Queens Quorum:

Queen's Quorum Ellery Queen, 1969 **The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr Sobin spent more than two decades gathering the data and lists in this volume; much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year. Boucher, one of the major mystery reviewers of all time, reviewed for *The San Francisco Chronicle*, *Ellery Queen Mystery Magazine*, and *The New York Times*. From these resources Mr Sobin created Boucher's Best and Important Lists to Consider, lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors. Winner of the 2008 Macavity Awards for Best Mystery Nonfiction.

Reports of Cases Argued and Determined in the Court of Queen's Bench Great Britain. Court of King's Bench, William Mawdesley Best, George James Philip Smith, 1866 **Queen's University** Hilda Neatby, 1978-12-01 The figure of Grant inevitably dominates this volume, but full recognition is given to other builders and preservers of Queen's, notably William Snodgrass, the pilot who weathered the storms of the Sixties and Seventies, and Daniel Miner Gordon, who presided over the secularization of the university in the early years of this century. Outstanding scholars, teachers, and administrators such as Watson Williamson, MacKerras, Macnaughton, Dupuis, Shortt, Cappon, Goodwin, and Chown also figure prominently. The author examines in detail the role of the Board of Trustees, the Senate, and the undergraduate Alma Mater Society in the development of Queen's and explores the complex relationships with the Presbyterian Church, the sister institutions in Toronto, and the provincial government. She shows how the distinctive character of Queen's was shaped by the Scottish heritage, evident in an emphasis upon flexible curricula, close faculty-student relations, and the virtues of student self-government, as well as in a sturdy independence in the face of repeated pressure for the concentration of higher education in Ontario. Imbued with a warm appreciation of the traditions of Queen's University and a scholar's critical detachment, this book is an important contribution to the history of institutional growth in Canada.
