many ways the greatest that the church has ever witnessed Never has a region been so quickly or radically transformed for righteousness or the world so impacted The fire of this revival was so intense that when letters or newspaper stories about it were read in other parts of the world revival would break out there too Today almost a century later those who just read or hear the story are still moved with conviction hope and the inevitable question Will God do it again Yes The purpose of this book is to review the events and lessons from one of the greatest moves of God of all time in order to prepare for one that is even greater
