Miller, 2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible. Let's be honest: the Bible can be hard to understand. It's full of weird laws, apparent inconsistencies, and tales of a God who often doesn't do what we expect. You may have asked about some of these things and been brushed off or given trite, unconvincing answers. But serious questions deserve thoughtful responses, especially when opinions of Bible experts clash. Stephen M. Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions. He does so with a touch of humor and no preaching, allowing you to draw your own conclusions. Questions include: Would a loving God really put a good man like Job through horrible suffering just to test his loyalty? If God knows everything, why did he test Abraham's faith by asking him to sacrifice his own son? How could there be just one God yet three? Since Jesus told people to turn the other cheek, why aren't more Christians pacifists? *Mama Bear Apologetics* Hillary Morgan Ferrer, 2019-06-04 Foreword written by Nancy Pearcey. Parents are the most important apologists our kids will ever know. *Mama Bear Apologetics* will help you navigate your kids' questions and prepare them to become committed Christ followers. J.
