**Beloved Spirit** Alexandra Villard De Borchgrave, Massumeh Farhad, 2011 Inspired by the Ten Worlds of Buddhist philosophy which convey the positive and negative aspects of life de Borchgrave sets a new standard for experiential expression Her poems are paired with heretofore unpublished details of artworks by master Japan **Early Christian Voices** David Warren, Ann Graham Brock, David Pao, 2021-10-01 This collection of studies in honor of Francois Bovon highlights the rich diversity found within early expressions of Christianity as evidenced in ancient texts traditions symbols and motifs Old labels like apocrypha or heresy that for centuries have suppressed much of this evidence are removed previous assumptions are questioned and the old data are examined afresh along with the latest discoveries The studies fall into six areas ancient gospels acts early Christian movements ancient interpretations art and manuscripts Contributors include James Robinson Helmut Koester Harold Attridge Karen King and Jean Daniel Kaestli **The Beloved Community** Charles Marsh, 2008-07-31 A noted theologian explains how the radical idea of Christian love animated the African American civil rights movement and how it can power today's social justice struggles Speaking to his supporters at the end of the Montgomery bus boycott in 1956 Martin Luther King Jr declared that their common goal was not simply the end of segregation as an institution Rather the end is reconciliation the end is redemption the end is the creation of the beloved community King's words reflect the strong religious convictions that motivated the African American civil rights movement As King and his allies saw it Jesus had founded the most revolutionary movement in human history a movement built on the unconditional love of God for the world and the mandate to live in that love Through a commitment to this idea of love and to the practice of nonviolence civil rights leaders sought to transform the social and political realities of twentieth century America In *The Beloved Community* theologian and award winning author Charles Marsh traces the history of the spiritual vision that animated the civil rights movement and shows how it remains a vital source of moral energy today *The Beloved Community* lays out an exuberant new vision for progressive Christianity and reclaims the centrality of faith in the quest for social justice and authentic community **Goethe's Faust and the Divan of Ḥāfiẓ** Hiwa Michaeli, 2019-10-21 This book explores the poetic articulations of a shift from a transcendent to an immanent worldview as reflected in the manner of evaluation of body and soul in Goethe's *Faust* and *fi Divan* Focusing on two lifeworks that illustrate their authors respective intellectual histories this cross genre study goes beyond the textual confines of the two poets *Divans* to compare important building blocks of their intellectual worlds *Spirituality in John's Gospel* Gabriel-Mary Fiore CSJ, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a

century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality *Heavens on Earth* Michael Shermer, 2018-01-09

A scientific exploration into humanity's obsession with the afterlife and quest for immortality from the bestselling author and skeptic Michael Shermer In his most ambitious work yet Shermer sets out to discover what drives humans belief in life after death focusing on recent scientific attempts to achieve immortality along with utopian attempts to create heaven on earth For millennia religions have concocted numerous manifestations of heaven and the afterlife and though no one has ever returned from such a place to report what it is really like or that it even exists today science and technology are being used to try to make it happen in our lifetime From radical life extension to cryonic suspension to mind uploading Shermer considers how realistic these attempts are from a proper skeptical perspective *Heavens on Earth* concludes with an uplifting paean to purpose and progress and how we can live well in the here and now whether or not there is a hereafter **New Day Begun** R. Drew Smith, 2003-07-02 *New Day Begun* presents the findings of the first major research project on black churches civic involvement since C Eric Lincoln and Lawrence H Mamiya's landmark study *The Black Church in the African American Experience* Since the passage of the 1964 Civil Rights Act and the 1965 Voting Rights Act the scale and scope of African American churches civic involvement have changed significantly the number of African American clergy serving in elective and appointive offices has noticeably increased as have joint efforts by black churches and government agencies to implement policies and programs Filling a vacuum in knowledge about these important developments *New Day Begun* assesses the social political and ecclesiastical factors that have shaped black church responses to American civic and political life since the Civil Rights movement This collection of essays analyzes the results of an unprecedented survey of nearly 2 000 African American churches across the country conducted by The Public Influences of African American Churches Project which is based at Morehouse College in Atlanta These essays by political scientists theologians ethicists and others draw on the survey findings to analyze the social historical and institutional contexts of black church activism and to consider the theological and moral imperatives that have shaped black church approaches to civic life including black civil religion and womanist and afrocentric critiques They also look at a host of faith based initiatives addressing economic development and the provision of social services *New Day Begun* presents necessary new interpretations of how black churches have changed and been changed by contemporary American political culture Contributors Lewis Baldwin Allison Calhoun Brown David D
