Questioning The Millennium:

Questioning the Millennium Stephen Jay Gould, 2011-10 Gould addresses three questions about the millennium with his typical erudition warmth and whimsy What is the concept of a millennium and how has its meaning shifted over time How did the projection of Christ's 1 000 year reign become a secular measure And when exactly does the millennium begin January 1 2000 or January 2 2001 Questioning the Millennium Stephen Jay Gould, 1999-11-04 Stephen Jay Gould

examines the phenomenon of the millennium He looks at the origins of the term in the Biblical prophecies of the Book of Revelation if the six ages of man date from 4000BC will 2000AD signify the end of time Gould describes how the meaning of the word has evolved to its present day usage and tackles the debate over whether the millennium ends in 1999 or at the end of 2000AD He also questions the human compulsion to impose our time schemes on the universe and wonders how far can we go in applying our mathematical principles to nature Existing methods of calculating time are all flawed to some extent and yet the complexities of lunar months leap years and the calculation of dates such as Easter are part and parcel of our fascination with calendrics as both a hobby and an occupation *Questioning the Millennium* Stephen Jay Gould, 1999 The

noted naturalist sheds new light on humankind's fascination with the approaching millennium offering a collection of scientific and historical essays on the millennium and its significance **The Meaning of the Millennium** Robert G.

Clouse, 1977-04-01 Robert G Clouse brings together four scholars to debate various views on the millennium George Eldon Ladd Herman A Hoyt Loraine Boettner and Anthony A Hoekema **Three Views on the Millennium and Beyond**

Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **A Millennium of the Book** Annual conference on book-trade history, 1994 **Questioning the Millennium**

Johnson,2004-06-21 A quarter century after its first publication *A Shopkeeper's Millennium* remains a landmark work brilliant both as a new interpretation of the intimate connections among politics economy and religion during the Second Great Awakening and as a surprising portrait of a rapidly growing frontier city The religious revival that transformed America in the 1820s making it the most militantly Protestant nation on earth and spawning reform movements dedicated to temperance and to the abolition of slavery had an especially powerful effect in Rochester New York Paul E Johnson explores the reasons for the revival's spectacular success there suggesting important links between its moral accounting and the city's new industrial world In a new preface he reassesses his evidence and his conclusions in this major work **The Bible in World History** Stephen Leston,Christopher D.
