**Calgary's Stampede Queens** Jennifer Hamblin, 2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede's first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary's Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth **Faith of Fools**

*The Truth About Trump* Michael D'Antonio, 2016-05-31 In one way or another Donald Trump has been a topic of conversation in America for almost forty years No one in the world of business not Bill Gates Steve Jobs or Warren Buffett has been as famous as Trump for as long First associated with high profile real estate development in 1970s Manhattan his name has since become synonymous with success defined by wealth and luxury What does one make of a grown man who when he argues with women stoops to insulting their appearance and habitually courts controversy What if the same man were among the most prominent people in the world and a privately generous person who once handed a dying child a 50 000 check so that he could enjoy the last months of his life Add to the picture a kind of resilience that has allowed him to stage countless comebacks and truly a boundless level of optimism and you get a figure so compelling that he cannot be dismissed simply because of his personality
