Sunderland,2002-05-31 Gender and discourse interface in many more epistemological sites than can be represented in one collection Gender Identity and Discourse Analysis therefore focuses on a principled diversity of key sites within four broad areas the media sexuality education and parenthood The different chapters together illustrate how taking a discourse perspective facilitates understanding of the complex and subtle ways in which gender is represented constructed and contested through language The book engages critically with long running and on going debates but also reflects and develops current understandings of gender identity and discourse particularly the shift from gender differences to the discursual shaping of gender Gender Identity and Discourse Analysis thus offers not only insights and methodologies of new empirical studies but also careful theorisations in particular of discourse text identity and gender The collection is a valuable resource for researchers postgraduates and advanced undergraduates working in the area of gender and discourse The Conquests of Alexander the Great Waldemar Heckel,2012-03-29 In this book Waldemar Heckel traces the rise and eventual fall of one of the most successful military commanders in history In 325 BCE Alexander and his conquering army prepared to return home after overcoming everything in their path armies terrain climate all invariably hostile Little did they know that within two years their beloved king would be dead and their labours seemingly wasted Tracing the rise and eventual fall of one of the most successful military commanders in history Heckel engagingly and with great detail shows us how Alexander earned his appellation The Great Humor in Interaction Neal R. Norrick,Delia Chiaro,2009 The occasioning of self disclosure humor Susan M Ervin Tripp Martin Lampert Direct address as a resource for humor Neal R Norrick Claudia Bubel An interactional approach to irony development Helga Kotthoff Multimodal and intertextual humor in the media reception situation the case of watching football on TV Cornelia Gerhardt Using humor to do masculinity at work Stephanie Schnurr Janet Holmes Boundary marking humor institutional gender and ethnic demarcation in the workplace Bernadette Vine et al Impolite responses to failed humor Nancy D Bell Failed humor in conversation a double voicing analysis B atrice Priego Valverde **Say Not to Say** Luigi Anolli,Rita Ciceri,Giuseppe Riva,2002 This text explores the major ways in which miscommunication can be experienced in our daily life **Alexander and the East** A. B. Bosworth,1996 In this study Brian Bosworth looks at the critical period between 329 and 325 BC when Alexander the Great was active in Central Asia and what is now Pakistan He documents Alexander s relations with the peoples he conquered and addresses the question of what it meant to be on the receiving end of the conquest drawing a bleak picture of massacre and repression At the same time Alexander s views of empire are investigated his attitude to his subjects and the development of his concepts of personal divinity and universal monarchy Analogies are thus drawn with the Spanish conquest of Mexico which has a comparable historiographical tradition and parallels many of Alexander s dealings with his subjects Although of concern to the specialist this book is equally directed at the general reader interested in the history of Alexander and the morality of empire

**Gender in Interaction** Bettina Baron,Helga Kotthoff,2002-04-12 In this volume gender is seen as a communicative

achievement and as a social category interacting with other social parameters such as age status prestige institutional and ethnic frameworks cultural and situative contexts The authors come from a variety of backgrounds such as sociology of communication anthropological linguistics sociolinguistics social psychology and text linguistics Masculinity and femininity are conceived of as varying culturally historically and contextually All contributions discuss empirical research of communication and the question of whether and how gender is a salient variable in discourse So one aim of the book is to trace the varying relevance of gender in interaction Emotion politics ideology body concepts and speech styles are related to ethnographic description of the contexts within which communication takes place These contexts range from private to public communication and from mixed sex to same sex conversations framed by different cultural backgrounds Australian German Georgian Turkish US American

The Linguistics of Humor Salvatore Attardo, 2020-06-25 This book is the first comprehensive and systematic introduction to the linguistics of humor Salvatore Attardo takes a broad approach to the topic exploring not only theoretical linguistic analyses but also pragmatic and semantic aspects conversation and discourse analysis ethnomethodology and interactionist and variationist sociolinguistics The volume begins with chapters that introduce the terminology and conceptual and methodological apparatus as well as outlining the major theories in the field and examining incongruity and resolution and the semiotics of humor The second part of the book explores humor competence with chapters that cover semantic and pragmatic topics the General Theory of Verbal Humor and puns and their interpretation The third part provides an in depth discussion of the applied linguistics of humor and examines social context discourse and conversation analysis and sociolinguistic aspects In the final part of the book the discussion is extended beyond the central field of linguistics with chapters discussing humor in literature in translation and in the classroom The volume brings together the multiple strands of current knowledge about humor and linguistics both theoretical and applied it assumes no prior background in humor studies and will be a valuable resource for students from advanced undergraduate level upwards particularly those coming to linguistics from related disciplines

*December 1941* Evan Mawdsley, 2011-12-01 An account of the dramatic turning point in World War II that marked the dawn of American might and the struggle for supremacy in Southeast Asia Times Higher Education In far flung locations around the globe an unparalleled sequence of international events took place between December 1 and December 12 1941 In this riveting book historian Evan Mawdsley explores how the story unfolded On Monday December 1 1941 the Japanese government made its final decision to attack Britain and America In the following days the Red Army launched a counterthrust in Moscow while the Japanese bombed Pearl Harbor and invaded Malaya By December 12 Hitler had declared war on the United States the collapse of British forces in Malaya had begun and Hitler had secretly laid out his policy of genocide Churchill was leaving London to meet Roosevelt as Anthony Eden arrived in Russia to discuss the postwar world with Stalin Combined these occurrences brought about a new war as Churchill put it with Japan and America deeply involved and Russia resurgent This book a truly

international history examines the momentous happenings of December 1941 from a variety of perspectives It shows that their significance is clearly understood only when they are viewed together Marks the change from a continental war into a global war in an original and interesting way The Sunday Telegraph Seven Books of the Year Suspenseful Mawdsley embarks on the action from the first day and never lets up in this crisp chronological study A rigorous sharp survey of this decisive moment in the war Kirkus Reviews      **Behind the Front Lines of the Civil War** Vladimir N. Brovkin, 2015-03-08

Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin's view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Making War, Forging Revolution* Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures      Imagining Women Frances Bonner, 1992
