Queer Representations Reading Lives Reading Cultures:

Queer Representations Martin Duberman, 1997-05 Collection of essays on gender and sexual nonconformity with emphasis on its expression in art and literature **Queer Representations** Martin B. Duberman, 1997 *Queer Popular Culture* T., 2016-02-05 Articles cover many aspects of contemporary culture including the queer cowboy the emergence of lesbian chic and the expansion of queer representations of blackness This accessible volume offers useful analytical tools that will help readers make sense of the problems and promise of queer pop culture *A Queer World* Martin Duberman, 1997-04 This anthology comprises 52 articles based on presentations at colloquia sponsored by the Center for Lesbian and Gay Studies CLAGS during its first decade 1986-96 at the CUNY Graduate School Arrangement is in five sections covering identities as they revolve around gender and sexuality the terrains of homosexual history mind body relations laws and economics and policy issues related to gay youth AIDS and aging Annotation copyrighted by Book News Inc Portland OR **Queer Anxieties of Young Adult Literature and Culture** Derriitt Mason, 2020-12-28 Selected as the Children's Literature Association's 2023 Honor Book Young adult literature featuring LGBTQ characters is booming In the 1980s and 1990s only a handful of such titles were published every year Recently these numbers have soared to over one hundred annual releases Queer characters are also appearing more frequently in film on television and in video games This explosion of queer representation however has prompted new forms of longstanding cultural anxieties about adolescent sexuality What makes for a good coming out story Will increased queer representation in young people's media teach adolescents the right lessons and help queer teens live better happier lives What if these stories harm young people instead of helping them In *Queer Anxieties of Young Adult Literature and Culture* Derriitt Mason considers these questions through a range of popular media including an assortment of young adult books *Caper in the Castro* the first ever queer video game online fan communities and popular television series *Glee* and *Big Mouth* Mason argues themes that generate the most anxiety about adolescent culture queer visibility risk taking HIV AIDS dystopia and horror and the promise that *It Gets Better* and the threat that it might not challenge us to rethink how we read and engage with young people's media Instead of imagining queer young adult literature as a subgenre defined by its visibly queer characters Mason proposes that we see queer YA as a body of transmedia texts with blurry boundaries one that coheres around affect specifically anxiety instead of content Body and Representation Sigrid Schade, Insa Härtel, 2013-04-17 *The Body and Representation* The Centre for Feminist Studies Meets the ifu The present work is the result of the cooperation between the Centre for Feminist Studies ZFS at the University of Bremen and the International Women's University Hanover 2000 ifu For the project area Body deans Prof Patricia McFadden and Prof Barbara Duden in which roughly one hundred fifty participants from all over the world took part the Centre for Feminist Studies developed and organized a two week study phase *The Body and Representation* Feminist Research and Theoretical Perspectives which was carried out on the campus of the University of Bremen from 30

July to 11 August 2000 concept and chair Prof Sigrid Schade collaboration I coordination Dr Insa Hartel It formed the third and fourth weeks of a program that lasted thirteen weeks in all This publication is neither a documentation of this study phase nor an ideal concept for such a curriculum Neither of these possible variants for such a publication was feasible and neither would have made much sense for a number of reasons

In a Queer Time and Place Judith Halberstam, 2005 The first full length study of transgender representations in art fiction film video and music In her first book since the critically acclaimed *Female Masculinity* Judith Halberstam examines the significance of the transgender body in a provocative collection of essays on queer time and space She presents a series of case studies focused on the meanings of masculinity in its dominant and alternative forms especially female and trans masculinities as they exist within subcultures and are appropriated within mainstream culture In *a Queer Time and Place* opens with a probing analysis of the life and death of Brandon Teena a young transgender man who was brutally murdered in small town Nebraska After looking at mainstream representations of the transgender body as exhibited in the media frenzy surrounding this highly visible case and the Oscar winning film based on Brandon's story *Boys Don't Cry* Halberstam turns her attention to the cultural and artistic production of queers themselves She examines the transgender gaze as rendered in small art house films like *By Hook or By Crook* as well as figurations of ambiguous embodiment in the art of Del LaGrace Volcano Jenny Saville Eva Hesse Shirin Neshat and others She then exposes the influence of lesbian drag king cultures upon hetero male comic films such as *Austin Powers* and *The Full Monty* and finally points to dyke subcultures as one site for the development of queer counterpublics and queer temporalities Considering the sudden visibility of the transgender body in the early twenty first century against the backdrop of changing conceptions of space and time In *a Queer Time and Place* is the first full length study of transgender representations in art fiction film video and music This pioneering book offers both a jumping off point for future analysis of transgenderism and an important new way to understand cultural constructions of time and place

Acts of Gaiety Sara Warner, 2023-06-20 *Acts of Gaiety* explores the mirthful modes of political performance by LGBT artists activists and collectives that have inspired and sustained deadly serious struggles for revolutionary change The book explores antics such as camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside more familiar forms of legitimate theater Against queer theory's long suffering romance with mourning and melancholia and a national agenda that

urges homosexuals to renounce pleasure if they want to be taken seriously by mainstream society Acts of Gaiety seeks to reanimate notions of gaiety as a political value for LGBT activism The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety that lay at the center of the social and theatrical performances of the era and uncovering original documents long thought to be lost Juxtaposing historical figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch Animal and the Five Lesbian Brothers Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging Acts of Gaiety explores the mutually informing histories of gayness as politics and as joie de vivre along with the centrality of liveliness to queer performance and protest "Fashion, Interior Design and the Contours of Modern Identity " Alla

Myzelev,2017-07-05 Challenging the notion that fashion and furniture were or are separate enterprises and distinct material aesthetic traditions this collection focuses on three material and conceptual links central to understanding the relationship between interior design and fashion the body fabric and space The volume considers the changing visual material and spatial character methodological challenges posed by and formal political and historiographical significance of a wide range of British European and North American case studies since the eighteenth century The volume s eleven case studies allow the reader to understand connecting notions behind the formation of interiors and fashionable clothing The essays combine a wide range of significant and challenging new examples alongside powerful reversionary analyses of the various periods artists designers and their best and significant objects Fashion Interior Design and the Contours of Modern Identity is concerned not only with fabric but also with the body and the implications of embodiment in the practices of both design domains which are equally invested in the comfort aesthetic pleasure extension and support of the body in different and yet seemingly identical ways *Surveillance, Race, Culture* Susan Flynn,Antonia Mackay,2018-07-31 This collection of essays engages with a wide range of disciplines including art performance film and literature to examine the myriad effects of contemporary surveillance on our cultural psyche The volume expertly articulates the manner in which cultural productions have been complicit in watching seeing and purporting to know race In our increasingly mediated world our sense of community is becoming progressively virtual and surveillant technologies impact upon subjectivity resulting in multiple forms of artistic and cultural expression As such art film and literature provide a lens for the reflection of sociocultural concerns In *Surveillance Race Culture* Flynn and Mackay skilfully draw together a diverse range of contributions to investigate the fundamental question of exactly how surveillant technologies have informed our notions of race identity and belonging

Greek and Roman Education Mark Joyal,J.C Yardley,Iain McDougall,2022-01-31 Modern western education finds its origins in the practices systems and schools of the ancient Greeks and Romans It is in the field of education in fact that classical antiquity has exerted one of its clearest influences on the modern world Yet the story of Greek and Roman education extending from the eighth century B C into the Middle Ages is familiar in its details only to relatively few specialists

Containing nearly 300 translated texts and documents Greek and Roman Education A Sourcebook is the first book to provide readers with a large diverse and representative sample of the primary evidence for ancient Greek and Roman education A special feature of this Sourcebook is the inclusion not only of the fundamental texts for the study of the subject but also unfamiliar sources that are of great interest but are not easily accessible including inscriptions on stone and Greek papyri from Egypt Introductions to each chapter and to each selection provide the guidance which readers need to set the historical periods themes and topics into meaningful contexts Fully illustrated and including extensive suggestions for further reading together with an index of passages explored students will have no further need for any other sourcebook on Greek and Roman education

Exploring Gender Diversity in the Ancient World Surtees Allison Surtees,2020-03-02 Explores how binary gender and behaviours of gender were actively challenged in classical antiquityProvides a focus on gender on its own terms and outside the context of sex and sexuality Offers an interdisciplinary approach appealing to Classicists Ancient Historians and Archaeologists as well as audiences working outside the ancient world in Gender Studies Transgender Studies LGBTQ Studies Anthropology and Women s StudiesCovers a broad time period 6th c BCE 3rd c CE and addresses both textual evidence and material culture vases sculpture wall painting Provides history of gender identities and behaviours previously ignored or suppressed by disciplinary practicesGender identity and expression in ancient cultures are questioned in these 15 essays in light of our new understandings of sex and gender Using contemporary theory and methodologies this book opens up a new history of gender diversity from the ancient world to our own encouraging us to reconsider those very understandings of sex and gender identity New analyses of ancient Greek and Roman culture that reveal a history of gender diverse individuals that has not been recognised until recently Taking an interdisciplinary approach these essays will appeal to classicists ancient historians archaeologists as well as those working in gender studies transgender studies LGBTQ studies anthropology and women s studies

Talkies, Road Movies and Chick Flicks Heidi Wilkins,2016-02-19 The representation of gender in film remains an intensely debated topic particularly in academic considerations of US mainstream cinema where it is often perceived as perpetuating rigid binary views of gender and reinforcing patriarchal dominant notions of masculinity and femininity While previous scholarly discussion has focused on visual or narrative portrayals of gender this book considers the ways that film sound music voice sound effects and silence is used to represent gender Taking a socio historical approach Heidi Wilkins investigates a range of popular US genres including screwball comedy the road movie and chick flicks to explore the ways that film sound can reinforce traditional assumptions about masculinity and femininity impart ambivalent meanings to them or even challenge and subvert the notion of gender itself Case studies include His Girl Friday Easy Rider and Bridesmaids

The Cambridge Companion to American Gay and Lesbian Literature Scott Herring,2015-05-26 Writing anything definitive about the queer American novel will always be unsatisfying if not impossible Unsatisfying because the romances they contain are uncertain and quite often doomed

heartbreak violence and persecution pepper nearly every page Impossible because the genre's terrain is as vast and uncertain as America itself the spaces the characters plots ideas and dynamics too varied The minute you say one thing you could say another And perhaps that might be the point As one character from Djuna Barnes's lesbian novel *Nightwood* puts it With an American anything can be done ¹ We could say the same about the queer American novel If there is anything consistently connecting this genre it is that it features however obliquely the effects characters usually American but not always have as they seek reasons for why they have sexual feelings for those that are not obvious or traditional object choices Frequently these effects instruct characters in their pursuit of self knowledge and self understanding especially if others have pathologized their desires and America has and does pathologize its queers In her autobiographical graphic memoir *Fun Home* Alison Bechdel tells a story of a variety of discoveries that books explicitly queer or not can inspire During the same afternoon when she acknowledges that she is a lesbian she also finds herself asking a professor to let her take his course on James Joyce's *Ulysses* her father's favorite book As we move from the captions and the meticulous stylized drawings canonical books acquire an increasingly important role books become guides to how Bechdel will affect a convergence with her abstracted father

Cures Martin Duberman, 2009-07-21 This is the tenth anniversary edition of *Cures A Gay Man's Odyssey* Martin Duberman's classic memoir of growing up gay in pre Stonewall America The tale of his desperate struggle to cure himself of his homosexuality through psychotherapy is utterly frank and deeply moving But *Cures* is more than one man's story it's the vivid witty account of a generation of changing times shifting social attitudes and the rising tide of protest against received wisdom For this tenth anniversary edition Duberman has written a substantial new afterword that updates both his personal history and the ongoing struggle for a more just society

Luminous Traitor Martin Duberman, 2018-11-06 Martin Duberman is a national treasure Masha Gessen *The New Yorker* Roger Casement was an internationally renowned figure at the beginning of the 20th century famous for exposing the widespread atrocities against the indigenous people in King Leopold's Congo and his subsequent exposure for which he was knighted in 1911 of the brutal conditions of enslaved labor in Peru An Irish nationalist of profound conviction he attempted at the outbreak of World War I to obtain German support and weapons for an armed rebellion against British rule Apprehended and convicted of treason in a notorious trial that captured worldwide attention Casement was sentenced to die on the gallows A powerful petition drive for the commutation of his sentence was inaugurated by George Bernard Shaw and a host of other influential figures A gay man Casement kept detailed diaries of his sexual escapades and the British government upon discovering the diaries circulated its pages to public figures thereby crippling what had been a mounting petition for clemency In 1916 he was hanged In this gripping reimagining acclaimed historian Martin Duberman paints a full portrait of the man for the first time Tracing his evolution from servant of the empire to his work as a humanitarian activist and anti imperialist Duberman resurrects and recognizes all facets from the professional to the personal of the fantastic life of this pioneer for human rights

Has the Gay Movement Failed? Martin Duberman, 2018-06-08 Martin Duberman is a national treasure Masha Gessen The New Yorker The past fifty years have seen significant shifts in attitudes toward LGBTQ people and wider acceptance of them in the United States and the West Yet the extent of this progress argues Martin Duberman has been more broad and conservative than deep and transformative One of the most renowned historians of the American left and the LGBTQ movement as well as a pioneering social justice activist Duberman reviews the half century since Stonewall with an immediacy and rigor that informs and energizes He revisits the early gay movement and its progressive vision for society and puts the left on notice as failing time and again to embrace the queer potential for social transformation Acknowledging the elimination of some of the most discriminatory policies that plagued earlier generations he takes note of the cost the sidelining of radical goals on the way to achieving more normative inclusion Illuminating the fault lines both within and beyond the movements of the past and today this critical book is also hopeful Duberman urges us to learn from this history to fight for a truly inclusive and expansive society
