Cheap Ellen Ruppel Shell, 2009-07-02 A myth shattering investigation of the true cost of America's passion for finding a better bargain From the shuttered factories of the Rust Belt to the strip malls of the Sun Belt and almost everywhere in between America has been transformed by its relentless fixation on low price This pervasive yet little examined obsession with bargains is arguably the most powerful and devastating market force of our time having fueled an excess of consumerism that blights our landscapes escalates personal debt lowers our standard of living and even skews of our concept of time Spot lighting the peculiar forces that drove Americans away from quality durability and craftsmanship and towards quantity quantity and more quantity Ellen Ruppel Shell traces the rise of the bargain through our current big box profusion to expose the astronomically high cost of

cheap **The Banshees** Sally Barr Ebest,2013-10-22 Although much has been written about American feminism and its influence on culture and society very little has been recorded about the key role played by Irish American women writers in exposing women s issues protecting their rights and anticipating if not effecting change Like the mythical Irish banshee who delivered fore warnings of imminent death Irish American women through their writing have repeatedly warned of the death of women s rights These messages carried the greatest potency at liminal times when feminism was under attack due to the politics of civil society the government or the church The Banshees traces the feminist contributions of a wide range of Irish American women writers from Mother Jones Kate Chopin and Margaret Mitchell to contemporary authors such as Gillian Flynn Jennifer Egan and Doris Kearns Goodwin To illustrate the growth and significance of their writing the book is organized chronologically by decade Each chapter details the progress and setbacks of Irish American women during that period by revealing key themes in their novels and memoirs contextualized within a discussion of contemporary feminism Catholicism Irish American history American politics and society The Banshees examines these writers roles in protecting women s sovereignty rights and reputations Thanks to their efforts feminism is revealed as a fundamental element of Irish American literary history *Gale Researcher Guide for: The Western World after World War II* Valerie Deacon,2018-09-28 Gale Researcher Guide for The Western World after World War II is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research *Caesar Ate My Jesus* Meg Gorzycki,2017-06-09 What the hell happened on the way to making the world a better place We boomers were told our success would be unlimited We had democracy and capitalism and God was on our side We took our religious teachings seriously and set out to end bigotry violence and destitution Inevitably we collided with American Caesars whose power and wealth was sufficient to dominate national and international affairs Political and religious Caesars appropriated Jesus and used him to justify war sexism racism dictatorships and poverty What were the faithful to do Lots of boomers I know tossed the spiritual baby out with the religious institution s bathwater and became cynical about civic engagement It is not time to abandon hope in our goodness however and it is not time to surrender our conscience to Caesar Our experiences as boomers teach us that it is possible to bring the love of God to bear in our lives despite Caesar s constant pressure to cherish power wealth celebrity and things more than we cherish people This book is for folks who are ready to get off Caesar s treadmill and dig deeply into their hearts and minds to see what remains of the Kingdom of God within **From Criminalizing to Decriminalizing Marijuana** Nikolay Anguelov,2018-10-15 This book juxtaposes the history of anti marijuana legislation in America with its growing use and social acceptance It tracks the evolution of cultural and political factors that fuel the current diffusion of cannabis decriminalization **Shadow Warrior** Randall B. quintessential member of the greatest generation Colby embodied the moral and strategic ambiguities of the postwar world and first confronted many of the dilemmas about power and secrecy that America still grapples with today In *Shadow Warrior* eminent historian Randall B Woods presents a riveting biography of Colby revealing that this crusader for global democracy was also drawn to the darker side of American power Aiming to help reverse the spread of totalitarianism in Europe and Asia Colby joined the U S Army in 1941 just as America entered World War II He served with distinction in France and Norway and at the end of the war transitioned into America s first peacetime intelligence agency the CIA Fresh from the fight against fascism Colby zealously redirected his efforts against international communism He insisted on the importance of fighting communism on the ground doggedly applying guerilla tactics for counterinsurgency sabotage surveillance and information gathering on the new battlefields of the Cold War Over time these strategies became increasingly ruthless as head of the CIA s Far East Division Colby oversaw an endless succession of assassination attempts coups secret wars in Laos and Cambodia and the Phoenix Program in which 20 000 civilian supporters of the Vietcong were killed Colby ultimately came clean about many of the CIA s illegal activities making public a set of internal reports known as the family jewels that haunt the agency to this day Ostracized from the intelligence community he died under suspicious circumstances a murky ending to a life lived in the shadows Drawing on multiple new sources including interviews with members of Colby s family Woods has crafted a gripping biography of one of the most fascinating and controversial figures of the twentieth century

When Life Strikes the President Jeffrey A. Engel, Thomas J. From Helsinki to Belgrade Vladimir Bilandžić, Dittmar Dahlmann, Milan Kosanović, 2012 After the heads of state and government of almost all European countries the USA and Canada signed the Final Act of the Conference on Security and Cooperation in Europe in Helsinki on August 1st 1975 little was heard about the CSCE process However far away from the headline grabbing meetings between the leading politicians of the USA and the USSR as well as the Geneva negotiations on disarmament the Helsinki process proved to be an efficient framework for the East West negotiations The inconclusive Belgrade CSCE Meeting of 1977 1978 after six months the delegations were only able to agree on a brief final document was nevertheless a significant milestone for the CSCE process itself negotiation rules were drawn up interpreted negotiated and re negotiated The contributions to this volume offer solid insights into the follow up meeting in Belgrade in 1977 78 the Cold War and in

particular the CSCE process Russell Long Michael S. Martin, 2014-05-05 Russell Long 1918 2003 occupies a unique niche in twentieth century United States history Born into Louisiana's most influential political family and son of perhaps the most famous Louisianan of all time Long extended the political power generated by other members of his family and attained heights of power unknown to his predecessors including his father Huey P. Long The Long family and its followers pervaded Louisiana politics from the late 1920s through the 1980s Being a Long especially a son of Huey Long preordained Russell for a political life His father's assassination set the wheels in motion for his eventual political career In 1948 Russell followed his father and his mother to a seat in the United States Senate In due course he rose to the politically eminent positions of majority whip and chair of the Senate Finance Committee Russell Long A Life in Politics examines Long's public life and places it within the context of twentieth century Louisiana southern and national politics In Louisiana Long's politics arose out of the Longite Anti Longite period of history Yet he transcended many of those two groups' factional squabbles In the national realm Long's politics exhibited a working philosophy that straddled the boundaries between New Deal liberalism and southern conservatism By the time of his retirement in early 1987 he had witnessed the demise of one political paradigm the New Deal liberal consensus and the creation of one dominated by a new style of conservatism *The Resounding Revolution* Stephen Stacks, 2025-05-13 Far from being bounded by the timeframe of the 1960s freedom song continues to evolve as a tool both of historical memory and of present activism Stephen Stacks looks at how post 1968 freedom song helps us negotiate our present relationship to the era while at the same time sustaining the contemporary struggle inspired by it Stacks's analysis shifts the focus of attention from genre freedom song to process and practice freedom singing As he shows freedom singing after 1968 generates multilayered meanings It can reinforce or resist consensus memories or dominant narratives Stacks illuminates freedom singing's diversity by examining it in three contexts performance protest and within documentary sound recording film Insightful and vividly detailed *The Resounding Revolution* examines sixty years of Black music to challenge and reshape the entrenched story of the Civil Rights Movement
