Quest Of The Holy Grail 1913:

Bulletin Enoch Pratt Free Library of Baltimore City,1914 **Bulletin** ,1914 The Holy Grail Richard W. Barber,2004 In this fascinating work Barber traces the history of the legends surrounding the Holy Grail beginning with Chrten de Troyes s great romances of the 12th century and the medieval Church s religious version of the secular ideal **Christ and the Spiritual World and the Search for the Holy Grail** Rudolf Steiner,2008 Reviewing human history in relation to the cosmic and earthly events of Christ s incarnation Rudolf Steiner explains the significance of Gnostic religion and the legend of the Holy Grail He shows how the Grail emerges in human history and how the stellar script relates to the secret of Parsifal Christ and the Spiritual World examines humanity s existential quest in the historical patterns of human thought and spiritual development Steiner shows the widespread influence of the sibyls who through astrological and clairvoyant prophecies became a backdrop to the Greco Roman world one of history s richest cultural epochs Steiner also contrasts the sibyls revelations to those of ancient Hebrew prophets This course of lectures a complete edition from Steiner s collected works offers an illuminating insight into the development of the soul through succeeding ages *The Quest for the Holy Grail of Graig Trewyddfa, Swansea* John Peter Thomas,2020-08-21 Over about 200 years up until the 1930s the open valley of the River Tawe became one of the most heavily industrialised areas of the developed world The Holy Grail which lay beneath the lands of Graig Trewyddfa in Swansea locally known as the Great Penvilia Five Foot Vein was renowned for its quality smelting metals at the time required more than three parts of coal to every one of metal ore so this was of major economic benefit Mining the Penvilian coal brought about its own problems use of child labour serious accidents flooding and explosions It became apparent in the mid 1880s that it was cheaper to smelt ores at the source rather than ship them to Swansea this led to the gradual cessation of copper smelting and closing of most coal mines in the Swansea area

Encyclopedia of the Holy Grail Jeffrey John Dixon,2023-03-22 In the twelfth century a French poet wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel a grail Left unfinished the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper the Holy Grail For hundreds of years the Grail story has haunted the western imagination But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways This encyclopedia illuminates a path through the Perilous Forest of literature and legend Entries summarize the stories of the principal characters sacred objects and places associated with the Grail An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology **International Catalogue of Scientific Literature** ,1917 **MLN.** ,1914 The Quest of the Holy Grail Jessie Laidlay Weston,1913 **Corporate Medievalism** Karl Fugelso,2012 Essays on the post modern reception and interpretation of the middle ages with a particular focus on its relationship with business and finance Academia has never
