Quest For The Original Text Of The New Testament:

The Quest for the Original Text of the New Testament Philip Wesley Comfort, 2003-09-02 If only we could hold the actual words of Luke's descriptive narrative or Paul's outpouring of pastoral pain to the church at Corinth Now we can A continuing quest to recover the New Testament text allows Christians to open their Bibles with confidence that the words approximate the writers Greek quill strokes or the English equivalents Such thought breaths excitement into Philip Comfort s history of the New Testament text and discussion of the credibility and limitations of texts and translations Comfort challenges the view that early copyists were careless and took editorial liberties. He argues that their accuracy and integrity are indisputable While this task involves comparing manuscripts technical facts are framed in historical and cultural color He assures Christians that even uncovering the paper signed by Paul would not change our understanding of what he said This introduction to the work of textual criticism challenges students to continue the quest for the original text It is essentially a sequel to Early Manuscripts and Modern Translations of the New Testament THE ORIGINAL TEXT OF THE NEW TESTAMENT Edward D. Andrews, 2020-06-17 What are the churchgoers the Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar s views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God s Word Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world s best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation Did Jesus Exist? G. A. Wells,1987-02 Professor Wells argues that there was no historical Jesus and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity The question at issue is what all

the evidence adds up to Does it establish that Jesus did or did not exist Professor Wells concludes that the latter is the more likely hypothesis This challenge to received thinking by both Christians and non Christians is supported by much documentary evidence and Professor Wells carefully examines all the relevant problems and answers all the relevant questions He deliberately avoids polemic and speculation and sticks so far as possible to the known facts and to rational inferences from the facts INTRODUCTION TO THE TEXT OF THE NEW TESTAMENT Edward D.
