Queen Noor Lucia Raatma, 2007-02 Examines the woman who became Queen Noor a woman whose efforts improved the quality of life in Jordan **Leap of Faith** Queen Noor (consort of Hussein, King of Jordan), 2003 Born into a distinguished Arab American family and raised amid privilege Lisa Halaby was in the first co educational freshman class at Princeton graduating in 1974 with a degree in architecture and urban planning Then in 1976 she was introduced on an airport runway to King Hussein of Jordan a direct descendent of the prophet Muhammed In less than two years she was his wife Noor al Hussein Queen of Jordan With eloquence and candour Noor talks frankly of the many challenges of her life as wife and partner to the monarch providing both an intimate portrait of the late King Hussein and his quest for peace in the Middle East and a moving account of the demands his public role as a world statesman placed on the royal couple s private life Sharing a personal perspective on the past three decades of world history Leap of Faith highlights Queen Noor s views on Islam and the West the challenges of rearing her family her work as Queen and humanitarian activist and her struggles to protect her husband as he slipped into the illness that would kill him in 1999 Her story is filled with recollections of the world s most powerful and interesting people Queen Elisabeth Jimmy Carter Pierre Trudeau Yassar Arafat and Anwar Sadat In the wake of September 11 Noor reflects on the true message of Islam and the ongoing violence in the Middle East from her unique perspective with a deep and abiding understanding of Arab aspirations and history Leap of Faith is refreshingly candid and clear eyed a true love story set against the turbulent politics of the last thirty years Lion of Jordan Avi Shlaim, 2008-09-09 The first major account of the life of an extraordinary soldier and statesman King Hussein of Jordan Throughout his long reign 1953 1999 Hussein remained a dominant figure in Middle Eastern politics and a consistent proponent of peace with Israel For over forty years he walked a tightrope between Palestinians and Arab radicals on the one hand and Israel on the other Avi Shlaim reveals that Hussein initiated a secret dialogue with Israel in 1963 and spent hundreds of hours in talks with countless Israeli officials Shlaim expertly reconstructs this dialogue from previously untapped records and first hand accounts significantly rewriting the history of the Middle East over the past fifty years and shedding light on the far reaching impact of Hussein s leadership *Demystifying Shariah* Sumbul Ali-Karamali, 2020-08-11 A direct counterpoint to fear mongering headlines about shariah law a Muslim American legal expert tells the real story eliminating stereotypes and assumptions with compassion irony and humor Through scare tactics and deliberate misinformation campaigns anti Muslim propagandists insist wrongly that shariah is a draconian and oppressive Islamic law that all Muslims must abide by They circulate horror stories encouraging Americans to fear the takeover of shariah law in America and even mounting anti shariah protests with zero evidence that shariah has taken over any part of our country That s because it hasn t It would be almost funny if it weren t so terrifyingly wrong as puzzling as if Americans suddenly began protesting the Martian occupation of Earth Demystifying Shariah explains that shariah is not one set of punitive rules or even law the way

we think of law rigid and enforceable but religious rules and recommendations that provide Muslims with guidance in various aspects of life Sumbul Ali Karamali draws on scholarship and her degree in Islamic law to explain shariah in an accessible engaging narrative style its various meanings how it developed and how the shariah based legal system operated for over a thousand years She explains what shariah means not only in the abstract but in the daily lives of Muslims She discusses modern calls for shariah what they mean and whether shariah is the law of the land anywhere in the world She also describes the key lies and misunderstandings about shariah circulating in our public discourse and why so many of them are nonsensical This engaging guide is intended to introduce you to the basic principles goals and general development of shariah and to answer questions like How do Muslims engage with shariah What does shariah have to do with our Constitution What does shariah have to do with the way the world looks like today And why do we all Muslims or not need to care
