Questions Of Belief

Guy P. Harrison

Questions Of Belief:

Questions of Truth John Polkinghorne, Nicholas Beale, 2009-01-19 How did the universe begin Can God's existence be proven Do humans matter more than animals For many years people have sent the scientist turned priest John Polkinghorne these and other questions about science and belief In question and answer format Polkinghorne and his collaborator Nicholas Beale offer their highly informed opinions about some of the most frequently asked of these questions Readers can follow their own paths through the book selecting questions that interest them and looking at the additional material if they choose This unique book will help Christians clarify their beliefs regarding difficult issues and better face challenges from within and from others to their faith

Reasons for Belief Norman L. Geisler, Patty Tunncliffe, 2013-02-15 Trusted Theologian Presents a Case for Christian Faith in Easy to Understand Language Seminary professor and bestselling author teams with a seminary trained apologist and teacher to give readers basic solid evidence for the Christian faith This book is ideal for both teens and adults Lay leaders and teachers as well as students will be equipped to explain the basics of Christianity to unbelievers and new believers The accessible and topically organized book is easy to understand and use

The Language of God Francis Collins, 2008-09-04 Dr Francis S Collins head of the Human Genome Project is one of the world's leading scientists working at the cutting edge of the study of DNA the code of life Yet he is also a man of unshakable faith in God How does he reconcile the seemingly unreconcilable In *THE LANGUAGE OF GOD* he explains his own journey from atheism to faith and then takes the reader on a stunning tour of modern science to show that physics chemistry and biology indeed reason itself are not incompatible with belief His book is essential reading for anyone who wonders about the deepest questions of all why are we here How did we get here And what does life mean

Questions of belief Edward Livermore Burlingame, 1878

Making Sense of God Timothy Keller, 2016-09-20 We live in an age of skepticism Our society places such faith in empirical reason historical progress and heartfelt emotion that it's easy to wonder Why should anyone believe in Christianity What role can faith and religion play in our modern lives In this thoughtful and inspiring new book pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever As human beings we cannot live without meaning satisfaction freedom identity justice and hope Christianity provides us with unsurpassed resources to meet these needs Written for both the ardent believer and the skeptic *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives

50 Simple Questions for Every Christian Guy P. Harrison, 2013-03-19 Written in a respectful and conversational style this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non Christians The author a skeptic and journalist asks basic questions about Christian belief What is the born again experience Why would God want to sacrifice his only son for the world Do miracles really happen How reliable is the Bible What is the rapture Why isn't everyone a Christian Each question is followed by commentary and analysis that is skeptical and tough but never argumentative or condescending Christians will

find the book useful as a basis for developing their apologetics while skeptics will welcome Harrison's probing rational analysis of religious claims

The Four Questions Byron Katie, 2016 Bestselling author Byron Katie and accomplished award winning illustrator Hans Wilhelm team up for a modern retelling of the classic folk tale The Sky Is Falling reimagined through the lens of Byron Katie's world famous philosophy for living known as The Work Written for adults and children alike in the form of a full color illustrated book the wisdom contained in this beautiful work can have a profound effect on readers young and old

Questions of Faith Peter Berger, 2015-11-04 Leading religious and cultural commentator Peter Berger explores how and what we can believe in modern times Deals clearly with questions such as Does God exist What was so special about Jesus How can one be Christian in a pluralistic society Structured around key phrases from the Apostles Creed Draws on the Christian theological tradition and the work of other relevant thinkers such as Freud and Simone Weil The author takes the position of an open minded sceptic exploring his own beliefs

Reasonable Faith William Lane Craig, 2008 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

The Belief Book Chuck Harrison, David G. McAfee, 2018-12-13 A book about religions and gods and beliefs in general which also examines something called The Scientific Method which is how we learn new things about the world By the time you're done reading you will know the answers to some of life's biggest questions but more importantly you will see why your questions and all questions for that matter are so important Amazon.com
