Maurice Man And Moralist:

Maurice, Man and Moralist, 1805-1872 Frank Mauldin McClain, 1972 Maurice: Man and Moralist Frank Mauldin McClain, 1972 Frederick Denison Maurice one of the greatest of Victorian churchmen died on 1 April 1872 and this book marks the centenary of his death Popularly known as one of the early leaders of the Christian Socialist movement he was for many years a Professor first of English Literature and later of Theology at Kings College London as well as a pioneer of education for working class men Much has been written about Maurice s theological and ethical teaching Dr McClain s purpose in this book is to shed fresh light on the teaching by revealing the psychological influences which helped to shape it chiefly his personal relationships He begins with an intimate picture of Maurice s family life which from childhood was largely dominated by womenfolk his mother his eight sisters and especially his second wife all of whom were emotionally demanding characters For this absorbing study the author has had access to a large body of domestic and personal documents and letters hitherto unpublished which show how his family friends and other associates not only shaped the character of the man but actually provided the social setting which inspired his concept of the Kingdom of God Publisher

Maurice Frank Mauldin MacClain, 1972 **Worship and Ethics** Oswald Bayer, Alan Suggate, 2013-02-06 No detailed description available for *Worship and Ethics* *Aligning Mind and Heart* Chris Heasley, Robert Palestini, 2021-12-08 This book is a go to guide for school leadership Content includes organization structure transformative leadership effective communication decision making models strategic planning and leadership through change just to name a few If an administrator can master the knowledge and skills encompassed in this book and do it with heart they will be poised for leadership success Chapter case studies provide adult leaders an opportunity to explore their new knowledge in real life based scenarios with guided diagnostic questions for further contemplation A Eucharist-shaped Church Daniel J. Handschy, Donna R. Hawk-Reinhard, Marshall E. Crossnoe, 2022-03-02 A Eucharist shaped Church Prayer Theology Mission places a range of Anglican and Episcopal eucharistic theologies in their historical contexts paying attention to the interplay between worship theology and mission It then applies these considerations to possible liturgical revisions *Generous Ecclesiology* Julie Gittoes, 2014-07-28 *Generous Ecclesiology* seeks to present a positive theological response to the issues raised by Mission Shaped Church and For the Parish The former reminds us that the church is to engage in creative and imaginative ways with our missionary calling The latter affirms the place of inherited patterns and structures which cannot simply be discarded **Sidgwick's Ethics and Victorian Moral Philosophy** Jerome B. Schneewind, 1977 Henry Sidgwick s *The Methods of Ethics* challenges comparison as no other work in moral philosophy with Aristotle s *Ethics* in the depth of its understanding of practical rationality and in its architectural coherence it rivals the work of Kant In this historical rather than critical study Professor Schneewind shows how Sidgwick s arguments and conclusions represent rational developments of the work of Sidgwick s predecessors and brings out the nature and structure of the reasoning underlying his position

The Victorian Christian Socialists Edward R. Norman, 2002-10-03 Victorian Christian Socialism began as a protest against industrial evils by a group of Anglicans in 1848 the year of the great Chartist demonstration In F D Maurice it had a prophet and a thinker whose ideas inspired subsequent Christians so that the ideals of the original Christian Socialists began to spread to other Churches The result was a series of critiques of the England of their day rather than a systematic movement and is best analysed as it is in this book through an examination of the leading figures who in addition to Maurice include Charles Kingsley Thomas Hughes and John Ruskin The present study is not a collection of biographical studies however but a history of Christian Socialism constructed around the most influential of its advocates They are shown to have been ethical and educational reformers rather than politicians but in their ability to stand outside the common assumptions and prejudices of their day they achieved social criticism of lasting value

Theology in Turmoil Alan P.F. Sell, 1998-05-13 In Theology in Turmoil Alan Sell examines the controversy between conservatives and liberals The perennially important question What is the Christian gospel was writes the author thrust to the fore in that debate between theological conservatives and liberals which was at its height between 1890 and 1930 and of which echoes may be heard to this day In this book I seek to trace the roots of this debate to outline its course and draw some lessons from it

Brahmin Prophet Gillis J. Harp, 2003-09-03 The Reverend Phillips Brooks was undeniably one of the most popular preachers of Gilded Age America and the author of the beloved Christmas carol O Little Town of Bethlehem However very few critical studies of his life and work exist In this insightful book Gillis J Harp places Brooks s religious thought in its proper historical cultural and ecclesiastical contexts while clarifying the sources of Brooks s inspiration The result is a fuller richer portrait of this luminous figure and of this transitional era in American protestantism

Defining the Victorian Nation Catherine Hall, Keith McClelland, Jane Rendall, 2000-05-25 Defining the Victorian Nation offers a fresh perspective on one of the most significant pieces of legislation in nineteenth century Britain Hall McClelland and Rendall demonstrate that the Second Reform Act was marked by controversy about the extension of the vote new concepts of masculinity and the masculine voter the beginnings of the women s suffrage movement and a parallel debate about the meanings and forms of national belonging Fascinating illustrations illuminate the argument and a detailed chronology biographical notes and a selected bibliography offer further support to the student reader

The Church in History John E. Booty, 2003-01-03 This unique approach to understanding the history of the Anglican and Episcopal Churches was originally part of the 1979 Church s Teaching Series Rather than writing a simple chronological history of the Church John Booty one of the premier experts in church history explores the subject thematically Booty addresses four major areas the Church and its essential nature how a weak and faltering Church can be renewed and reformed how Christ culture church and state relate to one another the Church s historical and current understanding of its mission Throughout Booty concentrates not only on the history itself but how that history relates to today s Church Excellent for course work or for lay study John Booty taught Church History at Virginia Seminary and the

Episcopal Theological School He was also professor of Anglican Studies at The University of the South where he served as Dean of the School of Theology He currently resides in Center Sandwich New Hampshire [Henry Longueville Mansel](#) Francesca Norman,2023-09-25 Henry Longueville Mansel 1820 1871 Anglican theologian and philosopher has wrongly been remembered as a Kantian agnostic whose ideas led to those of Herbert Spencer Francesca Norman s book provides a thorough revisioning of Mansel s theology in context and reveals the personal basis of Spencer s animus towards Mansel Mansel is revealed as an orthodox Anglican theistic personalist whose ideas inspired Newman to write his Grammar of Assent Located in context Mansel s personal connections with leading Tory figures such as Lord Carnarvon and Benjamin Disraeli are explored Key controversies with Frederick Denison Maurice and John Stuart Mill are interpreted with reference to the party political elections of 1859 and 1865 Norman offers a vital vision of nineteenth century theology philosophy and politics

Emily Davies and the Mid-Victorian Women's Movement John Hendry,2024-05-30 The first scholarly biography of Emily Davies a central figure in the women s movement of the long 1860s and a significant new account of that movement including its institutional origins its social political religious and intellectual allegiances and its relation to other major social and intellectual developments of the period

Imagining Socialism Mark A. Allison,2021 Socialism names a form of collective life that has never been fully realized consequently it is best understood as a goal to be imagined So this study argues and thereby uncovers an aesthetic impulse that animates some of the most consequential socialist writing thought and practice of the long nineteenth century Imagining Socialism explores this tradition of radical activism investigating the diverse ways that British socialists from Robert Owen to the mid century Christian Socialists to William Morris marshalled the resources of the aesthetic in their efforts to surmount politics and develop non governmental forms of collective life Their ambitious attempts at social regeneration led some socialists to explore the liberatory possibilities afforded by cooperative labor women s emancipation political violence and the power of the arts themselves Imagining Socialism demonstrates that far from being confined to the socialist revival of the fin de si cle important socialist experiments with the emancipatory potential of the aesthetic in Britain may be found throughout the period it calls the socialist century and may still inspire us today

Religious Thought in the Victorian Age Bernard M. G. Reardon,2014-09-12 An account of the intellectual and theological ferment of nineteenth century Britain the dynamic period when so many of the ideas and attitudes we take for granted today were first established including the impact of biblical criticism upon traditional theology and the belief in a social as well as a spiritual mission for the Church Key figures include Coleridge Newman Carlyle Matthew Arnold and F D Maurice Unavailable for some time the reappearance of this updated Second Edition will be welcomed by theologians and intellectual and literary historians alike

The Monthly Christian Spectator. 1851-1859 ,1854 **The Monthly Christian spectator** ,1855 [The Oxford Dictionary of the Christian Church](#) Andrew Louth,2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference

work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader
