*When My Son Died... This Is My Story* Michaline Gregorowicz, 2021-11-10 After my son Joey passed away in June of 2000 I struggled to find any books that gave me concrete ideas of how I could help myself through my grieving process Many family members and friends gifted me books but they all told the same story Have faith cherish the wonderful memories and so on Of course all good advice just superficial Then a few years after my son died I happened to be at my hairdresser s when a woman came in I knew her through our sons sports I also knew that her oldest son had also passed away after Joey It was getting close to Christmas so I asked her if they were planning on putting up a tree Her answer floored me She had two other teenaged children at home She shared with me that after her older son died her surviving children wanted nothing to do with Christmas no tree no lights nothing So as my heart broke for her I began telling her how I and my family celebrated our first Christmas after Joey died and how that became a new tradition that continues through today After listening to my story this mom told me that I had helped her more in the last fifteen minutes than anyone else had up to this point That was my light bulb moment And the spark to write my book was ignited In the first few chapters of my book I do recount the day my son died his viewing and his funeral I also discuss the many other issues that have to be dealt with during the months afterward Although sad I felt that this was an important part of my grieving process But in the chapters that follow I describe all the positive actions we took that helped us to go on I discuss new found hobbies seeking professional help medium readings and even the many beautiful signs I feel my son sends us to let us know he is alright So in

addition to a journey filled with very specific steps I and my family took to survive it is also a story of my spiritual journey So if you or anyone you know has lost a child or loved one I am confident that some idea or story in my book will help them **A**
