Questce Que Le Structuralisme:

Les Intellos ou la dérive d'une caste Daniel S. Schiffer, 1995 *Structuralism* J.M. Broekman, 2012-12-06 The use of the word structuralism not only as a title for the present book but also as a valuable indication for outstanding philosophical and cultural developments of our century may embarrass the English reader The same might be the case regarding some of the philosophical thoughts developed in connexion with this structuralism Emphasis is namely not on a set of technical operations using ideas and conceptions closely linked up with structural or systematical analyses system and in formation theories biology psychology and even literary criticism On the contrary the concept of structuralism here definitely refers to a holistic approach not unlike existentialism or phenomenology Many philosophical implications of this structuralism are however quite different from those contained in existential philosophies The first difference applies to philosophy itself no existential thinker will doubt or deny that the thoughts developed are genuine philosophical thoughts Structuralism however does not take that decision before hand and thus no longer restricts itself to the traditional laws and habits of philosophical reasoning It presents itself on the one hand as a holistic attempt to interpret reality among lines of philosophical argumentation but tries to do so without the decision that this argumentation leads to philosophy Structuralism therefore presents itself as a specific activity a *modus operandi* in reality itself Le structuralisme en linguistique Oswald Ducrot, 1973 Tome 1 , Qu'est-ce que le structuralisme?: Le structuralisme en linguistique , 1973 *Structuralists and Structuralisms* Josué V. Harari, 1971 *Qu'est-ce que le structuralisme ? (5)* François Wahl, 1973-01-01 T00:00:00+01:00 Philosophie Qu'est-ce que le structuralisme en philosophie La question se pose et se retourne aussitôt y a-t-il un structuralisme en philosophie Du côté de la science les chercheurs Lévi Strauss les linguistes Lacan qui se donnent ou se sont un moment donnés pour structuralistes refusent légitimement la qualification de philosophes De l'autre côté des philosophes Foucault Althusser Derrida qui ont emprunté aux sciences structurales nombre de concepts refusent de se laisser confondre avec une prétendue pensée structuraliste La question que pose le philosophe est donc où en est le discours philosophique après l'avènement des sciences structurales François Wahl Michel Foucault Barry Smart, 1994 **Quest-ce Que Le Structuralisme? No. 3** - French & European Publications, Incorporated, 2004-06-30 *ISLA 1* Tetsuji Yamamoto, 1998 This volume presents original writings and interviews with prominent thinkers on the front lines of an international intellectual effort to reconsider the fundamental terms of modernity and promote a philosophical design that reconsiders the significance of modernity itself **Qu'est-ce que le structuralisme? 1. le structuralisme en linguistique** O. Ducrot, 1973 Claude Lévi-Strauss and the Making of Structural Anthropology Marcel Hénaff, 1998 As anthropology continues to transform itself this book affords a broad and balanced account of the remarkable accomplishments of one of the great intellectual innovators of the 20th century It presents an authoritative and accessible analysis of Claude Lévi Strauss's research in anthropological theory and practice as well as his contributions to debates surrounding linguistics epistemology ethics and aesthetics

Grammaticalité Henri Le Prieult,2006 *Structural Models and African Poetics* Sunday O. Anozie,2016-08-19 In this pioneering work first published in 1981 Sunday O Anozie examines the relevance of structuralism and semiology to literary criticism in general and to African poetics in particular Behind the growing body of African literature lies an immense reservoir of oral tradition for which the proper tools of analysis and interpretation have yet to be found This book represents the first comprehensive full scale exposition analysis and critique of structuralism by a non Western and non European scholar From an African viewpoint it examines the roles to be played by structuralism and post structuralism in the development of the general principles governing poetics and literary creativity in Africa This title will be of interest to students of literature and literary theory

Structuralist Poetics Jonathan Culler,2023-01-06 A work of technical skill as well as outstanding literary merit Structuralist Poetics was awarded the 1975 James Russell Lowell Prize of the Modern Language Association It was during the writing of this book that Culler developed his now famous and remarkably complex theory of poetics and narrative and while never a populariser he nonetheless makes it crystal clear within these pages
