A Quest for Godliness James Innell Packer,1994 Surveys the teachings and beliefs of the Puritans and calls today s Christians to follow their example of spiritual maturity *A Quest for Godliness* J. I. Packer,2010-07-08 A moving and challenging exploration of the teachings and beliefs of the Puritans this book calls today s Christians to move from spiritual superficiality and follow the Puritans example of spiritual maturity *The Quest for God and the Good* Diana Lobel,2011 Lobel crosses Eastern and Western philosophical and religious traditions to discover a beauty and purpose at the heart of reality that makes life worth living This title does not treat philosophy as an abstract theoretical discipline but as living experience *The Puritans* David Martyn Lloyd-Jones,1990 **Decision Making and the Will of God** Garry Friesen,J. Robin Maxson,2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God s specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God s will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources Study guide for small groups Responses to Frequently Asked Questions Guide to painless Scripture memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God s will yet many are still unsure whether they ve found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God s will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God s will was biblically deficient Maybe there was a better way to understand HOW God guides *Puritan Portraits* J. I. Packer,2012-09-20 A leading authorities on the Puritans Rich theology and deep spirituality **Soul Recreation** Tom Schwanda,2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604 64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian s intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant

contributions of the Western Catholic tradition **Evangelical Spirituality** James McMillan Gordon, 2006-07-10 Of the twenty two Evangelicals who have been studied some have been so widely influential that they are obvious inclusions others though less prominent are still remembered while a few are all but forgotten Selection was controlled by several considerations The period covered spans from the eighteenth century Revival to the present day Figures are included from only Britain and America The aim throughout has been to provide an appreciative exposition of Evangelical spirituality with some evaluative comment In Evangelicalism there is extraordinary diversity in spiritual experience doctrinal emphasis and personal temperament to the enrichment of the whole Church It has its share too of weaknesses blind spots and inner tensions But judged by its best representatives some of them to be found in this book the Evangelical spiritual tradition is a continuing witness to the power of the gospel and the mission of the Church from the Preface **Worldly Saints** Leland Ryken, 2010-09-28 Ryken's *Worldly Saints* offers a fine introduction to seventeenth century Puritanism in its English and American contexts The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity Harry Stout Yale University the typical Puritans were not wild men fierce and freaky religious fanatics and social extremists but sober conscientious and cultured citizens persons of principle determined and disciplined excelling in the domestic virtues and with no obvious shortcomings save a tendency to run to words when saying anything important whether to God or to a man At last the record has been put straight J I Packer Regent College *Worldly Saints* provides a revealing treasury of primary and secondary evidence for understanding the Puritans who they were what they believed and how they acted This is a book of value and interest for scholars and students clergy and laity alike Roland Mushat Frye University of Pennsylvania A very persuasive most interesting book stuffed with quotations from Puritan sources almost to the point of making it a mini anthology Publishers Weekly With *Worldly Saints* Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought Christianity Today Ryken writes with a vigor and enthusiasm that makes delightful reading never a dull moment *Fides et Historia* *Worldly Saints* provides a valuable picture of Puritan life and values It should be useful for general readers as well as for students of history and literature Christianity and Literature *Word of God, Art of Man* Fahmida Suleman, 2007 Muslim reverence for the Qur'an as the Word of God has manifested itself in various artistic forms throughout history and up to the present day This innovative collection of essays explores creative expressions of the Qur'an in a wide range of media Contributors include museum curators and leading academics in art and architectural history palaeography and material anthropology and their studies span four continents and cover topics from medieval coins and early illuminated copies of the Qur'an to contemporary painting They offer a multidisciplinary approach to the questions of how why and in what contexts the Qur'an has inspired Muslim artists and craftspeople to adorn the spaces they inhabit and the objects they cherish with its verses The volume
