Mauritian Voices New Writing In English:

Mauritian Voices Ron Butlin, 1997 Black African Literature in English, 1997-1999 Bernth Lindfors, 2003 This volume lists the work produced on anglophone black African literature between 1997 and 1999 This bibliographic work is a continuation of the highly acclaimed earlier volumes compiled by Bernth Lindfors Containing about 10 000 entries some of which are annotated to identify the authors discussed it covers books periodical articles papers in edited collections and selective coverage of other relevant sources **The Other Hybrid Archipelago** Peter Hawkins, 2007-01-01 The Other Hybrid Archipelago presents the postcolonial literatures of the Francophone Indian Ocean islands to an Anglophone audience The islands of Madagascar Mauritius Reunion the Comoros and the Seychelles form a region that has a particular cultural identity because of the varied mixture of populations that have settled there and the dominant influence of French colonialism This survey concentrates on the period since the Second World War when most of the islands achieved independence except for Reunion and Mayotte which maintain a regional status within the French Republic The postcolonial approach suggests certain recurrent themes and preoccupations of the islands cultures and an appropriate way to define their recent cultural production while taking account of the burden of their colonial past The rich cocktail of cultural and linguistic influences surveyed is situated in relation to the contemporary political and social context of the islands and their marginal status within the global economy Telling Stories , 2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research **Revolving Around India(s)** Juan Ignacio Oliva-Cruz, Antonia Navarro-Tejero, Isabel Sánchez Berriel, 2020-01-21 This book highlights a variety of approaches to the study of contemporary India and offers a transnational gender and social research perspective on the concepts of Indian tradition the representation of the Indian diaspora and the emergent political activisms in India The contributions suggest questions and answers about the various temporal and spatial loci inherent to India and its gender and ethnic differences The volume analyses different cultural texts and explores how they refer to equality and interculturality or promote discourses of fear and racism The multiple viewpoints

and analyses found in this volume will broaden and stimulate both upcoming outcomes and studies on the future of India

Mythologies of Migration, Vocabularies of Indenture Mariam Pirbhai, 2009-01-01 Pirbhai uses the critical paradigm of indenture history to examine the local literary and cultural histories that have influenced and shaped the development of novel length fiction by writers of the South Asian diaspora in national contexts as diverse as Mauritius South Africa Guyana and Fiji **Little Press Books in Print**, 1997 **Encyclopedic Dictionary of Diasporic Indian English Writing** Manju Jaidka, **The Writing of East and Central Africa** G. D. Killam, 1984 **Stand Magazine**, 1996 *Catalogue of Little Press Books in Print Published in the United Kingdom*, 1997 *Autobiographical Voices* Françoise Lionnet, 1989 Adopting a boldly innovative approach to women's autobiographical writing Françoise Lionnet here examines the rhetoric of self portraiture in works by authors who are bilingual or multilingual or of mixed races or cultures *Autobiographical Voices* offers incisive readings of texts by Zora Neale Hurston Maya Angelou Marie Cardinal Maryse Condé Marie Thérèse Humbert Augustine and Nietzsche **National Bibliography of Mauritius**, 1996 *Mauritius* Larry W Bowman, 1991-03-12 From the John Holmes Library collection **LC Acquisition Trends** Library of Congress, 1982 *La littérature mauricienne contemporaine* Markus Arnold, 2017 More generally the book reconsiders the postcolonial paradigm of post 1990s Mauritian literature especially fiction in terms of the identity and topological stakes of the 21st century *Annual Report of the Archives Department for the Year ...* Mauritius. Archives Department, 1996 *Writing Ocean Worlds* Charne Lavery, 2022-01-01 This book explores the Indian Ocean world as it is produced by colonial and postcolonial fiction in English It analyses the work of three contemporary authors who write the Indian Ocean as a region and world Amitav Ghosh Abdulrazak Gurnah and Lindsey Collen alongside maritime imperial precursor Joseph Conrad If postcolonial literatures are sometimes read as national allegories this book presents an account of a different and significant strand of postcolonial fiction whose geography in contrast is coastal and transoceanic This work imaginatively links east Africa south Asia and the Arab world via a network of south south connections that precedes and survives European imperialism The novels and stories provide a vivid storied sense of place on both a local and an oceanic scale and in so doing remap the world as having its centre in the ocean and the south **Eve Out of Her Ruins** Ananda Devi, 2016-08-22 With brutal honesty and poetic urgency Ananda Devi relates the tale of four young Mauritians trapped in their country's endless cycle of fear and violence *Eve out of Her Ruins* is a heartbreaking look at the Mauritius tourists don't see and an exploration of the construction of personhood at the margins of society **Annual Report of the Archives Department** Mauritius. Archives Department, 1993
