Closing Time is an unforgettable account of the damage done to children by parents without futures and of the grace children find to move beyond these experiences Closing Time is unmistakably a tale of triumph vindication and revenge an enlightening account of the ways in which we are all to some extent casualties of our own childhoods Sarah Churchwell Guardian A brutally executed coming of age story Esquire Will have readers crying tears of both sorrow and hilarity Booklist

The Way of the Rose Clark Strand,Perdita Finn,2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of Anatomy of the Spirit Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary s prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the

world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world **The Truth About Hillary** Edward Klein,2005-06-21

Hillary Rodham Clinton is the most polarizing figure in American politics Love her or hate her everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008 Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors but never a definitive book that exposes the truth Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady especially during her husband s impeachment Klein s book embargoed until publication will break news about the choices and calculations she has made over the years It will also prove that she lied to America in her bestselling autobiography Living History When she was just a little girl Hillary Rodham dreamed of becoming the first female president and her lifelong dream is almost within reach But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president Klein s book will influence everyone who is sizing up the character of Hillary Clinton **The Know-it-all** A.
