

Chapter 1

Vocabulary:

Many vocabulary words can be defined by using the context (parts before or after a word or sentence that affect its meaning). One specific way that the context can help is by mood.

An example of the context helping by mood is found at the top of page 14; read the sentence that includes the word *grave*. The word *but* in this sentence gives readers the impression that the grave look of Sarah's father is opposite of the smile displayed by her mother. These words portray a serious attitude.

Try to use mood context clues to help you figure out any other words from this chapter that are unfamiliar to you. If, after using these clues, you still don't understand a word, look it up in a dictionary.

Ideas for Discussion and Writing:

1. When you look at a world map you see that Belgium and England are very close to each other; it does not seem like it should take one week to sail from Belgium to England and back. Find Antwerp on a map of Belgium and London on a map of England and explain why it took so long.
2. *Inference:* What was Sarah thinking of at the end of the first paragraph of the book?

3. Who had told Sarah about her father's smuggling practices? *Inference:* Why do you think Sarah's parents didn't tell her?

4. Dave and Neta Jackson never directly state Sarah's age. How old is she and how do they communicate this to the reader? (two ways)

5. How did Sarah feel about getting a letter from Queen Anne? How did Sarah's father feel about the situation? Why did her father feel this way?

Reading Activity: Flashback

A *flashback* is a part of a story that interrupts the regular sequence of events to take you back in time. Dave and Neta Jackson prepare the reader for a flashback by putting the four periods in a row on page 15.

In Chapter 2 the authors use a major flashback to explain something that happened in Sarah's past. In fact, practically the whole chapter is a flashback. As you read Chapter 2 identify where the flashback begins.

Queens Smuggler:

Sea Queens Jane Yolen, 2010-07-01 In 1963 Jane Yolen released a book called PIRATES IN PETTICOATS because the idea of women as pirates fascinated her but there wasn't much information about these women who made their livelihoods plundering on the high seas. Scholars have dug up a bounty of new information since then and Jane still fascinated revisits the ladies who loot. Discover such great pirates as Artemisia the Admiral Queen of Persia who sailed the seas from 500 to 480 BC. At one point there was a 10 000 drachma prize for anyone who could capture her. There was Rachel Wall who ran away from her strict upbringing and became a murderous pirate terrorizing the waters of the Atlantic coastline of America. She was hanged for her deeds. Possibly the most famous woman pirate of all was Grania O Malley daughter of an Irish chieftain. She plagued the English and was arrested several times always gaining her freedom to pirate some more. Meet ten other female pirates on their ships in battle and in disguise in this intriguing look at the wayward women of the waves. Christine Joy Pratt's pen and ink illustrations are alive with action and excitement. Here be a true and accurate account of the most low down scurviest but the prettiest black hearted pirates you'll ever love to read about. **The Queen's Smuggler** Dave

Jackson, Neta Jackson, 1991 If Sarah's desperate mission fails her family is in peril of their lives. [The Queen's Smuggler](#) Dave Jackson, 2016-06-07 THE QUEEN'S SMUGGLER Introducing William Tyndale Sarah Poyntz is the daughter of an English merchant who operates a shipping business from Antwerp Belgium in 1535. Her father is very interested in the ideas of William Tyndale who has fled England as a condemned outlaw for refusing to stop his translation work of the English Bible. Tyndale believes that the Word of God should be read by the common people in their own language a belief shared by the Poyntz family. But when Tyndale is captured and imprisoned Sarah becomes the only hope for saving his life. If she can successfully smuggle a copy of Tyndale's New Testament into the hands of the king's wife Queen Anne perhaps she can persuade him to spare Tyndale's life. If Sarah's desperate mission fails her family is in peril of their lives. Will she have the courage to go through with it? Can Tyndale's life be spared? *Fairy Queens Saga* Amber Argyle, 2017-09-06 Rule 1 Never bargain with the fae. Rule 2 Never fall for the enemy. To be with the one they love three women must break the fae curse that bound their families as immortal enemies. Of Ice and Snow The fourth throwaway son of the clanchief Otec witnesses his faraway mountain village come under attack while all the other men are off to war. Cut off from his clan and dodging raiders he must trust a foreign woman stalked by a dark mysterious magic as they race to save his family from a life of slavery and his kingdom from utter destruction. Winter Queen Never bargain with the fae. A dying man delivers a terrible warning a civil war has begun between neighboring clans. As healer and clanmistress Ilyenna is tasked with keeping the wounded alive and her people fed in the midst of a seemingly endless winter. But she is taken captive she discovers the feud between clans is merely a distraction from something far worse. Of Fire and Ash There is one rule above all others never bargain with the fae for such bargains always morph into curses. But as the droughts worsen Nelay must rely more and more on her forbidden

sight to keep her family alive When her father goes missing she risks exposure to find him before time runs out Summer Queen To rise from the ashes first she must burn As Nelay s kingdom is pummeled into submission Nelay realizes a bigger power is at play than that wielded by mere mortals Perhaps the only way to defeat the fae is to embrace the curse they gave her For only Nelay can stand between the cinders of her once great nation and the vengeance of the Winter Queen Of Sand and Storm By law any child born in Idara is free even if that child is born in a slave brothel Unfortunately for Cinder she has grown into a beauty that surpasses even the renown of her mother and grandmother making her far too valuable a commodity to lose The slaveholder calls in Cinder s debts forcing her into a dangerous game where her very freedom is the prize Daughter of Winter Bargains Only the desperate need them Only the desperate make them And always the desperate pay Isolated in a northern queendom Elice dreams of color and music and life So when a whaling ship crashes just offshore she doesn t hesitate to rescue the lone survivor Adar who quickly becomes her friend She must keep him hidden from her mother at all costs for if the Winter Queen discovers him trespassing she ll kill him Unbeknownst to Elice a bargain was made long ago A bargain she was born to fulfill Winter s Heir Unless Elice can force the immortal queens to unite the magic of winter and summer the magic will die and take the world with it Queen's Smuggler Dave Jackson,1994
