Questions for Ecclesiastes Mark Jarman, 1997 Winner 1998 Lenore Marshall Poetry Prize Finalist 1997 National Book Critics Circle Award In *Questions for Ecclesiastes* Mark Jarman takes on the idea of holiness in an unholy world of spiritual realities in secular America His poems made me think of altars the kind we sometimes make unconsciously on a side table or dresser where we deposit sea shells pebbles lost buttons and other interesting finds arranging them just so as if to make an offering to an unknown god Charles Simic Judge The Academy of American Poets A devout and learned exploration of the absence and silence of God The Philadelphia Inquirer In this deeply impressive collection Jarman is concerned with God His grace and humans relations with Him In 20 *Unholy Sonnets* he takes up matters of theology directly and so appositely for these times that some of them may become pulpit as well as anthology staples Ray Olson Booklist yAn A level candidate for glory so peculiar in the excellence and pleasure it offers as to baffle anyone in the business of awarding laurels The Hudson Review Inverting Donne s *Holy Sonnets* in his ironic 20 poem *Unholy Sonnets* sequence Jarman s tone is discursive instead of devotional comic instead of firm The sonnets explore faith with a sense of inevitability Yet they are less about God than about our relationship to God and our inability to understand God s judgement The Boston Book Review Memorable for its section *Unholy Sonnets* *Questions for Ecclesiastes* ultimately captures a poet s challenge to God Are you there or aren t you Seattle Weekly

Daniel Finds a Poem Micha Archer, 2016-02-16 Stunning collage art full of rich color glorious details and a sense of wonder reminiscent of the work of Ezra Jack Keats illustrate this delightful story celebrating the poetry found in the world around us What is poetry Is it glistening morning dew Spider thinks so Is it crisp leaves crunching That s what Squirrel says

Could it be a cool pond sun warmed sand or moonlight on the grass Maybe poetry is all of these things as it is something special for everyone you just have to take the time to really look and listen The magical thing is that poetry is in everyone and Daniel is on his way to discovering a poem of his own after spending time with his animal friends What is poetry If you look and listen it s all around you

Why Poetry Matthew Zapruder, 2017-08-15 An impassioned call for a return to reading poetry and an incisive argument for poetry s accessibility to all readers by critically acclaimed poet Matthew Zapruder In Why Poetry award winning poet Matthew Zapruder takes on what it is that poetry and poetry alone can do Zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it In lively lilting prose he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion or inadequacy that many of us feel when faced with it Zapruder explores what poems are and how we can read them so that we can as Whitman wrote possess the origin of all poems without the aid of any teacher or expert Most important he asks how reading poetry can help us to lead our lives with greater meaning and purpose Anchored in poetic analysis and steered through Zapruder s personal experience of coming to the form Why Poetry is engaging and conversational even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge While he provides a simple reading method for approaching poems and illuminates concepts like associative movement metaphor and negative capability Zapruder explicitly confronts the obstacles that readers face when they encounter poetry to show us that poetry can be read and enjoyed by anyone
