Queer Journey A Mans Search For Happiness:

Queer Journey Alexis Rodriguez, 2001 Queer Journey embraces the personal challenges that gay teenagers and gay men deal with in their lives It captivates readers as his words take you from childhood to his adulthood In his candid language and personal case history Dr Alexis Rodriguez writes how he disguised his own sexuality with childhood depression low self esteem and self destructive behavior In this say all autobiography he writes about growing up gay and the issues he dealt with as a gay man He describes the dilemma of his closeted heterosexual marriage and his affairs with men As his sexuality continued to evolve and surface so did his self destructive behavior Alcohol drugs and prostitution ultimately led him to reach rock bottom His words are inspirational and touching to those that are in similar circumstances Rodriguez writes about **The Book of Delights** Ross Gay, 2019-02-12 Ross Gay s eye lands upon wonder at every turn becoming a survivor bolstering my belief in the countless small miracles that surround us Tracy K Smith Pulitzer Prize winner and U S Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays written daily over a tumultuous year reminding us of the purpose and pleasure of praising extolling and celebrating ordinary wonders Ross Gay s The Book of Delights is a genre defying book of essays some as short as a paragraph some as long as five pages that record the small joys that occurred in one year from birthday to birthday and that we often overlook in our busy lives His is a meditation on delight that takes a clear eyed view of the complexities even the terrors in his life including living in America as a black man the ecological and psychic violence of our consumer culture the loss of those he loves Among Gay s funny poetic philosophical delights the way Botan Rice Candy wrappers melt in your mouth the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat woman escorting pedestrians across the River Styx a friend s unabashed use of air quotes pickup basketball games the silent nod of acknowledgment between black people And more than any other subject Gay celebrates the beauty of the natural world his garden the flowers in the sidewalk the birds the bees the mushrooms the trees This is not a book of how to or inspiration though it could be read that way Fans of Roxane Gay Maggie Nelson and Kiese Laymon will revel in Gay's voice and his insights The Book of Delights is about our connection to the world to each other and the rewards that come from a life closely observed Gay's pieces serve as a powerful and necessary reminder that we can and should stake out a space in our lives for delight High-Risk Homosexual Edgar Gomez, 2022-01-11 Winner of the American Book Award Winner of the Lambda Literary Award for Gay Memoir Biography An Honor Book for the 2023 Stonewall Book Award Israel Fishman Non Fiction Book Award This witty memoir traces a touching and often hilarious spiralic path to embracing a gay Latinx identity against a culture of machismo from a cockfighting ring in Nicaragua to cities across the U S and the bath houses night clubs and drag queens who help redefine pride I ve always found the definition of machismo to be ironic considering that pride is a word almost unanimously associated with queer people the enemy of machistas In a world desperate to erase us queer Latinx men must find ways to hold on to pride for

survival but excessive male pride is often what we are battling both in ourselves and in others A debut memoir about coming of age as a gay Latinx man High Risk Homosexual opens in the ultimate anti gay space Edgar Gomez s uncle s cockfighting ring in Nicaragua where he was sent at thirteen years old to become a man Readers follow Gomez through the queer spaces where he learned to love being gay and Latinx including Pulse nightclub in Orlando a drag queen convention in Los Angeles and the doctor s office where he was diagnosed a high risk homosexual With vulnerability humor and quick witted insights into racial sexual familial and professional power dynamics Gomez shares a hard won path to taking pride in the parts of himself he was taught to keep hidden His story is a scintillating beautiful reminder of the importance of leaving space for joy

Happiness Darrin M. McMahon, 2006 An intellectual history of man's most elusive yet coveted goal Today we think of happiness as a natural right but people haven t always felt this way Historian McMahon argues that our modern belief in happiness is a recent development the product of a revolution in human expectations carried out since the eighteenth century He investigates that fundamental transformation by synthesizing two thousand years of politics culture and thought In ancient Greek tragedy happiness was considered a gift of the gods During the Enlightenment men and women were first introduced to the novel prospect that they could in fact should be happy in this life as opposed to the hereafter This recognition of happiness as a motivating ideal led to its consecration in the Declaration of Independence McMahon then shows how our modern search continues to generate new forms of pleasure but also paradoxically new forms of pain From publisher description You Are My Happy Ending Emily Garside, 2024-01-15 From the shows modest beginnings to its massive Emmy sweep You Are My Happy Ending tells the story of how Schitt's Creek became the surprise hit that changed the way we think about LGBTQ relationships Cultural analyst Emily Garside shows how this series fused classic romcom and sitcom tropes to create a world with a gueer love story at its core starting with Daniel Levy the co creator who plays David She examines the show s Canadian identity and its diverse incorporation of references from literature Brideshead Revisited to cinema Hitchcock s The Birds as well as numerous romantic comedy texts Schitt s Creek is an homage to all these elements of the past literary and cinematic canon while also creating an important contemporary narrative of its own Most importantly Garside delves into the references to queer icons and culture from Cabaret to drag How did this supposedly light comedy embrace an activist perspective And how does it use and subvert its romantic comedy genre in order to make that activism even more powerful Combining a fan s affection with a scholar s insight Garside explains how this little show that could is the product of a long history of queer activism breaking down barriers and marking a turning point in future representation of LGBTQ stories
