Quest For The Green Man:

The Quest for the Green Man John Matthews, 2001-08-01 Explores the theme of the Green Man in mythology folklore and literature throughout history in such guises as Merlin Robin Hood Herne the Hunter the Green Knight Enkidu and Cernunnos

A Little Book of the Green Man, 1998 Who is the green man who stares down enigmatically for the corbels and capitals of churches across Europe He has been linked to Robin Hood Pan the Oak King and the Holly King For such a blatantly Pagan image to have persisted in Christian churches all over Europe surely implies a tremendous power and significance

Fat Man to Green Man Ira Rainey, 2013-12-09 Despite believing he was bionic as a child Ira Rainey was far from an elite athlete with superhuman running abilities like the ones he read about in books He was in fact an overweight and unfit slacker who felt a bit sorry for himself because he had sore feet Sure he ran a bit but he also sat around a lot and ate and drank too much Why Because he could and because he was a delusional optimist who thought everything would always be just fine That was until a friend was diagnosed with terminal cancer and given months to live It was an event that would push Ira to tackle his apathy towards life and take on the challenge of becoming an ultramarathon runner pushing himself to go further than he had ever gone before Award winning *Fat Man to Green Man* From Unfit to Ultramarathon is a warm and humorous account of one man's quest to uncover his true super powers as he journeys from fat to fit and taking in everything that came between the two It is a story of fields and friendships mud and maps but more importantly learning how to push yourself to achieve what you would never believe you could and how to deal with the consequences *Fat Man to Green Man* won the silver award for running books in The 2014 Running Awards an award voted for by runners Ira Rainey with *Fat Man to Green Man* was also a shortlisted finalist for New Writer of the Year in The British Sports Book Awards 2014 Ira Rainey's lifestyle transformation is an extraordinary example of what can be accomplished with passion and conviction *Fat Man to Green Man* is an inspirational story of how the seemingly impossible can come true A must read for anyone looking to make a positive change Dean Karnazes World renowned endurance athlete and NY Times bestselling author Rainey is proof that ultradistance races can be completed by middle aged mortals and not just extreme endurance athletes with a penchant for pain Men's Fitness Magazine The ending It's not what you will expect but it will see you re appraise everything in life you thought was certain We think you will be inspired and like us are certain you may lose a few tears before you reach it Running Fitness Magazine It's an inspirational tale of Ira's battle with inner demons and ill health I felt as if I was right beside him Trail Running Magazine So many things are covered here the back to back training runs the speed work I was actually a bit intimidated by how fast he can knock out a 5K the nutrition and weight loss and dealing with injury and recovery He discovered that he was not bionic but overall he was very capable of running long distances and recalling the tales very vividly James Adams Ultramarathon runner and author of *Running and Stuff* At times laugh out loud funny at others quite poignant the parts where Ira faces the impending loss of a dear friend are especially touching this book is a fun take on one

man's journey to becoming an ultra runner and finding himself in the process UltrarunnerPodcast Dean Karnazes taught us about what it takes to be at the very top of ultra running wowing us in the process while Ira inspired by Dean gives us an insight of ultra running that the rest of us could aspire to The Running Stories *Green Man* William Anderson,1990 The Green movement and the women's movement have picked up on the scientific Gaia hypothesis which suggests that the planet Earth is a single living organism The next stage of the ecological revolution begins with the reawakening of the male counterpart of the Goddess the Green Man and archetype found in folklore and religious art from the earliest times and especially linked with Christian origins of modern science Long suppressed the archetype emerges now to challenge us to heal our relationship with nature **The Mythic Forest, the Green Man and the Spirit of Nature** Gary R. Varner,2006 In this world tour of folklore and ancient art Varner examines the images we give to the spirit of nature and explores this important aspect of human perception *Superpower* Russell Gold,2020-11-10 Meet Michael Skelly the man boldly harnessing wind energy that could power America's future and break its fossil fuel dependence in this essential compelling look into the future of the nation's power grid Bryan Burrough author of The Big Rich The United States is in the midst of an energy transition We have fallen out of love with dirty fossil fuels and want to embrace renewable energy sources like wind and solar A transition from a North American power grid that is powered mostly by fossil fuels to one that is predominantly clean is feasible but it would require a massive building spree wind turbines solar panels wires and billions of dollars would be needed Enter Michael Skelly an infrastructure builder who began working on wind energy in 2000 when many considered the industry a joke Eight years later Skelly helped build the second largest wind power company in the United States and sold it for 2 billion Wind energy was no longer funny it was well on its way to powering more than 6% of electricity in the United States Award winning journalist Russel Gold tells Skelly's story which in many ways is the story of our nation's evolving relationship with renewable energy Gold illustrates how Skelly's company Clean Line Energy conceived the idea for a new power grid that would allow sunlight where abundant to light up homes in the cloudy states thousands of miles away and take wind from the Great Plains to keep air conditioners running in Atlanta Thrilling provocative and important Superpower is a fascinating look at America's future Uprooted Nina Lyon,2017-04-06 **Graveyard Quest** K.C.
