Hunting Magic Eels Richard Beck, 2024-01-02 We live in a secular age a world dominated by science and technology Increasing numbers of us don t believe in God anymore We don t expect miracles We ve grown up and left those fairy tales behind culturally and personally Yet five hundred years ago the world was very much enchanted It was a world where God existed and the devil was real It was a world full of angels and demons It was a world of holy wells and magical eels But since the Protestant Reformation and the beginning of the Enlightenment the world in the West at least has become increasingly disenchanted While this might be taken as evidence of a crisis of belief Richard Beck argues that it s actually a crisis of attention God hasn t gone anywhere but we ve lost our capacity to see God The rising tide of disenchantment has profoundly changed our religious imaginations and led to a loss of the holy expectation that we can be interrupted by the sacred and divine But it doesn t have to be this way Hunting Magic Eels shows us that with attention and an intentional cultivated capacity to experience God as a living vital presence in our lives we can cultivate an enchanted faith in a skeptical age This new paperback edition includes a foreword from Sean Palmer as well as four new additional chapters including Why Good People Need God Live Your Beautiful Life and The Primacy of the Invisible The Ouest for Context and Meaning Talmon, Craig A. Evans, 2021-11-15 This collection of studies is published in honor of Professor James A Sanders a leading scholar in the fields of the canon of Scripture textual criticism and the relationship of the two Testaments Contributors include leading scholars in these and related fields of study The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith Included are studies of Jesus understanding of Scripture Paul s interpretation of Scripture and the ways in which Scripture was interpreted by the Rabbis In many instances novel interpretations and new approaches to old problems are offered Advanced students and veteran scholars will enjoy the many insights and provocative new ideas **The Worship Mall** Bryan D. Spinks, 2011-02-01 Religion today is in competition with the leisure and entertainment industries Gen Y the postmodern generation is open to spirituality but most of todays young adults have not been born into faith communities where they feel any lasting allegiance Studies suggest that for the young belief in God is an optional matter a virtual consumer choice As a result different trends in worship and worship styles are offered by different churches to suit lifestyles attitudes and personal taste **Belief Bevond Boundaries** Joanne Pearson, 2023-05-09 Belief Beyond Boundaries explores religions or forms of spirituality that tend to be marginal to the mainstream of British and North American religious expression The book examines how alternative spiritualities traditionally classed as New Age or new religious movements have grown exponentially in recent years It
