over the Atlantic during a global pandemic to track down the elusive Doug Woolley And Stone turns inward looking at his own dark obsession with both the Titanic and shipwrecks in general and why he spends hours watching ships sink on YouTube Brimming with humor curiosity and wit *Sinkable* follows in the tradition of Susan Orlean and Bill Bryson offering up a page turning work of personal journalism and an immensely entertaining romp through the deep sea and the nature of obsession

*The Diva & the Rancher* Jennifer Hamblin, David Finch, 2006 Big dreams dashed hopes and romance are at the heart of this biography of Norma and George Pocatererra The story begins in 1903 when George Pocatererra left Italy and came to the Canadian Rockies with hopes of striking it rich George is best known for establishing the Buffalo Head Ranch in the foothills of Alberta He developed a close friendship with members of the Stoney Indians and was one of the first non-Natives to explore much of what is now called Kananaskis Country In 1933 he returned to Italy where he met and fell in love with Norma Piper a young Calgary singer who had moved to Italy to study opera They eventually married and George took over the management of Norma's rising operatic career World War II forced a return to Canada in 1939 In Calgary Norma became

part of the local music scene giving concerts and teaching singing at Mount Royal College In 1955 she started her own studio and over the next 25 years became one of Calgary s most loved music teachers George meanwhile continued with his coal mining ventures although he suffered bitter disappointments Drawing on personal diaries and correspondence the authors have created an intimate portrait of these remarkable Albertans who became each in their own way legends in their lifetimes

**Diverse Voices in Photographic Albums** Mary Trent,Kris Belden-Adams,2022-07-29 Through a variety of case studies by global scholars from diverse academic fields this book explores photographic album practices of historically marginalized figures from a range of time periods geographic locations and socio cultural contexts Their albums stories span various racial ethnic gender and sexual identities nationalities religions and dis abilities The vernacular albums featured in this volume present narratives that move beyond those reflected in our existing histories Essays examine the visual material and aural strategies that album makers have used to assert control over the presentation of their histories and identities and to direct what those narratives have to say a point of special relevance as these albums move out of private domestic space and into public archives institutions and digital formats This book does not consider photographic albums and scrapbooks as separate genres but as a continuum of modern creative practices of photographic and mass print collage aimed at self expression and narrative building that co evolved and were readily accessible The book will be of interest to scholars working in art history history of photography visual culture material culture media studies and cultural studies Books ,1990 For King and Country Heather Jones,2021-09-23 This is a ground breaking history of the British monarchy in the First World War and of the social and cultural functions of monarchism in the British war effort Heather Jones examines how the conflict changed British cultural attitudes to the monarchy arguing that the conflict ultimately helped to consolidate the crown s sacralised status She looks at how the monarchy engaged with war recruitment bereavement gender norms as well as at its political and military powers and its relationship with Ireland and the empire She considers the role that monarchism played in military culture and examines royal visits to the front as well as the monarchy s role in home front morale and in interwar war commemoration Her findings suggest that the rise of republicanism in wartime Britain has been overestimated and that war commemoration was central to the monarchy s revered interwar status up to the abdication crisis

This Enthralling Realm of E-book Books: A Comprehensive Guide Unveiling the Pros of E-book Books: A Realm of Convenience and Flexibility E-book books, with their inherent mobility and ease of access, have liberated readers from the limitations of hardcopy books.
