Questions God Asks Us Trevor Hudson,2010-12-15 Instead of always looking for answers in the Bible Trevor Hudson suggests that we start thinking more carefully about the questions that God asks God desires a conversational relationship with us and He shows this desire by asking questions God also gives greater dignity to us by allowing us to wrestle with the questions rather than if we are simply given answers Questions God Asks Us presents ten questions five from the Old and five from the New Testament which God had asked and is still asking us as well They include Where Are You Where Is Your Brother What Are You Doing Here Who Do You Say I Am Do You Want to Get Well Why Are You Crying There is a much greater power to transform us in a question than there is in a straightforward answer each chapter includes a section with practical suggestions to answer God s question and discover this for yourself It also includes discussion questions for study groups Questions God Asks Us is bound in a handy gift format with beautiful full colour images printed on gloss art paper
