

The background of the book cover is a reproduction of Michelangelo's 'The Creation of Adam' fresco. It depicts two cherubs (putti) in a dynamic pose. One cherub on the left is looking towards the viewer, holding a long, thin object (possibly a reed or a pipe) in its mouth. The other cherub on the right is leaning forward, also holding a similar object. The painting is set against a blue and green background, with the figures' bodies rendered in warm, fleshy tones. The entire cover is framed by a solid orange border.

Stephen Koke

Questioning The Millennium A Rationalists Guide To A Precisely Arbitrary Countdown:

Questioning the Millennium Stephen Jay Gould, 2011-10 Gould addresses three questions about the millennium with his typical erudition warmth and whimsy What is the concept of a millennium and how has its meaning shifted over time How did the projection of Christ's 1 000 year reign become a secular measure And when exactly does the millennium begin January 1 2000 or January 2 2001

Questioning the Millennium Stephen Jay Gould, 1999 The noted naturalist sheds new light on humankind's fascination with the approaching millennium offering a collection of scientific and historical essays on the millennium and its significance

Questioning the Millennium Stephen Jay Gould, 1999-11-04 Stephen Jay Gould examines the phenomenon of the millennium He looks at the origins of the term in the Biblical prophecies of the Book of Revelation if the six ages of man date from 4000BC will 2000AD signify the end of time Gould describes how the meaning of the word has evolved to its present day usage and tackles the debate over whether the millennium ends in 1999 or at the end of 2000AD He also questions the human compulsion to impose our time schemes on the universe and wonders how far can we go in applying our mathematical principles to nature Existing methods of calculating time are all flawed to some extent and yet the complexities of lunar months leap years and the calculation of dates such as Easter are part and parcel of our fascination with calendrics as both a hobby and an occupation

Questioning the Millenium Stephen Jay Gould, 1997

Hidden Millennium Stephen Koke, 1998 Is the Last Judgment a literal doomsday heralded by the chaotic turn of the millennium Author and philosopher Stephen Koke explores a more spiritual interpretation inspired by the writings of theologian Emanuel Swedenborg

The Freethinker, 1998 *Millennial Literatures of the Americas, 1492-2002* Thomas O. Beebe, 2009 It seems that Americans North South Middle and Caribbean tend to define themselves by narrating their End

Modern South Asia Sugata Bose, Ayesha Jalal, 2004 A wide ranging survey of the Indian sub continent Modern South Asia gives an enthralling account of South Asian history After sketching the pre modern history of the subcontinent the book concentrates on the last three centuries from c 1700 to the present Jointly written by two leading Indian and Pakistani historians Modern South Asia offers a rare depth of understanding of the social economic and political realities of this region This comprehensive study includes detailed discussions of the structure and ideology of the British raj the meaning of subaltern resistance the refashioning of social relations along lines of caste class community and gender and the state and economy society and politics of post colonial South Asia The new edition includes a rewritten accessible introduction and a chapter by

chapter revision to take into account recent research The second edition will also bring the book completely up to date with a chapter on the period from 1991 to 2002 and a discussion of the last millennium in sub continental history *International Relations Theory* Cynthia Weber, 2010 Introducing students to the main theories in international relations this textbook also deconstructs each theory allowing students to engage critically with the assumptions and myths that underpin them **The Handbook of Autism** Maureen Aarons, Tessa Gittens, 2002-01-04 This updated edition of the Handbook of Autism explores and expands on the practical and jargon free information of the best selling first edition The authors dispel many of the myths surrounding this puzzling and complex disorder They provide practical information that makes sense covering both medical and educational issues Revised research and new case studies including follow ups to the case studies featured in the first edition reflect the developments made over the last eight years both in the understanding and management of autism A list of contacts and services at the back of the book underlines its practical approach *Fanged Noumena* Nick Land, 2011-04-01 A dizzying trip through the mind of the provocative and influential thinker Nick Land During the 1990s British philosopher Nick Land's unique work variously described as rabid nihilism mad black deleuzianism and cybergothic developed perhaps the only rigorous and culturally engaged escape route out of the malaise of continental philosophy a route that was implacably blocked by the academy However Land's work has continued to exert an influence both through the British speculative realist philosophers who studied with him and through the many cultural producers writers artists musicians filmmakers who have been invigorated by his uncompromising and abrasive philosophical vision Beginning with Land's early radical rereadings of Heidegger Nietzsche Kant and Bataille the volume collects together the papers talks and articles of the mid 90s long the subject of rumour and vague legend including some work which has never previously appeared in print in which Land developed his futuristic theory of cybercapitalism gone amok and ends with his enigmatic later writings in which Ballardian fictions poetics cryptography anthropology grammatology and the occult are smeared into unrecognisable hybrids *Fanged Noumena* gives a dizzying perspective on the entire trajectory of this provocative and influential thinker's work and has introduced his unique voice to a new generation of readers *The Cambridge Introduction to Modern British Fiction, 1950-2000* Dominic Head, 2002-03-07 In this introduction to post war fiction in Britain Dominic Head shows how the novel yields a special insight into the important areas of social and cultural history in the second half of the twentieth century Head's study is the most exhaustive survey of post war British fiction available It includes chapters on the state and the novel class and social change gender and sexual identity national identity and multiculturalism Throughout Head places novels in their social and historical context He highlights the emergence and prominence of particular genres and links these developments to the wider cultural context He also provides provocative readings of important individual novelists particularly those who remain staple reference points in the study of the subject Accessible wide ranging and designed specifically for use on courses this is the most current introduction to the subject available An invaluable resource for

students and teachers alike **Generations** Neil Howe, William Strauss, 1992-09-30 Hailed by national leaders as politically diverse as former Vice President Al Gore and former House Speaker Newt Gingrich *Generations* has been heralded by reviewers as a brilliant if somewhat unsettling reassessment of where America is heading William Strauss and Neil Howe posit the history of America as a succession of generational biographies beginning in 1584 and encompassing every one through the children of today Their bold theory is that each generation belongs to one of four types and that these types repeat sequentially in a fixed pattern The vision of *Generations* allows us to plot a recurring cycle in American history a cycle of spiritual awakenings and secular crises from the founding colonists through the present day and well into this millennium *Generations* is at once a refreshing historical narrative and a thrilling intuitive leap that reorders not only our history books but also our expectations for the twenty first century **Proud to be Flesh** Josephine Berry Slater, Pauline Van Mourik Broekman, Michael Corris, 2009 Dedicated to an analysis of culture and politics after the net Mute magazine has since its inception in 1994 consistently challenged the grandiose claims of the digital revolution This anthology offers an expansive collection of some of Mute's finest articles and is thematically organised around key contemporary issues Direct Democracy and its Demons Net Art to Conceptual Art and Back I Cyborg Reinventing the Human of Commoners and Criminals Organising Horizontally Art and against Business Under the Net City and Camp Class and Immaterial Labour The Open Work The result is both an impressive overview and an invaluable sourcebook of contemporary culture in its widest sense

Humanity 2.0 S. Fuller, 2011-10-06 Social thinkers in all fields are faced with one unavoidable question What does it mean to be human in the 21st century This ambitious and groundbreaking book provides the first synthesis of historical philosophical and sociological insights needed to address this question in a thoughtful and creative manner **Encounters with Islam** Malise Ruthven, 2012-05-14 For many years Malise Ruthven has been at the forefront of discerning commentary on the Islamic world and its relations with the predominantly secularised and Christian societies of the West Well known for his bold interventions on such issues as the Rushdie affair and publication of *The Satanic Verses* the many unresolved questions relating to the Lockerbie bombing and the globe changing terrorist attack of 9 11 Ruthven's perceptive writings particularly those that have appeared in the *New York Review of Books* reliably re frame difficult issues and problems so that his readers are prompted to look at the challenges afresh Ruthven is here at his most compelling he offers astute and topical insights across the whole spectrum of Middle East and Islamic studies Whether questioning the involvement of Libyan agents in the downing of Pan Am Flight 103 exploring the contested place of women in Islam or discussing the disputed term Islamofascism his own the author's probing searchlight intelligence aims always to get at the truth of things regardless of attendant controversy Representing the best of Ruthven these lucid essays will be widely appreciated by students specialists and general readers They transform our understandings of contemporary society
