Jazz Mavericks of the Lone Star State Dave Oliphant, 2009-12-03 Jazz is one of America's greatest gifts to the arts and native Texas musicians have played a major role in the development of jazz from its

birth in ragtime blues and boogie woogie to its most contemporary manifestation in free jazz Dave Oliphant began the fascinating story of Texans and jazz in his acclaimed book *Texan Jazz* published in 1996 Continuing his riff on this intriguing musical theme Oliphant uncovers in this new volume more of the prolific connections between Texas musicians and jazz *Jazz Mavericks of the Lone Star State* presents sixteen published and previously unpublished essays on Texans and jazz Oliphant celebrates the contributions of such vital figures as Eddie Durham Kenny Dorham Leo Wright and Ornette Coleman He also takes a fuller look at Western Swing through Milton Brown and his Musical Brownies and a review of Duncan McLean's *Lone Star Swing* In addition he traces the relationship between British jazz criticism and Texas jazz and defends the reputation of Texas folklorist Alan Lomax as the first biographer of legendary jazz pianist composer Jelly Roll Morton In other essays Oliphant examines the links between jazz and literature including fiction and poetry by Texas writers and reveals the seemingly unlikely connection between Texas and Wisconsin in jazz annals All the essays in this book underscore the important parts played by Texas musicians in jazz history and the significance of Texas to jazz as also demonstrated by Oliphant's reviews of the Ken Burns PBS series on jazz and Alfred Appel Jr's *Jazz Modernism*

Benazir Bhutto Brooke Allen, 2022-01-25 The story of Benazir Bhutto the first woman to lead a Muslim nation seems lifted straight from Greek tragedy Born to privilege as the daughter of one of Pakistan s great feudal families she was groomed for a diplomatic career and was thrust into the political arena when her father Pakistan s charismatic and controversial prime minister was executed She then led Pakistan one of the most turbulent and impoverished nations in the world through two terms as prime minister in the 1980s and 1990s but she struggled to ward off charges of corruption and retain her tenuous hold on power and was eventually forced into exile Bhutto returned to Pakistan in 2007 only to be assassinated in Rawalpindi after a triumphant speech Including interviews with key figures who knew Bhutto and have never before spoken on the record *Benazir Bhutto Favored Daughter* illuminates Bhutto s tragic life as well as the role she played as the first female prime minister of Pakistan Celebrated literary critic Brooke Allen approaches Bhutto in a way not many have done before in this taut biography of a figure who had a profound effect on the volatile politics of the Middle East drawing on contemporary news sources and eyewitness reports as well as accounts from her supporters and her enemies

The Dial Francis Fisher Browne, 1914 **Asper Nation** Marc Edge, 2007 The second generation of Aspers that now runs Canada s largest news media company is much like the first Israel Izzy Asper s three

children often appear in today's headlines David is bidding to buy the Winnipeg Blue Bombers football team Gail heads fundraising efforts for the new Canadian Museum of Human Rights Leonard sits in his father's place as head of CanWest Global Communications Like its founder they also use their media empire to influence public opinion Asper Nation explains why Canadians should be concerned about where the country's first family of news media is coming from politically Izzy Asper was an oddity as a Liberal politician in the 1970s Fiscally he was to the right of most Conservatives As a nationally syndicated newspaper columnist he called for a flat tax and workfare As a best selling author he helped thwart a plan to shift Canada's tax burden from the middle class onto corporations But when Asper took his policies to Manitobans as Liberal leader in 1973 he was soundly defeated Asper got into the television business instead and built Canada's third network Asper made CanWest the country's most profitable broadcaster by feasting on regulations that encouraged the importation of cheap American programming He took his formula to the world in the 1990s buying television networks in New Zealand Australia and Ireland Then in 2000 Asper pioneered media convergence buying Canada's largest newspaper chain from Conrad Black Southam dailies were soon ordered to run national editorials written at CanWest Global headquarters in Winnipeg This corporate news control brought protest from journalists and two government inquiries Neither resulted in long sought limits on media ownership however Marc Edge offers a compelling account of the political perils involved in allowing the Asper family to dominate Canadian media
