Quest For Christa T:

Medea Christa Wolf, 1998-03-17 Medea is among the most notorious women in the canon of Greek tragedy a woman scorned who sacrifices her own children to her jealous rage In her gripping new novel Christa Wolf expands this myth revealing a fiercely independent woman ensnared in a brutal political battle Medea driven by her conscience to leave her corrupt homeland arrives in Corinth with her husband the hero Jason He is welcomed but she is branded the outsider and then she discovers the appalling secret behind the king's claim to power Unwilling to ignore the horrifying truth about the state she becomes a threat to the king and his ruthless advisors Then abandoned by Jason and made a public scapegoat she is reviled as a witch and a murderess Long a sharp eyed political observer Christa Wolf transforms this ancient tale into a startlingly relevant commentary on our times Possessed of the enduring truths so treasured in the classics and yet with a thoroughly contemporary spin her Medea is a stunningly perceptive and probingly honest work of fiction **The Quest for**

Christa T. Christa Wolf, 1979-11 When The Quest for Christa T was first published in East Germany ten years ago there was an immediate storm bookshops in East Berlin were given instructions to sell it only to well known customers professionally involved in literary matters at the annual meeting of East German Writers Conference Mrs Wolf's new book was condemned Yet the novel has nothing explicit to do with politics **Patterns of Childhood** Christa Wolf, 1984-07 Returning to her

native town in East Germany forty years later accompanied by her inquisitive and sometimes demanding daughter Wolf attempts to recapture her past and to clarify memories of growing up in Nazi Germany This novel is a testament of what seemed at the time a fairly ordinary childhood in the bosom of a normal Nazi family in Landsberg *Cassandra* Christa

Wolf, 1988-05 Retells the story of the fall of Troy from the point of view of the woman whose visionary powers earned her contempt and scorn Written as a result of the author's Greek travels and studies Cassandra speaks to us in a pressing monologue whose inner focal points are patriarchy and war In the four accompanying pieces which take the form of travel reports journal entries and a letter Wolf describes the novel's genesis Cover p 4 **They Divided the Sky** Christa

Wolf, 2013-01-26 First published in 1963 in East Germany They Divided the Sky tells the story of a young couple living in the new socialist East Germany whose relationship is tested to the extreme not only because of the political positions they gradually develop but very concretely by the Berlin Wall which went up on August 13 1961 The story is set in 1960 and 1961 a moment of high political cold war tension between the East Bloc and the West a time when many thousands of people were leaving the young German Democratic Republic the GDR every day in order to seek better lives in West Germany or escape the political ideology of the new country that promoted the farmer and peasant state over a state run by intellectuals or capitalists The construction of the Wall put an end to this hemorrhaging of human capital but separated families friends and lovers for thirty years The conflicts of the time permeate the relations between characters in the book at every level and strongly affect the relationships that Rita the protagonist has not only with colleagues at work and at the teacher's college

she attends but also with her partner Manfred an intellectual and academic and his family They also lead to an accident attempted suicide that send her to hospital in a coma and that provide the backdrop for the flashbacks that make up the narrative Wolf's first full length novel published when she was thirty five years old was both a great literary success and a political scandal Accused of having a decadent attitude with regard to the new socialist Germany and deliberately misrepresenting the workers who are the foundation of this new state Wolf survived a wave of political and other attacks after its publication She went on to create a screenplay from the novel and participate in making the film version More importantly she went on to become the best known East German writer of her generation a writer who established an international reputation and never stopped working toward improving the socialist reality of the GDR

Nobody Leaves Ryszard Kapuściński, 2017 A peculiar genius with no modern equivalent except possibly Kafka Jonathan Miller Regarded as a central part of Kapuscinski's work these vivid portraits of life in the depths of Poland embody the young writer's mastery of literary reportage When the great Ryszard Kapuscinski was a young journalist in the early 1960s he was sent to the farthest reaches of his native Poland between foreign assignments The resulting pieces

brought together in this new collection nearly all of which are translated into English for the first time reveal a place just as strange as the distant lands he visited From forgotten villages to collective farms Kapuscinski explores a Poland that is post Stalinist but still Communist a country on the edge of modernity He encounters those for whom the promises of rising living standards never worked out as planned those who would have been misfits under any political system those tied to the land and those dreaming of escape

Eulogy for the Living Christa Wolf,2018 In Eulogy for the Living Wolf recalls with crystalline precision the everyday details of her life as a middle class grocer's daughter and the struggles within the family struggles common to most families but exacerbated by the rise of Nazism

Christa Wolf's Utopian Vision Anna K. Kuhn,2009-01-08 This is a book length chronological study in English of Christa Wolf's works It traces the development and continuity of the writer's major themes and concerns against the backdrop of her constantly evolving relationship to Marxism and documents the rise of her feminist consciousness It does not however focus only on political and feminist issues but addresses all facets of Wolf's identity by showing how her works reflect her own self understanding Forced by the clash between her vision of a humane socialism and the practice of socialism she observed in the German Democratic Republic to reassess her role as a writer and critic Wolf broke through to her unique style in *The Quest for Christa T* a work initially repudiated in the GDR both for its unorthodox subject matter and for its unconventional form Since then Wolf has effectively challenged the restrictions placed on writers in the GDR by writing on topics such as the Nazi past *Patterns of Childhood* Romanticism No Place on Earth patriarchal attitudes in the GDR Cassandra and the Chernobyl nuclear disaster *St rfall*

Emerson Page and Where the Light Enters Christa Avampato,2017-07-24 Young adult adventure *Stones for Bread* Christa Parrish,2013 Liesl McNamara has tried to create a quiet life as a bread baker for herself but a cooking television show an alleged long lost half sister and a delivery man determined to win her affections has complicated her plans

Triads Poppy Z. Brite,Christa Faust,2004 Combines tragedy history a touch of the supernatural a bit of soap opera and finally hope in a surprisingly tender if violent and sexually explicit trio of gracefully written interwoven tales

The Fourth Dimension Christa Wolf,1988-12-17 The author should not disappear into her own work says Christa Wolf but should stand up and be counted In this series of interviews and conversations spanning more than a decade Christ Wolf does precisely that Here one of the greatest contemporary novelists discusses the origins of an inspirations for her best known works Often taking as her starting point events from the past her novels she explains remain fictions of the present whether her concern is to reassess the experiences of growing up in Nazi Germany as in *A Model Childhood* or to attempt to trace the roots of the contradictions in which our civilisation is now trapped as in *Cassandra* These conversations however take her far beyond the purely literary She talks openly about what it means to be both a writer and a woman in East Germany today and concludes that literature is no longer territorially defined We are not so much divided by boundaries between East and West as united in our common experience of highly organized patriarchal society she says which has brought us to the verge of annihilation

It is the author's voice according to Christa Wolf which provides the fourth dimension of modern prose. In these pages her own voice emerges more loudly and clearly than ever. **A Detective's Complaint** Shimon Adaf, 2022-08-02. In Shimon Adaf's sequel to *One Mile and Two Days Before Sunset*, Elish Ben Zaken has retired from investigating and taken up writing detective novels, but when a new case draws him to a town on the Israel-Gaza border, he faces an existential threat unlike any he's ever known.
