Guardian of Honor Robin D. Owens, 2009-10-01 With Their Magic Boundaries Falling and Terrible Monsters Invading the Marshalls of Lladrana Must Follow Ancient Tradition and Summon a Savor from the Exotique Land For Alexa Fitzwalter the Marshall s call pulled the savvy lawyer into a realm where she barely understood the language

let alone the intricacies of politics and power Armed only with her wits a mystical companion and the help of the chevalier Bastien Alexa must use her very human mind and skills to fight the encroaching evil and resist manipulation by the Marshalls to force her to stay in Lladrana Now torn between her affinity for this realm and Earth will she return home if given the chance Or dare she risk everything for a land not her own **A Sense of Honor** James Webb,1995 Portrays the conflict between two disparate midshipmen at the U S Naval Academy in 1968 **A Bride of Honor** Ruth Axtell Morren,2009-05-01 It is a truth universally acknowledged that a lady of rank and distinction is no match for an impoverished preacher Yet Damian Hathaway is entranced from the moment he spies Miss Lindsay Phillips entering his church She doesn't appear any different from the other pampered society ladies and she's betrothed to a gentleman of the ton But Damian is determined to find the pure heart he's sure exists underneath all the ruffles and lace The unlikely friendship formed by Damian and Lindsay is a revelation to them both but is frowned upon by her parents and Damian's parishioners Torn between two worlds the pair must trust that their love can bridge the divide and conquer all **A Question of Honour** Anne Baker,1996 A Question of Honour focuses on a previously unpublished account of a great Victorian scandal in which Baker was charged with assault upon a young woman in a railway carriage The book is written by a member of his family *Matters of Honor* Louis Begley,2008-01-29 Terrifically intelligent moving and entertaining The New York Sun With snappy dialogue and intelligent prose Begley paints a memorable portrait of lasting friendship and of the strength required to step outside of the expectations that surround each of us Rocky Mountain News At the beginning of the 1950s three disparate young men are thrown together as roommates at Harvard College Henry White a Polish Jewish refugee who survived World War II by hiding in Poland Archibald P Palmer III an Army brat and Sam Standish ostensibly the scion of a fine New England family who has just learned that he was adopted at birth by parents he cannot respect Each seeks to come to terms with his identity or to remake it altogether Henry's task is especially daunting He is determined to live as an American free of the shackles of his hideous past But reinvention is a bargain with the devil and over the years each will find that it comes at a high cost challenging one's honor and loyalty to parents friends and ultimately oneself Absorbing In full Henry James mode Begley uses a lucid prose style to dispassionately eviscerate the upper classes even as he illuminates the true meaning of friendship Booklist The final moral crisis of Henry's life is gorgeously evoked Begley's analysis of class and anti-Semitism in America is often brilliant The Washington Post Book World A moving tale Begley's technique demands attention and richly rewards it The New York Observer An elegant novel of enduring friendship Publishers Weekly starred review [Honor in Political and Moral Philosophy](#) Peter Olsthoorn,2014-12-03 In this history of the development of ideas of honor in Western philosophy Peter Olsthoorn examines what honor is how its meaning has changed and whether it can still be of use Political and moral philosophers from Cicero to John Stuart Mill thought that a sense of honor and concern for our reputation could help us to determine the proper thing to do and just as important provide us with the much needed motive to do it Today outside of the

military and some other pockets of resistance the notion of honor has become seriously out of date while the term itself has almost disappeared from our moral language Most of us think that people ought to do what is right based on a love for justice rather than from a concern with how we are perceived by others Wide ranging and accessible the book explores the role of honor in not only philosophy but also literature and war to make the case that honor can still play an important role in contemporary life

Why Honor Matters Tamler Sommers,2018-05-08 A controversial call to put honor at the center of morality To the modern mind the idea of honor is outdated sexist and barbaric It evokes Hamilton and Burr and pistols at dawn not visions of a well organized society But for philosopher Tamler Sommers a sense of honor is essential to living moral lives In *Why Honor Matters* Sommers argues that our collective rejection of honor has come at great cost Reliant only on Enlightenment liberalism the United States has become the home of the cowardly the shameless the selfish and the alienated Properly channeled honor encourages virtues like courage integrity and solidarity and gives a sense of living for something larger than oneself Sommers shows how honor can help us address some of society's most challenging problems including education policing and mass incarceration Counterintuitive and provocative *Why Honor Matters* makes a convincing case for honor as a cornerstone of our modern society
