The Formation of Mexican National Consciousness
1531-1813

Translated by Benjamin Keen

With a Foreword by Octavio Paz

Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813

Stafford Poole

Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813:

Quetzalcoatl and Guadalupe Jacques Lafaye, 1987-08-15 In this study of complex beliefs in which Aztec religion and Spanish Catholicism blend Lafaye demonstrates the importance of religious beliefs in the formation of the Mexican nation Far from being of only parochial interest this volume is of great value to any historian of religions concerned with problems of nativism and syncretism Franke J Neumann Religious Studies Review

Quetzalcóatl and Guadalupe Jacques Lafaye, 1987

The triumph of the Virgin of Guadalupe Sir John Huxtable Elliott, [The Return to Coatlicue](#) Grisel Gomez Cano, 2010-09-13 Folklore yields important information about society and culture helping to propagate beliefs morals and values The study of Mesoamerican folklore offers a unique opportunity for understanding the religious syncretism occurring when powerful groups colonize others This work provides insight into a selected number of narratives rituals and artifacts originating from pre Conquest colonial and revolutionary periods The purpose is to disclose issues of militarism religious syncretism resistance and gender relations in Mexican society

The Virgin of Guadalupe Maxwell E. Johnson, 2002 The appearance of the Virgin Mary on a hill in Guadalupe Mexico in 1531 is perhaps the central tradition in Latino Catholicism The vision allegedly seen by recent convert Juan Diego signalled the rise of Catholicism in the New World at a time when Protestantism was spreading throughout the old world So what could a male anglo protestant liturgist possibly have to say on the subject In *The Virgin of Guadalupe* Lutheran minister Maxwell Johnson recognizes that this tradition is not only important to Latin American Catholics but to all Latin American Christians Acknowledging the significance if not necessarily the historical accuracy of the appearance of the Virgin is not simply a Roman Catholic need by a necessity for all Christian churches among whom the Hispanic presence is growing This is shown by the increased commemoration of Juan Diego on December 9 or of the Virgin of Guadalupe herself on December 12 on Protestant calendars This increased recognition among Protestants coincides with the Pope s canonization of Saint Juan Diego in the summer of 2002 In step with this movement Johnson considers the Virgin of Guadalupe from a Lutheran perspective and looks at ways in which she might be received into the evangelical or Protestant tradition

Nahuatl Theater: Our Lady of Guadalupe Barry D. Sell, Louise M. Burkhart, 2006-12-01 The foundation legend of the Mexican devotion to Our Lady of Guadalupe is one of the most appealing and beloved of all religious stories In this volume editors Barry D Sell Louise M Burkhart and Stafford Poole present the only known colonial Nahuatl language dramas based on the Virgin of Guadalupe story the Dialogue of the Apparition of the Virgin Saint Mary of Guadalupe an anonymous work from the late seventeenth or early eighteenth century and *The Mexican Portent* authored by creole priest Joseph P rez de la Fuente in the early eighteenth century The plays never before published in English translation are vital works in the history of the Guadalupe devotion for they show how her story was presented to native people at a time when it was not universally known Faithful transcriptions and translations of the plays are accompanied here by introductory essays by Poole and Burkhart and by three additional previously unpublished

Guadalupe texts in Nahuatl This volume is the second in a four volume series titled Nahuatl Theater edited by Sell and Burkhart

Theologies of Guadalupe Timothy Matovina, 2019 Theologies of Guadalupe examines theological writings about Mexico's most renowned religious tradition from the colonial era to the present It also explores how the Guadalupe cult rose above all others in colonial Mexico and emerged from a local devotion to become a regional national and then international phenomenon

Caminemos con Jesu Roberto S. Goizueta, 1995-01-01 While the growth in both numbers and influence of Hispanics in North American Catholicism and Protestantism has been commented on widely up until now there has been no systematic attempt to define a Hispanic theology Roberto Goizueta a Cuban American theologian aware that Hispanic and Latino can be terms imposed artificially on diverse peoples finds a common link in the Spanish language and in a shared culture Central to this culture is the experience of exile of being a people at the margins of a society who must find and make their way together Central also is faith and its grounding in this experience of being in exile In delineating the very particular nature and worldview of Hispanic Latino theology *Caminemos con Jesus* challenges both traditional Euro American theologies and modern Western epistemological assumptions It examines the implications of this theological method for the Church and the academy as well as for the future of the Latino community and North American society *Caminemos con Jesus* provides lessons in discipleship for non Hispanics and Hispanics alike for students of contemporary theology and all those engaged in pastoral and church based work

The Guadalupe Controversies in Mexico Stafford Poole, 2006 This is the first and only comprehensive work to deal with a relatively unknown facet of Mexican social and religious history the debates over the historicity of the Guadalupe apparitions and the historical existence of Juan Diego

Soldaderas in the Mexican Military Elizabeth Salas, 2010-07-04 This study explores the evolving role of women soldiers in Mexico as both fighters and cultural symbols from the pre Columbian era to the present Since pre Columbian times soldiering has been a traditional life experience for innumerable women in Mexico Yet the many names given these women warriors heroines camp followers Amazons coronelas soldadas soldaderas and Adelitas indicate their ambivalent position within Mexican society In this original study Elizabeth Salas challenges many traditional stereotypes shedding new light on the significance of these women Drawing on military archival data anthropological studies and oral history interviews Salas first explores the real roles played by Mexican women in armed conflicts She finds that most of the functions performed by women easily equate to those performed by revolutionaries and male soldiers in the quartermaster corps and regular ranks She then turns her attention to the soldadera as a continuing symbol examining the image of the soldadera in literature corridos art music and film Salas finds that the fundamental realities of war link all Mexican women regardless of time period social class or nom de guerre

Alva Ixtlilxochitl's Native Archive and the Circulation of Knowledge in Colonial Mexico Amber Brian, 2016-07-12 Modern Language Association's Katherine Singer Kovacs Prize Honorable Mention 2016 Born between 1568 and 1580 Alva Ixtlilxochitl was a direct descendant of Ixtlilxochitl I and Ixtlilxochitl II who had been rulers of Texcoco one of the major city

states in pre Conquest Mesoamerica After a distinguished education and introduction into the life of the empire of New Spain in Mexico Ixtlilxochitl was employed by the viceroy to write histories of the indigenous peoples in Mexico Engaging with this history and delving deep into the resultant archives of this life s work Amber Brian addresses the question of how knowledge and history came to be crafted in this era Brian takes the reader through not only the history of the archives itself but explores how its inheritors played as crucial a role in shaping this indigenous history as the author The archive helped inspire an emerging nationalism at a crucial juncture in Latin American history as Creoles and indigenous peoples appropriated the history to give rise to a belief in Mexican exceptionalism This belief ultimately shaped the modern state and impacted the course of history in the Americas Without the work of Ixtlilxochitl that history would look very different today **Archival Reflections** Santiago Juan-Navarro,2000 Due to its scope and perspective this work has a relevance that extends far beyond the conventional bounds of literary studies Concerned as it is with issues of historical understanding culture and politics it has implications for the literary histories of Spanish America and the United States as well as for the fields of inter American and cultural studies literary theory and historiography **BOOK JACKET** *The Mexican Reformation* Joel Morales Cruz,2011-05-11 Common wisdom holds that Latin America is a uniformly Roman Catholic continent and Protestant churches only entered as a result of British or U S expansionism following the Spanish American independence movements Closer inspection however reveals a far different and more exciting reality As *The Mexican Reformation* reveals the Catholic Church in the colonial era was far from monolithic exhibiting a diversity of expressions and perspectives that interacted with and were sometimes at odds with one another In the mid nineteenth century one such group sought to reform the Catholic Church in line with some of the policies set forth by the government of Benito Juarez This movement eventually known as the Iglesia de Jesus would lay the foundation for the emergence of Protestant churches in Mexico Its roots in the worldview of the baroque and in the challenges of the Catholic Enlightenment provide an insight into the evolution of a distinctly Mexican Protestantism within its social and political contexts as well as a window into the processes underlying the development of religious expressions in Latin America **The Faith of the People** Orlando O. Espín,1997 Shows how popular Catholicism represents for the Latino community a font of living revelation and the source of a vital theological insight into such areas as the nature of God the Trinity Christology and salvation *Woman And Art in Early Modern Latin America* Kellen Kee MacIntyre,Richard E. Phillips,2007 This illustrated anthology brings together for the first time a collection of essays that explore the position of women and the contributions made by them to the arts and architecture of early modern Latin America **Orozco's American Epic** Mary K. Coffey,2020-02-28 Between 1932 and 1934 Jos Clemente Orozco painted the twenty four panel mural cycle entitled *The Epic of American Civilization* in Dartmouth College s Baker Berry Library An artifact of Orozco s migration from Mexico to the United States the Epic represents a turning point in his career standing as the only fresco in which he explores both US American and Mexican narratives of national history progress and identity

While his title invokes the heroic epic form the mural indicts history as complicit in colonial violence It questions the claims of Manifest Destiny in the United States and the Mexican desire to mend the wounds of conquest in pursuit of a postcolonial national project In *Orozco's American Epic* Mary K Coffey places Orozco in the context of his contemporaries such as Diego Rivera and David Alfaro Siqueiros and demonstrates the Epic's power as a melancholic critique of official indigenism industrial progress and Marxist messianism In the process Coffey finds within Orozco's work a call for justice that resonates with contemporary debates about race immigration borders and nationality

Miracles on the Border Jorge Durand, Douglas S. Massey, 2020-05-01 This vivid study richly illustrated with forty color photographs offers a multilayered analysis of retablos folk images painted on tin that are offered as votives of thanks for a miracle granted or a favor bestowed created by Mexican migrants to the United States Durand and Massey analyze 124 contemporary retablo texts scrutinizing the shifting subjects and themes that constitute a running record of the migrant's unique experience The result is a vivid work of synthesis that connects the history of an art form and a people links two very different cultures and allows a deeper understanding of a major twentieth century theme the drama of transnational migration

Plotting Women Jean Franco, 1989 Where is the common ground for feminist theory and Latin American culture Jean Franco explores Mexican women's struggle for interpretive power in relation to the Catholic religion the nation and post modern society and examines the writings of women who wrote under the shadow of recognized male writers as well as the works of more marginal figures In this original and skillfully written book Franco demonstrates the many feminisms that emerge in apparently rigid and adverse situations and provides the foundation for a more comprehensive less ethnocentric feminist theory

Across the Great Divide Matthew Basso, Laura McCall, Dee Garceau, 2013-10-18 In *Across the Great Divide* some of our leading historians look to both the history of masculinity in the West and to the ways that this experience has been represented in movies popular music dime store novels and folklore

The Sacralization of Space and Behavior in the Early Modern World Dr Jennifer DeSilva, 2015-04-28 This book explores individual and community involvement in the approbation reconfiguration and regulation of early modern sacred spaces and the behavior both animal and human within them Based on new archival research chapters examine diverse aspects of the campaigns to transform Christian behavior within a variety of types of sacred space and through a spectrum of media Essays give voice to the arguments and accusations that surrounded the activities taking place in sacred space and reveal much about how people made sense of these transformations

Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 has opened up a world of possibilities. Downloading Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading

Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Quetzalcoatl And Guadalupe The Formation Of Mexican National Consciousness 1531 1813 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
