Questioning Christian Origins

Karl W. Giberson

Questioning Christian Origins:

Questioning Christian Origins James Keith Elliott, 1982 Aimed at senior school students or first year undergraduates embarking on courses of the History of Christian Theology or Religious Studies this book surveys as openly and objectively as possible the central questions associated with the life and work of Jesus and the rise of the early church *The Mithraic Origins of Christianity* Allan Di Donato, 2020-12-24 One of the most challenging objections to the historicity of the New Testament documents and the uniqueness of first century Christianity is the accusation of wholesale borrowing from earlier pagan sources Such accusations are common in the fields of comparative religion and mythology Parallels have been drawn between the story of Jesus and various other religious leaders heroes and pagan dying and rising gods Though these parallels are found in stories from various cultures going back several millennia before the Christian era the most prevalent challenge has come from what have become known as the mystery religions or mystery cults From among these numerous cults one has presented the greatest challenge and most striking parallels That is the cult of Mithras or Mithraism This book addresses the theory that early Christianity borrowed heavily from Mithraism and it investigates ancient textual and archaeological evidence as it seeks to evaluate that claim [Give Me an Answer](#) Cliffe Knechtle, 1986-03-31 Cliffe Knechtle offers clear reasoned and compassionate responses to the tough questions skeptics ask *The Question of Canon* Michael J Kruger, 2020-05-21 For many years now the topic of the New Testament canon has been the main focus of my research and writing It is an exciting field of study that probes into questions that have long fascinated both scholars and laymen alike namely when and how these 27 books came to be regarded as a new scriptural deposit But the story of the New Testament canon is bigger than just the when and the how It is also and perhaps most fundamentally about the why Why did Christians have a canon at all Does the canon exist because of some later decision or action of the second or third century church Or did it arise more naturally from within the early Christian faith itself Was the canon an extrinsic phenomenon or an intrinsic one These are the questions this book is designed to address And these are not micro questions but macro ones They address foundational and paradigmatic issues about the way we view the canon They force us to consider the larger framework through which we conduct our research whether we realized we had such a framework or not Of course we are not the first to ask such questions about why we have a canon Indeed for many scholars this question has already been settled The dominant view today as we shall see below is that the New Testament is an extrinsic phenomenon a later ecclesiastical development imposed on books originally written for another purpose This is the framework through which much of modern scholarship operates And it is the goal of this volume to ask whether it is a compelling one To be sure it is no easy task challenging the status quo in any academic field But we should not be afraid to ask tough questions Likewise the consensus position should not be afraid for them to be asked **Where the Light Fell** Philip Yancey, 2021-10-05 In this searing meditation on the bonds of family and the allure of extremist faith one of today's most celebrated Christian writers recounts

his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace a revelatory memoir that invites comparison to Hillbilly Elegy Publishers Weekly starred review Searing heartrending This stunning tale reminds us that the only way to keep living is to ask God for the impossible love forgiveness and hope Kate Bowler New York Times bestselling author of Everything Happens for a Reason Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta Philip Yancey and his brother Marshall found ways to venture out beyond the confines of their eight foot wide trailer But when Yancey was in college he uncovered a shocking secret about his father s death a secret that began to illuminate the motivations that drove his mother to extreme often hostile religious convictions and a belief that her sons had been ordained for a divine cause Searching for answers Yancey dives into his family origins taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia from trailer parks to church sanctuaries from family oddballs to fire and brimstone preachers and childhood awakenings through nature music and literature In time the weight of religious and family pressure sent both sons on opposite paths one toward healing from the impact of what he calls a toxic faith the other into a self destructive spiral Where the Light Fell is a gripping family narrative set against a turbulent time in post World War II America shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties era forces of social change In piecing together his fragmented personal history and his search for redemption Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear I truly believe this is the one book I was put on earth to write says Yancey So many of the strands from my childhood racial hostility political division culture wars have resurfaced in modern form Looking back points me forward *Questioning the Bible* Jonathan Morrow,2014 Can a thoughtful person today seriously believe that God wrote a book There are an unprecedented number of sophisticated attacks on the origin credibility and reliability of the Bible It can be difficult to know what to say when skepticism and secularism take over so many conversations Additionally confusion and doubt about the Bible being God s Word are becoming as common inside the church as they are in the broader culture The purpose of this book is to respond to these challenges sound bites and slogans and give people confidence that the Bible can be trusted and that it matters for our lives because God really has spoken Publisher

The New Testament and the People of God Nicholas Thomas Wright,1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original **Canon Revisited** Michael J. Kruger,2012-04-30 Given the popular level conversations on phenomena like the Gospel of Thomas and Bart Ehrman s Misquoting Jesus as well as the current gap in evangelical scholarship on the origins of the New Testament Michael Kruger s Canon Revisited meets a significant need for an up to date work on canon by addressing recent developments in the field He presents an academically rigorous yet

accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds mining the text itself for direction in understanding what the original authors and audiences believed the canon to be Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms and read by pastors and educated lay leaders alike In contrast to the prior volumes on canon this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed Rather than simply discussing the history of canon rehashing the Patristic data yet again Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative In effect this work successfully unites both the theology and the historical development of the canon ultimately serving as a practical defense for the authority of the New Testament books

Questioning Evangelism, 3rd edition Randy Newman, 2023-01-17 You don't need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn't force answers upon people He asked questions So why don't we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People Ministries

Saving the Original Sinner Karl W. Giberson, 2015-06-09 A scientist and former evangelical argues that holding onto a belief in a literal historical Adam has forced many Christians to reject science and become intellectually isolated from the modern world The Bible's first man stands at the center of a crisis that is shaking much of Christianity In the evangelical world scholars have been ostracized and banished from their academic communities for endorsing a modern scientific understanding of the world even as they remained strong Christians Self appointed gatekeepers of traditional theology demand intellectual allegiance to an implausible interpretation of the Genesis creation story insisting that all humanity must be descended from a single perfect human pair Adam and Eve Such a view is utterly at odds with contemporary science It wasn't always this way Karl Giberson spotlights the venerable tradition of Christian engagement with new knowledge and discoveries When global exploration anthropology geology paleontology biblical studies and even linguistics cast doubt on the historicity of Adam and his literal fall into sin Christians responded by creatively reimagining the creation story letting Adam evolve to accommodate

his changing context Even conservative evangelical institutions until recently encouraged serious engagement with evolutionary science unhindered by the straitjacket of young earth creationism intelligent design or other views demanding that Adam be a historical figure Giberson calls for a renewed conversation between science and Christianity and for more open engagement with new scientific discoveries even when they threaten central doctrines Christians should not be made to choose between their faith and their understanding of the universe Instead as Giberson argues they should follow in the once robust tradition of exploring science openly within the broad contours of Christian belief **God's Problem** Bart D. Ehrman,2009-10-13 One Bible Many Answers In God s Problem the New York Times bestselling author of Misquoting Jesus challenges the contradictory biblical explanations for why an all powerful God allows us to suffer Disappointment with God Philip Yancey,1988 Is God listening Can he be trusted In this book Yancey tackles the questions caused by a God who doesn t always do what we think he s supposed to do *Questioning the Historicity of Jesus* Raphael Lataster,2019-07-01 This volume moves beyond the mainstream scholarly scepticism over the Christ of Faith and considers if there is sufficient evidence to establish the existence of the more mundane Historical Jesus Using the logical tools of the analytic philosopher Lataster finds that the relevant sources are unreliable as historical documents and that the key method of those purporting that the Historical Jesus existed is to appeal to sources that do not exist Considering an ancient hypothesis suggesting that Jesus began as a celestial messiah that certain Second Temple Jews already believed in and was later allegorised in the Gospels Lataster discovers that it is more reasonable to at least be agnostic over Jesus historicity *Religion and the Sciences of Origins* Kelly James Clark,2014-05-21 This concise introduction to science and religion focuses on Christianity and modern Western science the epicenter of issues in science and religion in the West with a concluding chapter on Muslim and Jewish Science and Religion This book also invites the reader into the relevant literature with ample quotations from original texts *When Jesus Became God* Richard E. Rubenstein,2000 A fascinating volume details the two priests Arius and Athanasius mortal enemies who became the major players in the fateful conflict in Christendom to decide whether Jesus was God or the holiest of men until the Reformation and Alexander the powerful bishop of Alexandria who was determined to find a speedy resolution Reprint **Nailed: Ten Christian Myths That Show Jesus Never Existed at All** David Fitzgerald,2010-10-01 Why would anyone think Jesus never existed Isn t it perfectly reasonable to accept that he was a real first century figure As it turns out no NAILED sheds light on ten beloved Christian myths and with evidence gathered from historians across the theological spectrum shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination a messiah transformed from a purely literary theological construct into the familiar figure of Jesus in short a purely mythic Christ **Christian Origins and the Question of God: The New Testament and the people of God** Nicholas Thomas Wright,1992 Presents the first volume in a five volume series on the New Testament and the people of God by Anglican theologian N T Wright Focuses on the historical and theological questions around the origins of Christianity

as well as the world of Judaism *For the Healing of the Nations* Peter Escalante, W. Bradford Littlejohn, 2014-11-04 The doctrine of creation is obviously one of the first things but it is also one of the last things since the world to come is also by definition creation The simple truth that it is so is incontestable since neither the world to come nor those whose dwelling it is built to be are God But the way in which this is so is the subject of a long long debate in Christendom with the question of whether and in what degree the life to come is continuous with this one How common is the thing in first thing and last thing Our answer to this question conditions our answer to many others the relationship of philosophy to theology of the church to the saeculum of the kingdom of Christ to the visible church This volume brings together the careful investigations of established and emerging historians and theologians exploring how these questions have been addressed at different points in Christian history and what they mean for us today Includes contributions from James Bratt E J Hutchinson Matthew Tuininga Andrew Fulford Laurence O Donnell Benjamin Miller Brian Auten and Joseph Minich **Searching for the Real Jesus** Geza Vermes, 2013-02-11 Geza Vermes is the greatest living Jesus scholar In *The Real Jesus* Vermes best known for his work on the Dead Sea Scrolls comments on a variety of contemporary religious themes such as *The Da Vinci Code* Mel Gibson's infamous film *The Passion of the Christ* Benedict XVI's book *Jesus of Nazareth* and the Gospel of Judas Informed by the work of a world class scholar the short articles in this book open to the general reader the findings of some of the major discoveries of the twentieth century such as the Dead Sea Scrolls This collection of shorter popular pieces many of which appeared in *The Times* and other newspapers makes Vermes research on Christian origins the Dead Sea Scrolls and most importantly Jesus the Jew accessible to a wider readership **The Triumph of Christianity** Bart D. Ehrman, 2018-02-22 How did Christianity become the dominant religion in the West In the early first century a small group of peasants from the backwaters of the Roman Empire proclaimed that an executed enemy of the state was God's messiah Less than four hundred years later it had become the official religion of Rome with some thirty million followers It could so easily have been a forgotten sect of Judaism Through meticulous research Bart Ehrman an expert on Christian history texts and traditions explores the way we think about one of the most important cultural transformations the world has ever seen one that has shaped the art music literature philosophy ethics and economics of modern Western civilisation

Questioning Christian Origins Introduction

In today's digital age, the availability of Questioning Christian Origins books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Questioning Christian Origins books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Questioning Christian Origins books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Questioning Christian Origins versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Questioning Christian Origins books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Questioning Christian Origins books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Questioning Christian Origins books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Questioning Christian Origins books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Questioning Christian Origins books and manuals for download and embark on your journey of knowledge?

FAQs About Questioning Christian Origins Books

What is a Questioning Christian Origins PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Questioning Christian Origins PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Questioning Christian Origins PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Questioning Christian Origins PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Questioning Christian Origins PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe

Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
