

Queens Bed

Anna Whitelock

Queens Bed:

Elizabeth's Bedfellows Anna Whitelock, 2013-05-23 Elizabeth I acceded to the throne in 1558 restoring the Protestant faith to England At the heart of the new queen's court lay Elizabeth's bedchamber closely guarded by the favoured women who helped her dress looked after her jewels and shared her bed Elizabeth's private life was of public political concern Her bedfellows were witnesses to the face and body beneath the make up and elaborate clothes as well as to rumoured illicit dalliances with such figures as Robert Dudley Their presence was for security as well as propriety as the kingdom was haunted by fears of assassination plots and other Catholic subterfuge For such was the significance of the queen's body it represented the very state itself This riveting revealing history of the politics of intimacy uncovers the feminized world of the Elizabethan court Between the scandal and intrigue the women who attended the queen were the guardians of the truth about her health chastity and fertility Their stories offer extraordinary insight into the daily life of the Elizabethans the fragility of royal favour and the price of disloyalty

Lives of the Queens of England Agnes Strickland, 1846 *The Queens of England* Agnes Strickland, 2023-12-21 Agnes Strickland's *The Queens of England* is a definitive account of the lives of the queens who have ruled England throughout history Strickland's style is meticulous and thorough providing detailed biographies of each queen and insight into the royal courts in which they resided The book offers a unique perspective on the challenges and triumphs faced by these powerful women in a male dominated society shedding light on their influence and contributions to English history Strickland's work is considered a classic in the realm of historical biographies offering readers a comprehensive look at the lives of these remarkable queens

[Queen of Hearts](#) Martha Brooks, 2011-08-02 On the prairies of Canada during World War II a girl and her two young siblings begin a war of their own Stricken with tuberculosis they are admitted to a nearby sanatorium Teenager Marie Claire is headstrong angry and full of stubborn pride In a new strange land of TB exiles she must chase the cure seek privacy where there is none and witness the slow wasting decline of others But in this moving novel about fighting a way back to normal life it is the thing that sets back Marie Claire the most the demise of her little brother that also connects her with the person who will be instrumental in helping her recover

Lives of the Queens of England from the Norman Conquest Agnes Strickland, 1872 [The Queens of England \(Vol. 1-3\)](#) Agnes Strickland, 2021-10-28 This book is a great introduction into the history of the British Empire and women who helped to shape it The book starts with the very first queen in the history of Great Britain Matilda of Flanders the wife of William the conqueror and goes through all the history mentioning Berengaria of Navarre the queen of the legendary king Ricard I and all the wives of Henry VIII among the others The book is aimed at young adults and is written in a simple understandable and somewhat naive manner characteristic of the Victorian era books for young ladies Yet the light and relaxing tone of the book will make it interesting for adults seeking for an entertaining read with educational value It contains a lot of captivating moments too For example the very first story of the book tells that to win heart of her future queen William the Conqueror

rolled her in mud and beat her _x000D_ *Chaucer's Queens* Louise Tingle,2021-01-04 This book investigates the agency and influence of medieval queens in late fourteenth century England focusing on the patronage and intercessory activities of the queens Philippa of Hainault and Anne of Bohemia as well as the princess Joan of Kent It examines the ways in which royal women were able to participate in traditional queenly customs such as intercession and whether it was motherhood that gave power to a queen This study focuses particularly on types of patronage and also considers the importance of coronation especially for Joan of Kent who was neither a queen consort nor a dowager yet still fulfilled some queenly duties Crucially the author highlights the transactional nature of the queen s role at court as she accumulated wealth from land rights and traditions which in turn funded patronage activities *The Queens of England* Agnes Strickland,Rosalie Kaufman,1883

Lives of the Queens of England Agnes Strickland,2023-10-06 Reprint of the original first published in 1857 *The Sweet Potato Queens' Book of Love* Jill Conner Browne,2004-11-30 To know the Sweet Potato Queens is to love them and if you haven t heard about them yet you will Since the early 1980s this group of belles gone bad has been the toast of Jackson Mississippi with their glorious annual appearance in the St Patrick s Day parade In *The Sweet Potato Queens Book of Love* their royal ringleader Jill Conner Browne introduces the Queens to the world with this sly hilarious manifesto about love life men and the importance of being prepared Chapters include The True Magic Words Guaranteed to Get Any Man to Do Your Bidding The Five Men You Must Have in Your Life at All Times Men Who May Need Killing Quite Frankly What to Eat When Tragedy Strikes or Just for Entertainment The Best Advice Ever Given in the Entire History of the World From tales of the infamous Sweet Potato Queens Promise to the joys of Chocolate Stuff and Fat Mama s Knock You Naked Margaritas this irreverent shamelessly funny book is the gen u wine article ***Lives of the queens of England, from the Norman***

conquest, with... Agnes Strickland,1851 ***Eighteenth-Century British Midwifery, Part I vol 1*** Pam Lieske,2024-11-01 Gives readers an understanding of midwives midwifery students and women in labour This twelve volume collection comprises pamphlets treatises lectures for midwifery students texts on the establishment of lying in hospitals and catalogues of obstetrical apparatuses collected by male midwives ***Lives of the queens of England, from the Norman conquest.***

By A. [and E.] Strickland Agnes Strickland,1848 ***Agnes Strickland's Queens of England Abridged and Fully Illustrated (Complete)*** Rosalie Kaufman,Agnes Strickland,2020-09-28 Matilda wife of the great William the Conqueror was an exceedingly handsome woman and as she had received the best education that was possible in her times she was as celebrated for her learning as for her beauty She was besides generous and religious and had all the qualities necessary for the position she was called upon to fill She was famed for her fancy work which was looked upon as one of the most important and desirable occupations for ladies of rank and any woman who could spin weave and embroider was considered quite a treasure Matilda had three cousins who were such skilful needlewomen that they were sought in marriage by the greatest princes of Europe Their work has not been preserved but Matilda s still remains and is called the Bayeux Tapestry It

is the most wonderful achievement in needlework ever accomplished by any woman But we shall tell more about it by and bye Matilda's father was Earl of Flanders a rich powerful prince skilled in the arts of peace and war He was besides such a popular man that all the rulers in his neighborhood were anxious to win the hand of his beautiful daughter Her cousin William of Normandy was the most accomplished of them all and loved her devotedly He was handsome brave and talented and so strong that it is said no man could bend his bow but himself And he was such a sure marksman that even when riding at full speed he seldom missed his aim It is remarkable that although he was the tallest man in his army he passed through all his battles without the loss of a drop of blood until towards the close of his career when he was wounded by his own son Strange to say this young man did not find favor in the eyes of his lady cousin at all this mortified him so much that he resolved to win her in spite of herself He had a rival in a young Saxon nobleman named Brihtric Meaw who had come to Flanders as ambassador from Edward the Confessor then on the British throne This favored gentleman was so fair and light haired that he was nicknamed Snow Matilda loved him in secret which is probably the reason why she would not listen to her cousin William But Brihtric Meaw does not seem to have cared particularly for her and so did not find out what her sentiments were towards him Thus quite innocently he never attempted to court her and she could not forgive his indifference Still her mind was filled with him and this made her treat William coldly He was not to be baffled however but courted her through seven long and tedious years At last he became impatient so one day when Matilda was going home from church he managed to meet her as lovers will Perhaps she was more unkind to him than usual and made him angry otherwise I do not know how to account for his behavior on that occasion but he seized hold of her rolled her in the dirt then actually beat her Before she had time to call for help after she had recovered from her surprise he jumped on his horse and rode off as fast as he could go

At the Council-chamber in Whitehall, Monday the 22th. of October, 1688 England and Wales. Privy Council, 1688

Queens and Queenship in Medieval Europe Anne Duggan, 2002 The image status and function of queens and empresses regnant and consort in kingdoms stretching from England to Jerusalem in the European middle ages Did queens exercise real or counterfeit power Did the promotion of the cult of the Virgin enhance or restrict their sphere of action Is it time to revise the early feminist view of women as victims Important papers on Emma of England Margaret of Scotland coronation and burial ritual Byzantine empresses and Scandinavian queens among others clearly indicate that a reassessment of the role of women in the world of medieval dynastic politics is under way Contributors JANOS BAK GEORGE CONKLIN PAUL CROSSLEY VOLKER HONEMANN STEINAR IMSEN LIZ JAMES KURT ULRICH JASCHKE SARAH LAMBERT JANET L NELSON JOHN C PARSONS KAREN PRATT DION SMYTHE PAULINE STAFFORD MARY STROLL VALERIE WALL ELIZABETH WARD DIANA WEBB
