Queens Regents And Potentates:

Queens, Regents and Potentates Theresa M. Vann, 1993 This series focuses on the exercise of power influence and authority by particular categories ranks and types of women in medieval societies and by individual women on the limitations restrictions and inhibitions placed or assumed on such activity on the opportunities open to women and on the strategems by which women were able to give effect to these possibilities *Queens Regents and Potentates* concentrates on the theme of women and royal power examining the available information about specific royal women and reassessing their access to and use of power and authority and drawing significant new conclusions about internal politics and international relations in medieval Europe Contents and Contributors PATRICIA HUMPHREY DONALD KAGAY WILLIAM CLAY STALLS PENELOPE ADAIR KAREN NICHOLAS DOUGLAS C JANSEN JOHN CARMY PARSONS THERESA M VANN JENNIFER R GOODMAN

Queens, Regents and Potentates Theresa M Vann, 1993 **Chaucer's Queens** Louise Tingle, 2021-01-04 This book investigates the agency and influence of medieval queens in late fourteenth century England focusing on the patronage and intercessory activities of the queens Philippa of Hainault and Anne of Bohemia as well as the princess Joan of Kent It examines the ways in which royal women were able to participate in traditional queenly customs such as intercession and whether it was motherhood that gave power to a queen This study focuses particularly on types of patronage and also considers the importance of coronation especially for Joan of Kent who was neither a queen consort nor a dowager yet still fulfilled some queenly duties Crucially the author highlights the transactional nature of the queen's role at court as she accumulated wealth from land rights and traditions which in turn funded patronage activities Medieval Iberia E. Michael Gerli, 2013-12-04 As the first comprehensive reference to the vital world of medieval Spain this unique volume focuses on the Iberian kingdoms from the fall of the Roman Empire to the aftermath of the Reconquista The nearly 1 000 signed A Z entries written by renowned specialists in the field encompass topics of key relevance to medieval Iberia including people events works and institutions as well as interdisciplinary coverage of literature language history arts folklore religion and science Also providing in depth discussions of the rich contributions of Muslim and Jewish cultures and offering useful insights into their interactions with Catholic Spain this comprehensive work is an invaluable tool for students scholars and general readers alike For a full list of entries and contributors a generous selection of sample entries and more visit the Medieval Iberia An Encyclopedia website **Queenship and Political Power in Medieval and Early Modern Spain** Theresa Earenfight, 2017-03-02 Unlike empresses in Germany and queens in England and France the lives and political careers of most Iberian queens remain largely unknown to non specialists In this collection Theresa Earenfight brings together new research on medieval and early modern Spanish queens that highlights the distinctive political culture that resulted in forms of queenship similar to yet also substantially different from that of northern Europe The essays consider three aspects of queenship and politics the institutional foundations and practice of politics the politics of religion and religious devotion and

the literary and artistic representations of queenship and power Late medieval queens because they often occupied prominent and powerful offices such as the regency in Castile and Portugal and the Lieutenancy in the Crown of Aragon exemplify a unique form of queenship that can best be described as a political partnership Habsburg queens and empresses often excluded from such official political roles were less publicly visible but their power as partner to the king although shrouded remains potent Their political careers were the result of two forces first military circumstances brought about by territorial expansion conquest and second a political culture that did not explicitly prohibit queens from active participation in the governance of the realm The essays in this collection by both newer and well established scholars demonstrate the range and depth of current research on Iberian queenship and prompt a re examination of long held assumptions about women and the exercise of power in pre modern Spain

Queenship in Medieval Europe Theresa Earenfight, 2017-09-16 Medieval queens led richly complex lives and were highly visible women active in a man's world Linked to kings by marriage family and property queens were vital to the institution of monarchy In this comprehensive and accessible introduction to the study of queenship Theresa Earenfight documents the lives and works of queens and empresses across Europe Byzantium and the Mediterranean in the Middle Ages The book Introduces pivotal research and sources in queenship studies and includes exciting and innovative new archival research Highlights four crucial moments across the full span of the Middle Ages ca 300 700 1100 and 1350 when Christianity education lineage and marriage law fundamentally altered the practice of queenship Examines theories and practices of queenship in the context of wider issues of gender authority and power This is an invaluable and illuminating text for students scholars and other readers interested in the role of royal women in medieval society

Norman to Early Plantagenet Consorts Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-05-16 This book examines the emergence of the queen consort in medieval England beginning with the pre Conquest era and ending with death of Margaret of France second wife of Edward I in 1307 Though many of the figures in this volume are well known such as Eleanor of Aquitaine and Eleanor of Castile the chapters here are unique in the equal consideration given to the tenures of the lesser known consorts including Adeliza of Louvain second wife of Henry I Margaret of France wife of Henry the Young King and even Isabella of Gloucester the first wife of King John These innovative and thematic biographies highlight the evolution of the office of the queen and the visible roles that consorts played which were integral to the creation of the identity of early English monarchy This volume and its companions reveal the changing nature of English consortship from the Norman Conquest to today

Royal Childhood and Child Kingship Emily Joan Ward, 2022-08-04 The first comparative study of royal childhood and child kingship revealing the fundamental role they played in medieval rulership

Memorialising Premodern Monarchs Gabrielle Storey, 2021-11-22 This book examines the legacies and depictions of monarchs in an international context focusing on both self representation and commemoration by others Spanning ancient India through to eighteenth century Russia this volume offers several case studies to

demonstrate trends and patterns in how different societies chose to commemorate and remember their rulers in a variety of mediums Contributions highlight several lesser known rulers alongside more famous ones such as Henry VIII of England to develop a deeper understanding of how memory and monarchy functioned when drawn together Memorialising Premodern Monarchs brings to the fore the importance of memory and memorialisation when considering the legacies and records of past rulers and their societies and allows a deeper reflection on how these rulers live on through the historical record and popular culture

Eleanor of Aquitaine B. Wheeler, 2016-04-30 Eleanor's patrilineal descent from a lineage already prestigious enough to have produced an empress in the eleventh century gave her the lordship of Aquitaine But marriage re-emphasized her sex which in the medieval scheme of gender power relations relegated her to the position of Lady in relation to her Lordly husbands In this collection essays provide a context for Eleanor's life and further an evolving understanding of Eleanor's multifaceted career A valuable collection on the greatest heiress of the medieval period

Ennobling Love C. Stephen Jaeger, 1999 Ennobling Love is both a reader's pleasure and a scholar's treasure

The Rule of Women in Early Modern Europe Anne J. Cruz, Mihoko Suzuki, 2009 A transnational comparison of women rulers and women's sovereignty throughout Europe

A Companion to the Queenship of Isabel la Católica Hilaire Kallendorf, 2022-11-14 The queenship of the first European Renaissance queen regnant never ceases to fascinate Was she a saint or a bigoted zealot A pious wife or the one wearing the pants Was she ultimately responsible for genocide A case has been made to canonize her Does she deserve to be called Saint Isabel As different groups from fascists to feminists continue to fight over Isabel as cultural capital we ask which if any of these recyclings are legitimate or appropriate Or has this figure taken on a life of her own

Contributors to this volume Roger Boase David A Boruchoff John Edwards Emily Francomano Edward Friedman Cristina Guardiola Griffiths Michelle Hamilton Elizabeth Teresa Howe Hilaire Kallendorf William D Phillips Jr Nuria Silleras Fernandez Caroline Travalia and Jessica Weiss

Crusaders, Condottieri, and Cannon Kagay, Villalon, 2021-10-11 This volume consists of the work of eighteen established and younger scholars and focuses on the Mediterranean as a military arena during the Middle Ages The essays center on several pillars of Mediterranean warfare the crusading movement including the Spanish reconquista the development of gunpowder weaponry the widespread use of mercenaries and warfare as understood by the lawcodes and intellectuals of the period A number of articles in this collection present new answers to old historiographical questions

The King's Other Body Theresa Earenfight, 2012-02-24 Queen Mar a of Castile wife of Alfonso V the Magnanimous king of the Crown of Aragon governed Catalunya in the mid fifteenth century while her husband conquered and governed the kingdom of Naples For twenty six years she maintained a royal court and council separate from and roughly equivalent to those of Alfonso in Naples Such legitimately sanctioned political authority is remarkable given that she ruled not as queen in her own right but rather as Lieutenant General of Catalunya with powers equivalent to the king's Mar a does not fit conventional images of a queen as wife and mother indeed she had no children and so never served as

queen regent for any royal heirs in their minorities or exercised a queen mother's privilege to act as diplomat when arranging the marriages of her children and grandchildren. But she was clearly more than just a wife offering advice; she embodied the king's personal authority and was second only to the king himself. She was his alter ego, the other royal body fully empowered to govern. For a medieval queen, this official form of co-rulership combining exalted royal status with official political appointment was rare and striking. *The King's Other Body* is both a biography of Maria and an analysis of her political partnership with Alfonso. Maria's long busy tenure as lieutenant prompts a reconsideration of long-held notions of power, statecraft, personalities and institutions. It is also a study of the institution of monarchy and a theoretical reconsideration of the operations of gender within it. If the practice of monarchy is conventionally understood as strictly a man's job, Maria's reign presents a compelling argument for a more complex model, one attentive to the dynamic relationship of queenship and kingship and the circumstances and theories that shaped the institution she inhabited. **Noble Ideals**

and Bloody Realities Niall Christie, Maya Yazigi, 2006-04-01 The contributions presented in this volume address several issues related to the topic of medieval warfare from a variety of disciplinary perspectives and examining a number of geographical regions. The contributors analyze social and economic issues, military strategy, technological and medical developments, ideology and rhetoric and address warfare in Europe, the Byzantine Empire and the Muslim world. In three parts, the contributors explore warfare in theory, warfare in practice and warfare as perceived through medieval and modern historiography. In doing so, they present a number of engaging case studies that will be of use to students and scholars interested in warfare and its effects on medieval society. **Beyond the Reconquista: New Directions in the History of Medieval Iberia (711-1085)**, 2020-04-14 *Beyond the Reconquista: New Directions in the History of Medieval Iberia 711-1085* offers an exciting series of essays by leading scholars in Hispanic Studies from across North America and Europe. At its heart is the Reconquista, without doubt the most important and enduring theme of Iberian historiography of the Middle Ages. The innovative studies collected herein, which treat a diverse array of subjects via forensic analyses of charters, chronicles and coins, shed new light on crucial aspects of medieval Iberian socio-economic, political and cultural history. The result is a collection of essays which marks a decisive and bold turning of the page in Iberian medieval studies as the reality and ideal of Reconquest come under hitherto unparalleled scrutiny. Contributors are Graham Barrett, Jeffrey Bowman, Alberto Canto, Nicola Clarke, Wendy Davies, Julio Escalona, Jonathan Jarrett, Eduardo Manzano Moreno, Iaki Martín Viso and Lucy K. Pick. See inside the book. **Capetian Women** K. Nolan, 2016-04-30 Never before have the women of the Capetian royal dynasty in France been the subject of a study in their own right. The new research in *Capetian Women* challenges old paradigms about the restricted roles of royal women, uncovering their influence in social, religious, cultural and even political spheres. The scholars in the volume consider medieval chroniclers' responses to the independent actions of royal women as well as modern historians' use of them as vehicles for constructing the past. The essays also delineate the creation of reginal identity through

cultural practices such as religious patronage and the commissioning of manuscripts tomb sculpture and personal seals

This is Not a Grail Romance Natalia Petrovskaia, 2023-07-15 This is Not a Grail Romance provides answers to some of the most important questions surrounding the medieval Welsh Arthurian tale *Historia Peredur vab Efreu* one of the few surviving medieval Welsh narrative compositions and an important member of the Grail family of medieval European narratives The study demonstrates that *Historia Peredur* is an original Welsh composition rather than as previous theories have suggested being an adaptation of the twelfth century French grail romance The new analysis of the structure of *Historia Peredur* presented here shows it to be as complex as it has always been thought but also more formal and the result of intentional and intricate design The seeming inconsistencies or oddities in *Historia Peredur* can be understood by reading it in its medieval Welsh cultural context allowing the modern reader a greater appreciation of both the narrative and the culture that produced it

Women's Roles in the Middle Ages Sandy Bardsley, 2007-06-30 Information about women in this truly fascinating period from 500 to 1500 is in great demand and has been a challenge for historians to uncover Bardsley has mined a wide range of primary sources from noblewomen's writing court rolls chivalric literature laws and legal documents to archeology and artwork This fresh survey provides readers with an excellent understanding of how women high and low fared in terms of religion work family law culture and politics and public life Even though medieval women were divided by social class religion age marital status place and period they were all subject to an overarching patriarchal structure and sometimes could transcend their inferior status Numerous examples of these exceptional women and their words are included Chapter 1 examines religion focusing on women's roles in the early Christian church the lives of nuns and other professional religious women such as anchoresses and Beguines the participation of Christian laywomen and the experiences of Jewish and Islamic women in Western Europe The second chapter examines women's work looking in turn at the kinds of work performed by peasant women townswomen and noblewomen Women's roles within the family form the subject of the third chapter This chapter follows women throughout the typical lifecycle from girl to widow examining the expectations and experiences of women at each stage Chapter 4 Women and the Law focuses on the ways in which laws both restricted and protected women It also considers the crimes with which women were most often charged and surveys laws regarding marriage and widowhood Women's roles in creative arts form the basis of the fifth chapter Women and Culture This chapter examines women's roles as artists authors composers and patrons as well as investigating the ways in which women were represented in works produced by men Finally chapter 6 discusses women's experiences in politics and public life While women as a group were typically banned from holding positions of public authority some found ways to get around this stricture while others were able to exercise power behind the scenes The final chapter thus encapsulates a major theme of this book the interplay between broader patriarchal forces that limited women's status and autonomy and the role of individuals who were able to overcome or circumvent such forces Medieval women were as a group subordinate to their

husbands and fathers but certain women under certain circumstances evaded subordination

Queens Regents And Potentates Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Queens Regents And Potentates**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we will delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Queens Regents And Potentates Introduction

In today's digital age, the availability of Queens Regents And Potentates books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Queens Regents And Potentates books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Queens Regents And Potentates books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Queens Regents And Potentates versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Queens Regents And Potentates books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Queens Regents And Potentates books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Queens Regents And Potentates books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Queens Regents And Potentates books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Queens Regents And Potentates books and manuals for download and embark on your journey of knowledge?

FAQs About Queens Regents And Potentates Books

1. Where can I buy Queens Regents And Potentates books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Queens Regents And Potentates book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Queens Regents And Potentates books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Queens Regents And Potentates audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Queens Regents And Potentates books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
