Quests Of Difference Reading Popes Poems:

Quests of Difference George Douglas Atkins, 2014-07-15 In this eminently readable book G Douglas Atkins continues the efforts undertaken in *Reading Deconstruction* Deconstructive Reading to open eighteenth century texts to the insights of recent critical theory Through close readings of most of Pope s major poems Atkins demonstrates how the powerful theoretical movement known as deconstruction enriches challenges and significantly modifies our understanding of the work of the greatest poet of the eighteenth century The first full scale deconstructive study of Augustan poetry *Quests of Difference* at once offers a fresh and compelling reading of Pope and makes an important contribution to constructive criticism Though it will be of particular interest and importance to specialists in both eighteenth century studies and criticism and theory *Quests of Difference* is written with the general reader in mind All readers will appreciate the intelligence and balance of Atkin s approach as well as the clarity informality and grace that distinguish his writing

Quests of Difference George Douglas Atkins, 2021-11-21 In this eminently readable book G Douglas Atkins continues the efforts undertaken in *Reading Deconstruction* Deconstructive Reading to open eighteenth century texts to the insights of recent critical theory Through close readings of most of Pope s major poems Atkins demonstrates how the powerful theoretical movement known as deconstruction enriches challenges and significantly modifies our understanding of the work of the greatest poet of the eighteenth century The first full scale deconstructive study of Augustan poetry *Quests of Difference* at once offers a fresh and compelling reading of Pope and makes an important contribution to constructive criticism Though it will be of particular interest and importance to specialists in both eighteenth century studies and criticism and theory *Quests of Difference* is written with the general reader in mind All readers will appreciate the intelligence and balance of Atkin s approach as well as the clarity informality and grace that distinguish his writing *Swift, Joyce, and the Flight from Home* G. Atkins, 2013-12-03 In a fresh reading of Gulliver s Travels and A Portrait of the Artist as a Young Man Atkins draws parallels between the protagonists both Lemuel Gulliver and Stephen Dedalus flee from the burdens of life seeking a transcendent existence The study sheds important new light on both novels as essential critiques of modern misunderstandings

T.S. Eliot and the Fulfillment of Christian Poetics G. Atkins, 2014-06-23 The culmination of a trilogy that began with T S Eliot Lancelot Andrewes and the Word and continued with T S Eliot The Poet as Christian this gracefully executed new book brings to a triumphant conclusion the unique effort to pinpoint and identify the Christian characteristics of Eliot s poetic art The book offers a close but companionable reading of each of the complex poems that make up Four Quartets the essay poem that is Eliot s masterwork Focusing on the range of speaking voices dramatized Atkins reveals for the first time the Incarnational form that governs the work s purposive movement toward purification and fulfilment of points of view that were represented earlier in the poems **Alexander Pope** Paul Baines, 2002-01-04 So many questions surround the key figures in the English literary canon but most books focus on one aspect of an author s life or work or limit

themselves to a single critical approach Alexander Pope is a comprehensive user friendly guide which offers information on Pope s life contexts and works outline the major critical issues surrounding his works from the time they were written to the present explains the full range of different critical views and interpretations offers guides to further reading in each area discussed **Studien Zum Komischen Epos** Ulrich Broich,1990-10-18 This book is the first comprehensive study of the theory the conventions and the history of the mock heroic genre In the first part Ulrich Broich shows how mock heroic poetry combines the characteristics of various discourses epic comedy parody satire and occasional poetry The second part traces the history of mock heroic poetry **Swift's Satires on Modernism: Battlegrounds of Reading and Writing** G. Atkins,2012-12-17 More than three centuries later Jonathan Swift s writing remains striking and relevant In this engaging study Atkins brings forty plus years of critical experience to bear on some of the greatest satires ever written revealing new contexts for understanding post Reformation reading practices and the development of the modern personal essay **A Contradiction Still** Christa Knellwolf King,1998 This text offers a critique of the views concerning gender and gender roles in Pope s poetry It engages directly with current issues in feminist criticism cultural studies and identity politics

Abandoned Women and Poetic Tradition Lawrence Lipking,1988-09-15 At the heart of poetic tradition is a figure of abandonment a woman forsaken and out of control She appears in writings ancient and modern in the East and the West in high art and popular culture produced by women and by men What accounts for her perennial fascination What is her function in poems and for writers Lawrence Lipking suggests many possibilities In this figure he finds a partial record of women s experience an instrument for the expression of religious love and yearning a voice for psychological fears and finally a model for the poet Abandoned women inspire new ways of reading poems and poetic tradition **The Rape of the Text** Harry M. Solomon,1993 Solomon English Auburn U deconstructs the two centuries of criticism of Pope s long philosophical poem which was loved by his contemporaries and has been denigrated and trivialized by recent critics He concludes that literary critics should not try to interpret philosophy Annotation copyright by Book News Inc Portland OR *The Facts on File Companion to British Poetry* Virginia Brackett,2008 Presents a comprehensive A to Z reference with approximately 400 entries providing facts about British poets and their poetry from the seventeenth and eighteenth centuries **Men's Work** L. Zionkowski,2001-02-02 This book examines how the concept of the poet as a male professional emerged during the Restoration and eighteenth century Analyzing works by writers from Rochester to Johnson Linda Zionkowski argues that the opportunities for publication created by the growth of a commercial market in texts profoundly challenged aristocratic conceptions of authorship and altered the status of professional poets on the hierarchies of class and gender The book proposes that during this period discourse about the poet s social role both revealed and produced a crucial shift in configurations of masculinity the belief that commodifying their mental labor undermined writers cultural authority gave way to a celebration of the market s function as the proving ground for both literary merit and bourgeois manhood A History

of Ambiguity Anthony Ossa-Richardson, 2021-12-14 Ever since it was first published in 1930 William Empson's *Seven Types of Ambiguity* has been perceived as a milestone in literary criticism far from being an impediment to communication ambiguity now seemed an index of poetic richness and expressive power Little however has been written on the broader trajectory of Western thought about ambiguity before Empson as a result the nature of his innovation has been poorly understood A History of Ambiguity remedies this omission Starting with classical grammar and rhetoric and moving on to moral theology law biblical exegesis German philosophy and literary criticism Anthony Ossa Richardson explores the many ways in which readers and theorists posited denied conceptualised and argued over the existence of multiple meanings in texts between antiquity and the twentieth century This process took on a variety of interconnected forms from the Renaissance delight in the elegance of ambiguities in Horace through the extraordinary Catholic claim that Scripture could contain multiple literal and not just allegorical senses to the theory of dramatic irony developed in the nineteenth century a theory intertwined with discoveries of the double meanings in Greek tragedy Such narratives are not merely of antiquarian interest rather they provide an insight into the foundations of modern criticism revealing deep resonances between acts of interpretation in disparate eras and contexts A History of Ambiguity lays bare the long tradition of efforts to liberate language and even a poet's intention from the strictures of a single meaning

English Versions of Roman Satire in the Earlier Eighteenth Century William Kupersmith, 2007 This book discusses Imitations of the ancient Roman verse satirists Horace Juvenal and Persius published in Britain in the first half of the eighteenth century It endeavors to put major writers such as Alexander Pope and Samuel Johnson in the context of lesser writers of the period It also devotes attention to other canonical writers such as Jonathan Swift Henry Fielding and Christopher Smart

T.S. Eliot and the Failure to Connect G. Atkins, 2013-08-29 Here G Douglas Atkins offers a fresh new reading of the past century's most famous poem in English T S Eliot's *The Waste Land* 1922 Using a comparatist approach that is both intra textual and inter textual this book is a bold analysis of satire of modern forms of misunderstanding

The Skeptical Sublime James Noggle, 2001 This title examines the role of scepticism in initiating the idea of the sublime in early modern British literature James Noggle draws on philosophy intellectual history and critical theory to illuminate the aesthetic ideology of Pope Swift Dryden and Rochester among other important writers of the period The Skeptical Sublime compares the view of sublimity presented by these authors with that of the dominant liberal tradition of 18th century criticism to offer a new understanding of how these writers helped construct proto aesthetic categories that stabilized British culture after years of civil war and revolution while at the same time their scepticism allowed them to express ambivalence about the emerging social order

Jonathan Swift Nigel Wood, 2014-06-11 This collection of critical thinking situates the satire of Jonathan Swift within both its eighteenth century contexts and our modern anxieties about personal identity and communication Augustan satire at its most provocative is not simply concerned with the public matters of politics or religion but also offers a precise medium in which to express the paradox of ironic detachment

amidst deep conviction The critics chosen for this volume demonstrate the complexity of Swift s work Its four sections explore matters of authorial identity the relation between Swift s writing and its historical context the full range of his comments on gender and his deployment of metaphor and irony to engage the reader Swift has often been regarded as a writer who anticipated many twentieth century cultural preoccupations and this volume provides an opportunity to test just how modern he actually was It also provides an answer to those who would wish to simplify his writing as that of Tory and misogynist The theoretical perspectives of the contributors are lucidly explained and their critical terms located in the wider contexts of contemporary theory in the introduction and headnotes The volume places Swift historically within the philosophical and religious traditions of eighteenth century thought **Sordid Images** Steve Clark,2003-09-02 In this extraordinary and bold book S H Clark explores and constructs a history of poetic misogyny For the first time a wide range of English poetry by men is examined for evidence of the articulation of heterosexual masculine desires But Clark goes beyond a straightforward oppositional model of reading the male canon to ask how we read this work after feminism and whether it is possible to value these texts as misogynist texts in the light of feminist theory Sordid Images is a challenging controversial book It will excite and unsettle its readers and inspire many to look again at some of the cornerstone works of English literature Literary Paths to Religious Understanding G. Atkins,2009-12-07 This highly readable book represents a unique approach to the controverted matter of the relations of literature and religion eschewing linear argument in favor of a nuanced essayistic manner that elucidates texts and issues of immediate and lasting concern T.S. Eliot Materialized: Literal Meaning and Embodied Truth G. Atkins,2012-10-30 By reading T S Eliot literally and laterally and attending to his intra textuality G Douglas Atkins challenges the familiar notion of Eliot as bent on escaping this world for the spiritual This study culminates in the necessary but seemingly impossible union of reading and writing literature and commentary

This is likewise one of the factors by obtaining the soft documents of this **Quests Of Difference Reading Popes Poems** by online. You might not require more grow old to spend to go to the ebook start as competently as search for them. In some cases, you likewise complete not discover the revelation Quests Of Difference Reading Popes Poems that you are looking for. It will extremely squander the time.

However below, like you visit this web page, it will be hence completely easy to get as capably as download guide Quests Of Difference Reading Popes Poems

It will not receive many times as we run by before. You can get it though fake something else at house and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we have enough money below as without difficulty as review **Quests Of Difference Reading Popes Poems** what you with to read!
