**Cassell's Encyclopedia of Queer Myth, Symbol, and Spirit** Randy P. Conner, David Hatfield Sparks, Mariya Sparks, 1997 Did you know that in medieval French folklore a person might change sex by passing under a rainbow Or that same sex unions have been celebrated by peoples of the ancient Mediterranean Africa China and Indigenous America Or that Sappho da Vinci Emily Dickinson Nijinsky Benjamin Britten Mishima Adrienne Rich Audre Lorde Keith Haring Boy George and Derek Jarman number among those who have explored the spiritual dimension of gender and sexuality in their works While the terms many of us employ today to identify ourselves queer lesbian gay bisexual transgendered differ markedly from those of peoples of other times and places we are nevertheless the bearers of a rich spiritual history that has been ignored or suppressed a history encoded in sacred texts as well as in works of art music dance

and other media Drawing upon religion mythology folklore anthropology history and the arts the Encyclopedia is a cornucopia of queer spirituality containing over 1 500 alphabetically arranged entries from Aakulujjuusi to Zeus

**The Lives of Transgender People** Brett Genny Beemyn, Susan Rankin, 2011-11-15 Responding to a critical need for greater perspectives on transgender life in the United States Genny Beemyn and Susan Sue Rankin apply their extensive expertise to a groundbreaking survey one of the largest ever conducted in the U S on gender development and identity making among transsexual women transsexual men crossdressers and genderqueer individuals With nearly 3 500 participants the survey is remarkably diverse and with more than 400 follow up interviews the data offers limitless opportunities for research and interpretation Beemyn and Rankin track the formation of gender identity across individuals and groups beginning in childhood and marking the touchstones that led participants to identify as transgender They explore when and how participants noted a feeling of difference because of their gender the issues that caused them to feel uncertain about their gender identities the factors that encouraged them to embrace a transgender identity and the steps they have taken to meet other transgender individuals Beemyn and Rankin s findings expose the kinds of discrimination and harassment experienced by participants in the U S and the psychological toll of living in secrecy and fear They discover that despite increasing recognition by the public of transgender individuals and a growing rights movement these populations continue to face bias violence and social and economic disenfranchisement Grounded in empirical data yet rich with human testimony *The Lives of Transgender People* adds uncommon depth to the literature on this subject and introduces fresh pathways for future research

**Same-Sex Affairs** Peter Boag, 2003-08-14 At the turn of the twentieth century two distinct yet at times overlapping male same sex sexual subcultures had emerged in the Pacific Northwest one among the men and boys who toiled in the region s logging fishing mining farming and railroad building industries the other among the young urban white collar workers of the emerging corporate order Boag draws on police logs court records and newspaper accounts to create a vivid picture of the lives of these men and youths their sexual practices cultural networks cross class relations variations in rural and urban experiences and ethnic and racial influences

*Queering Creole Spiritual Traditions* Randy P Lundschieen Conner, David Sparks, 2014-04-08 What roles do queer and transgender people play in the African diasporic religions *Queering Creole Spiritual Traditions* Lesbian Gay Bisexual and Transgender Participation in African Inspired Traditions in the Americas is a groundbreaking scholarly exploration of this long neglected subject It offers clear insight into the complex dynamics of gender and sexual orientation humans and deities and race and ethnicity within these richly nuanced spiritual practices *Queering Creole Spiritual Traditions* explores the ways in which gender complexity and same sex intimacy are integral to the primary beliefs and practices of these faiths It begins with a comprehensive overview of Vodou Santeria and other African based religions The second section includes extensive revealing interviews with practitioners who offer insight into the intersection of their beliefs their sexual orientation and their gender identity Finally it provides a powerful analysis

of the ways these traditions have inspired artists musicians and writers such as Audre Lorde as well as informative interviews with the artists themselves In *Queering Creole Spiritual Traditions* you will discover how the presence of androgynous divinities affects both faith and practice in Vodou Candomble Santeria and other Creole religions how the phenomenon of possession or embodiment by a god or goddess may validate queer identity and nurture gender complexity who practices the African derived spiritual traditions what they believe and who their deities are how these faiths have influenced the art and aesthetic traditions of the West This landmark book opens a fascinating new world of thought and belief The authors provide rigorous documentation and faultless scholarly method as well as personal experience and the testimony of believers *Queering Creole Spiritual Traditions* sheds new light on two widely different fields LGBT studies and the theology of the African diaspora A thorough bibliography points the way to further study and an extensive photograph gallery provides a unique look at the believers and their practices Every library with holdings in queer theory African mythology or sociology of religion should have this landmark volume

**Black Queer Studies** E. Patrick Johnson, Mae G. Henderson, 2005-11-01 While over the past decade a number of scholars have done significant work on questions of black lesbian gay bisexual and transgendered identities this volume is the first to collect this groundbreaking work and make black queer studies visible as a developing field of study in the United States Bringing together essays by established and emergent scholars this collection

assesses the strengths and weaknesses of prior work on race and sexuality and highlights the theoretical and political issues at stake in the nascent field of black queer studies Including work by scholars based in English film studies black studies sociology history political science legal studies cultural studies and performance studies the volume showcases the broadly interdisciplinary nature of the black queer studies project The contributors consider representations of the black queer body black queer literature the pedagogical implications of black queer studies and the ways that gender and sexuality have been glossed over in black studies and race and class marginalized in queer studies Whether exploring the closet as a racially loaded metaphor arguing for the inclusion of diaspora studies in black queer studies considering how the black lesbian voice that was so expressive in the 1970s and 1980s is all but inaudible today or investigating how the social sciences have solidified racial and sexual exclusionary practices these insightful essays signal an important and necessary expansion of queer studies Contributors Bryant K Alexander Devon Carbado Faedra Chatard Carpenter Keith Clark Cathy Cohen Roderick A Ferguson Jewelle Gomez Phillip Brian Harper Mae G Henderson Sharon P Holland E Patrick Johnson Kara Keeling Dwight A McBride Charles I Nero Marlon B Ross Rinaldo Walcott Maurice O Wallace *Trans Studies* Yolanda Martínez-San Miguel, Sarah Tobias, 2016-03-22 Winner of the 2017 Sylvia Rivera Award in Transgender Studies from the Center for LGBTQ Studies CLAGS From Caitlyn Jenner to Laverne Cox transgender people have rapidly gained public visibility contesting many basic assumptions about what gender and embodiment mean The vibrant discipline of Trans Studies explores such challenges in depth building on the insights of queer and feminist theory to raise provocative questions about the relationships among gender sexuality and accepted social norms Trans Studies is an interdisciplinary essay collection bringing together leading experts in this burgeoning field and offering insights about how transgender activism and scholarship might transform scholarship and public policy Taking an intersectional approach this theoretically sophisticated book deeply grounded in real world concerns bridges the gaps between activism and academia by offering examples of cutting edge activism research and pedagogy **My Desire for History** Allan Bérubé, 2011-06-01 This anthology pays tribute to Allan Berube 1946 2007 a self taught historian and MacArthur Fellow who was a pioneer in the study of lesbian and gay history in the United States Best known for his Lambda Literary Award winning book *Coming Out Under Fire The History of Gay Men and Women in World War II* 1990 Berube also wrote extensively on the history of sexual politics in San Francisco and on the relationship between sexuality class and race John D Emilio and Estelle Freedman who were close colleagues and friends of Berube have selected sixteen of his most important essays including hard to access articles and unpublished writing The book provides a retrospective on Berube s life and work while it documents the emergence of a grassroots lesbian and gay community history movement in the 1970s and 1980s Taken together the essays attest to the power of history to mobilize individuals and communities to create social change *Building Fires in the Snow* Martha Amore, Lucian Childs, 2016-09-15 Diversity has always been central to Alaska identity as the state s population consists of

people with many different backgrounds viewpoints and life experiences This book opens a window into these diverse lives gathering stories and poems about lesbian gay bisexual transgender and queer life into a brilliant path breaking anthology In these pages we see the panoply of LGBTQ life in Alaska today from the quotidian urban adventures of a family shopping going out working to intimate encounters with Alaska s breathtaking natural beauty At a time of great change and major strides in LGBTQ civil rights Building Fires in the Snow shows us an Alaska that shatters stereotypes and reveals a side of Alaska that s been little seen until now      *The Health of Sexual Minorities* Ilan H. Meyer, Mary E. Northridge, 2007-03-12 This is the first concise handbook on Lesbian Gay Bisexual and Transgender LGBT health in the past few years It breaks the myths breaks the silence and breaks new ground on this subject This resource offers a multidimensional picture of LGBT health across clinical and social disciplines to give readers a full and nuanced understanding of these diverse populations It contains real world matters of definition and self definition meticulous analyses of stressor and health outcomes a extensive coverage of research methodology concerns and critical insights into the sociopolitical context of LGBT individuals health and lives      **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      **LGBT Studies and Queer Theory** Karen Lovaas, 2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether
