In the Footsteps of the Quiet Man Gerry Mcnee,2012-04-13 Turned down by all the major film companies The Quiet Man brought together John Wayne and Maureen O Hara for only the second time on screen won two Oscars and was showered with both critical and popular praise on both sides of the Atlantic Even today its worldwide video and DVD sales are quite outstanding The Quiet Man is rightly hailed as a Hollywood classic Set in the 1920s and shot in the 1950s the timeless fairy tale character of director John Ford s Ireland is as captivating now as it ever was Gerry McNee first saw the movie when he was very young and it has intrigued him ever since In the Footsteps of the Quiet Man is a tribute to the film

and all those involved in its making for the story behind the story the off screen drama is a fascinating tale in itself McNee has researched his subject thoroughly and conducted countless interviews to produce a stimulating and compulsive homage to what critic and author Andrew Sarris called a retreat into the pastoral and horse driven past but very much ahead of its time In the Footsteps of the Quiet Man is a revealing and touching account of when Hollywood came to beautiful Connemara in the West of Ireland It is a fitting tribute to the film and all those involved in its making as the story behind the film the off screen drama is an enthralling tale in itself The Little Book of Stillorgan Hugh Oram,2017-10-09 The Little Book of Stillorgan is a compendium of fascinating obscure strange and entertaining facts about this vibrant suburb of Dublin This book takes the reader on a journey through Stillorgan and its vibrant past Here you will discover Stillorgan s rural past its famous sons and daughters its churches pubs shops and schools its industries and sporting heritage and its natural history You will also glimpse a darker side to Stillorgan with a look at crime and unrest in the district A reliable reference book and a quirky guide this can be dipped into time and time again to reveal something new about the people the heritage and the secrets of this south Dublin suburb **Stranger Magic** Marina Warner,2012-03-03 Our foremost theorist of myth fairytale and folktale explores the magical realm of the imagination where carpets fly and genies grant prophetic wishes Stranger Magic examines the profound impact of the Arabian Nights on the West the progressive exoticization of magic and the growing acceptance of myth and magic in contemporary experience The Fine Art of Being Imperfect R. Maurice Boyd,1998 The author invites the reader into a world of poetry music literature and Scripture It is a world in which we can find God in which we find that we cannot know ourselves apart from God for our knowing is a gesture of God s presence It is a world in which we are accepted by God not because we are perfectly acceptable but because we are perfectly loved Irelands of the Mind Richard C. Allen,Stephen Regan,2009-01-14 Irelands of the Mind Memory and Identity in Modern Irish Culture offers a compelling series of essays on changing images of Ireland from the mid nineteenth century to the present It seeks to understand the various ways in which Ireland has been thought about not only in fiction poetry and drama but in travel writing and tourist brochures nineteenth century newspapers radio talk shows film adaptations of fictional works and the music and songs of Van Morrison and Sin ad O Connor The prevailing theme throughout the twelve essays that constitute the book is the complicated sense of belonging that continues to characterise so much of modern Irish culture Questions of nationhood and national identity are given a new and invigorated treatment in the context of a rapidly changing Ireland and a changing set of intellectual methods and approaches **The Lost Worlds of John Ford** Jeffrey Richards,2020-02-20 The great director John Ford 1894 1973 is best known for classic westerns but his body of work encompasses much more than this single genre Jeffrey Richards develops and broadens our understanding of Ford s film making oeuvre by studying his non Western films through the lens of Ford s life and abiding preoccupations Ford s other cinematic worlds included Ireland the Family Catholicism War and the Sea which share with his westerns the recurrent

themes of memory and loss the plight of outsiders and the tragedy of family breakup Richards revisionist study both provides new insights into familiar films such as *The Fugitive* 1947 *The Quiet Man* 1952 *Gideon's Way* and *The Informer* 1935 and reclaims neglected masterpieces among them *Wee Willie Winkie* 1937 and the extraordinary *The Long Voyage Home* 1940

Searching for John Ford Joseph McBride, 2011-02-11 John Ford's classic films such as *Stagecoach* *The Grapes of Wrath* *How Green Was My Valley* *The Quiet Man* and *The Searchers* have earned him worldwide admiration as America's foremost filmmaker a director whose rich visual imagination conjures up indelible deeply moving images of our collective past Joseph McBride's *Searching for John Ford* described as definitive by both the *New York Times* and the *Irish Times* surpasses all other biographies of the filmmaker in its depth originality and insight Encompassing and illuminating Ford's myriad complexities and contradictions McBride traces the trajectory of Ford's life from his beginnings as Bull Feeney the nearsighted football playing son of Irish immigrants in Portland Maine to his recognition after a long controversial and much honored career as America's national mythmaker Blending lively and penetrating analyses of Ford's films with an impeccably documented narrative of the historical and psychological contexts in which those films were created McBride has at long last given John Ford the biography his stature demands

John Ford Bill Levy, 1998-11-30 John Ford 1894-1973 is universally acknowledged as one of the greatest directors in the history of cinema He is the only person to win four Academy Awards for Direction for *The Informer* 1935 *The Grapes of Wrath* 1940 *How Green Was My Valley* 1941 and *The Quiet Man* 1952 This reference book is a comprehensive guide to his career The volume begins with a biography that looks at Ford as a person a director and a cinematic legend and influence Ford's life is discussed chronologically but the biography repeatedly considers how his early experiences shaped his creative vision and attempts to explain why he was so self destructive and unhappy throughout his career In addition the biography carefully scrutinizes his methods styles techniques and secrets of direction A chronology presents his achievements in capsule form The rest of the book provides detailed information about his many productions and about the response to his works The heart of the volume is a filmography which includes individual entries for 184 films with which Ford was involved as either an actor a director a producer a writer an advisor or an assistant These entries include cast and credit information a plot synopsis critical commentary and excerpts from reviews The book also includes the most extensive annotated bibliography on Ford ever published with more than 1000 entries for books articles dissertations documentaries and even four works of fiction concerning Ford Additional sections of the book provide information about his unrealized projects his radio television and theater work his awards and honors and special collections and archives
