

A close-up, profile view of a woman's face, looking upwards and to the right. Her eyes are closed, and she has a serene expression. Her dark hair is pulled back. She is wearing a large, ornate hoop earring. The image is overlaid with a grid of thick, dark brown ropes, creating a cage-like effect. The background is a light, neutral color.

Maude Cameron And Her Guardian Anon Anonymous,2013-04-05 A modern narrative being the most refined description ever yet published of the sensual pleasure to be derived from the humiliation and chastisement of young ladies Written by a gentleman expert **Maude Cameron and Her Guardian** ,1985 **Maude Cameron and Her Guardian** Anonymous,2011-09 **Maude Cameron and Her Guardian** Grove/Atlantic, Incorporated,1985-01-01 Maude Cameron and Her Guardian Anonymous,2015-09-30 being the most refined description ever yet published of the sensual pleasure to be derived from the humiliation and chastisement of young ladies Written by a gentleman expert Forty four year old Charles Cameron coming into fortune and being cultured and world travelled retires early from his life as a London lawyer to enjoy the refinements that one of his status and wealth is justly afforded Yet his peaceful retirement is about to be imposed upon by a young lady by the name of Maud Rivers whom Charles is burdened to act as guardian When Maud defies his orders and steals a particularity lascivious volume of literary erotica from his forbidden bookcases Mr Cameron is more than eager to apply the birch and rod to her naive and uneducated posterior What follows is a delicious tale of Maud s training in the practices of Libertinage by a sexually domineering disciplinarian This rarely seen gem of post Victorian erotica anonymously written in 1903 will be sure to titillate and tantalize readers a century after it was originally written Locus Elm Press is proud to present the work in its original and complete two volume entirety *Clandestine Erotic Fiction in English 1800-1930* Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi **A Study of Erotic Literature in England** W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or

his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation *The Anatomy of Censorship* Jay Elwood Daily,1973 **Maud Cameron and Her Guardian** ,1903 **Library Journal** ,1985 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Maud Cameron and Her Guardian** ,1960 *The Red Earl* Selina Hastings,2014-10-09 In *The Red Earl* Selina Hastings tells the extraordinary story of her father Jack Hastings 16th Earl of Huntingdon In 1925 Hastings infuriated his ultra conservative parents by turning his back on centuries of tradition to make a scandalous run away marriage With his beautiful Italian wife he then left England for the other side of the world further enraging his family by determining on a career as a painter The couple settled first in Australia then on the island of Moorea in the South Pacific Here they led an idyllic existence until a bizarre accident forced them to leave the tropics forever En route back to England they stopped for a year in California where Hastings continued to paint while enjoying a glamorous social life with actors such as Charlie Chaplin and Douglas Fairbanks While in San Francisco Hastings met the great Mexican artist Diego Rivera and persuaded him to take him on as an assistant For the next nearly four years he lived at close quarters with Rivera and with his wife Frida Kahlo first in San Francisco then Detroit and finally Mexico City When eventually Hastings returned home it was to be faced with fighting on all fronts in Spain during the Civil War in England with his parents and lastly with his wife determined to keep him locked into a marriage from which by now he was desperate to escape This enthralling story superbly well written not only gives a new perspective on two of the 20th century s greatest artists Rivera and Kahlo but also reveals in fascinating detail the private life of an aristocratic family of 100 years ago **Books in Print** ,1977 *The Publisher* ,1905 *Charles Carrington (1867-1921)* Howard Guacamole,2021-06-03 Charles Carrington mit Geburtsnamen Paul Ferdinando stammte aus einfachen Verh ltnissen Bereits in jungen Jahren handelte er mit gebrauchten B chern und eignete sich im Laufe der Zeit betr chtliches Wissen an Nach erfolglosen Versuchen als B rsenmakler setzte er sich nach Paris ab heiratete eine Franz sin und etablierte sich als Buchh ndler und Verleger fl 1895 913 Er spezialisierte sich auf Sittengeschichte und Erotica legte aber gro en Wert auf seine Produkte und hatte den Ehrgeiz mit der Kelmscott Press zu konkurrieren Er publizierte auf Franz sisch und Englisch teils in parallelen Ausgaben wobei die franz sischen purgiert waren Besonderes Interesse zeigte er an den Vertretern der D cadence so verlegte er Werke
