Questions Muslims Ask The Divinity Death And Resurrection Of Jesus Christ:

Questions Muslims Ask Rockeybell Adatura,1998 **Questions Muslims Ask** Robert Scott,2012-06-08 Robert Scott has discovered that many of his Muslim friends are quite open to talking about matters of faith Here he explores common questions and objections they ve discussed with him The result is an opportunity to appreciate where Muslims are coming from and help your Muslim friends better grasp what Christians actually believe and why *The Son Rises* William L. Craig,2000-09-29 Is the Christian message of Jesus Christ and his resurrection true Using ten lines of historical evidence Dr Craig defends the probability that Jesus was resurrected following his crucifixion He examines the origin of the Christian movement and more provocative subjects such as the Shroud of Turin parapsychological phenomena and hallucinations *Philosophical Foundations for a Christian Worldview* James Porter Moreland,William Lane Craig,2003-03-31 Arguments are clearly presented and rival theories are presented with fairness and accuracy BOOK JACKET **Death, Resurrection, and Human Destiny** David Marshall,2014-04-29 Death Resurrection and Human Destiny Christian and Muslim Perspectives is a rich collection of essays scriptural analysis and personal reflections featuring leading Christian and Muslim scholars who explore the meaning of death resurrection and human destiny within their religious traditions *Did Jesus Rise From the Dead* William Lane Craig,2014-06-01 Seems reasonable perhaps Jesus was comatose Or perhaps his body was stolen Or maybe the women arrived at the wrong tomb they were grieving after all it would have been an honest mistake There are any number of explanations Dr William Lane Craig uses well documented historical facts to explore the evidence that surrounds the days following Jesus crucifixion Without assuming the Bible says so Did Jesus Rise from the Dead presents positive religious cultural and historical evidence for the reality of the resurrection while breaking down the six most common hypotheses used to explain the unusual events that unfolded from the moment Christ breathed his last Thoroughly researched yet deftly digestible Did Jesus Rise from the Dead belongs in the library of any apologist skeptic or seeker [The Resurrection Of Christ](#) Gerd Ludemann,2010-06-28 Although the resurrection is the keystone dogma of Christian belief and Sunday churchgoers rarely if ever think to question it scholarly research shows with the utmost clarity that from a historical standpoint Jesus was not raised from the dead In fact it is almost universally recognized among scholars of New Testament textual criticism that the gospel narratives describing the resurrection appearances are not reliable eyewitness accounts but expressions of faith written by the first Christian believers long after the death of Jesus In this thorough exegesis of the primary texts dealing with the resurrection of Jesus New Testament expert Gerd L demann University of G ttingen presents compelling evidence that shows the resurrection was not a historical event and further argues that this development leaves little if any basis for Christian faith as presently defined Beginning with Paul s testimony in 1 Cor 15 3 8 in which the apostle declares that Jesus has been raised on the third day in accordance with the scriptures L demann systematically evaluates every reference to Jesus resurrection in the New Testament as well as apocryphal literature He examines the purpose of the

text writers the ways in which they reworked tradition and the historical value of each account Through this approach he offers a reconstruction of the probable course of events as well as the circumstances surrounding Jesus death on the cross the burial of his body his reported resurrection on the third day and subsequent appearances to various disciples Since the historical evidence leads to the firm conclusion that Jesus body was not raised from the dead L demann argues that the origin of the Easter faith must be sought in the visionary experiences of Christianity s two leading apostles From a modern perspective this leads to the inescapable conclusion that both primary witnesses to Jesus resurrection Peter and Paul were victims of self deception In conclusion he asks whether in light of the nonhistoricity of Jesus resurrection thinking people today can legitimately and in good conscience still call themselves Christians Gerd L demann is a professor of the history and literature of early Christianity at the University of G ttingen Germany Professor L demann s published conclusions about Christianity aroused great controversy in his native Germany where the Confederation of Protestant Churches in Lower Saxony demanded his immediate dismissal from the theological faculty of his university Despite this threat to his academic freedom he has retained his post at the university although the chair he holds was renamed to disassociate him from the training program of German pastors L demann is also the author of *Jesus After 2000 Years* Paul The Founder of Christianity and *The Resurrection of Christ A Historical Inquiry* *A Reasonable Response* William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief In *A Reasonable Response* renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed including Why does God allow evil How can I be sure God exists Why should I believe that the Bible is trustworthy How does modern science relate to the Christian worldview What evidence do we have that Jesus rose from the dead Utilizing real questions submitted to his popular website ReasonableFaith.org Dr Craig models well reasoned skillful and biblically informed interaction with his inquirers *A Reasonable Response* goes beyond merely talking about apologetics it shows it in action With cowriter Joseph E Gorra this book also offers advice about envisioning and practicing the ministry of answering people s questions through the local church workplace and in online environments Whether you re struggling to respond to tough objections or looking for answers to your own intellectual questions *A Reasonable Response* will equip you with sound reasoning and biblical truth *I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11 A compassionate shame free guide for your darkest days A one of a kind book to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized medicalized or over spiritualized Kay Warren cofounder of Saddleback Church What happens when loving Jesus doesn t cure you of depression anxiety or suicidal thoughts You might be crushed by shame over your mental illness only to be told by well meaning Christians to choose joy and pray more So you beg God to take away the pain but nothing eases the ache inside As darkness lingers and color drains from your world you re left wondering if God has abandoned you You just want a way out

But there's hope In *I Love Jesus But I Want to Die* Sarah J Robinson offers a healthy practical and shame free guide for Christians struggling with mental illness With unflinching honesty Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church Pairing her own story with scriptural insights mental health research and simple practices Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better Beautifully written and full of hard won wisdom *I Love Jesus But I Want to Die* offers a path toward a rich hope filled life in Christ even when healing doesn't look like what you expect

Reasonable Faith William Lane Craig, 2008 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

Divine Foreknowledge and Human Freedom William Lane Craig, 1990-12-01 The ancient problem of fatalism more particularly theological fatalism has resurfaced with surprising vigour in the second half of the twentieth century Two questions predominate in the debate 1 Is divine foreknowledge compatible with human freedom and 2 How can God foreknow future free acts Having surveyed the historical background of this debate in *The Problem of Divine Foreknowledge and Future Contingents from Aristotle to Suarez* Brill 1988 William Lane Craig now attempts to address these issues critically His wide ranging discussion brings together a thought provoking array of related topics such as logical fatalism multivalent logic backward causation precognition time travel counterfactual logic temporal necessity Newcomb's Problem middle knowledge and relativity theory The present work serves both as a useful survey of the extensive literature on theological fatalism and related fields and as a stimulating assessment of the possibility of divine foreknowledge of future free acts

Paul and Jesus James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostles sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today

Time and Eternity William Lane Craig, 2001-03-01 This

remarkable work offers an analytical exploration of the nature of divine eternity and God's relationship to time **What**

Every Christian Needs to Know About the Qur'an James R. White, 2013-05-01 A Look Inside the Sacred Book of One of the World's Fastest Growing Religions What used to be an exotic religion of people halfway around the world is now the belief system of people living across the street Through fair contextual use of the Qur'an as the primary source text apologist James R White presents Islamic beliefs about Christ salvation the Trinity the afterlife and other important topics White shows how the sacred text of Islam differs from the teachings of the Bible in order to help Christians engage in open honest discussions with Muslims

How Jesus Became God Bart D. Ehrman, 2014-03-25 New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church The claim at the heart of the Christian faith is that Jesus of Nazareth was and is God But this is not what the original disciples believed during Jesus's lifetime and it is not what Jesus claimed about himself How Jesus Became God tells the story of an idea that shaped Christianity and of the evolution of a belief that looked very different in the fourth century than it did in the first A master explainer of Christian history texts and traditions Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty Creator of all things But how did he move from being a Jewish prophet to being God In a book that took eight years to research and write Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection Only when some of Jesus's followers had visions of him after his death alive again did anyone come to think that he the prophet from Galilee had become God And what they meant by that was not at all what people mean today Written for secular historians of religion and believers alike How Jesus Became God will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity Jesus

was and is God **Jesus** John Dominic Crossan, 1994 This is an outstanding book both popular and intelligent Accessible language and direct dramatic narration a compelling portrait of Jesus Publishers Weekly A portrait that both takes in the contemporary background and yet accounts for Jesus distinctiveness New York Times Book Review Photos **Prophet Isa** Ibn Kathir, 2014-12-07 He Jesus said Verily I am a slave of Allah He has given me the Scripture and made me a Prophet and He has made me blessed wheresoever I be and has enjoined me prayer and Zakat as long as I live and dutiful to my mother and made me not arrogant unblest And Salam peace be upon me the day I was born and the day I die and the day I shall be raised alive Ch 19 27 33
