Zuleika Dobson Max Beerbohm, 2014-05-10 Zuleika Dobson or an Oxford love story is the only novel by English essayist Max Beerbohm a satire of undergraduate life at Oxford published in 1911 It includes the famous line Death cancels all engagements and presents a corrosive view of Edwardian Oxford The all male campus of Oxford Beerbohm's alma mater is a place where aesthetics holds sway above all else and where witty intellectuals reign Things haven't changed for its privileged student body for years until the beguiling music hall prestidigitator Zuleika Dobson shows up The book's marvelous prose dances along the line between reality and the absurd as students and dons alike fall at Zuleika's feet and she cuts a wide swath across the campus until she encounters one young aristocrat for whom she is astonished to find she has feelings As Zuleika and her creator zero in on their targets the book takes some surprising and dark twists on its way to a truly startling ending an ending so striking that readers will understand why Virginia Woolf said that Mr Beerbohm in his way is perfect In 1998 the Modern Library ranked Zuleika Dobson 59th on its list of the 100 best English language novels of the 20th century

The Works of Max Beerbohm Sir Max Beerbohm, 1921-01-01

[The Prince of Minor Writers](#) Max Beerbohm, 2015-06-02 AN NYRB CLASSICS ORIGINAL Virginia Woolf called Max Beerbohm the prince of essayists F W Dupee praised his whim of iron and cleverness amounting to genius while Beerbohm himself noted that only the insane take themselves quite seriously From his precocious debut as a dandy in 1890s Oxford until he put his pen aside in the aftermath of World War II Beerbohm was recognized as an incomparable observer of modern life and an essayist whose voice was always and only his own Here Phillip Lopate one of the finest essayists of our day has selected the finest of Beerbohm's essays Whether writing about the vogue for Russian writers laughter and philosophy dandies or George Bernard Shaw Beerbohm is as unpredictable as he is unfailingly witty and wise As Lopate writes Today it becomes all the more necessary to ponder how Beerbohm performed the delicate operation of displaying so much personality without lapsing into sticky confession

Max Jacob: A Life in Art and Letters Rosanna Warren, 2020-10-20 A comprehensive and moving biography of Max Jacob a brilliant cubist poet who lived at the margins of fame Though less of a household name than his contemporaries in early twentieth century Paris Jewish homosexual poet Max Jacob was Pablo

Picasso's initiator into French culture Guillaume Apollinaire's guide out of the haze of symbolism and Jean Cocteau's loyal friend As Picasso reinvented painting Jacob helped to reinvent poetry with compressed hard edged prose poems and synapse skipping verse lyrics the product of a complex amalgamation of Jewish Breton Parisian and Roman Catholic influences In Max Jacob the poet's life plays out against the vivid backdrop of bohemian Paris from the turn of the twentieth century through the divisions of World War II Acclaimed poet Rosanna Warren transports us to Picasso's ramshackle studio in Montmartre where Cubism was born introduces the artists gathered at a seedy bar on the left bank where Max would often hold court and offers a front row seat to the artistic squabbles that shaped the Modernist movement Jacob's complex understanding of faith art and sexuality animates this sweeping work In 1909 he saw a vision of Christ in his shabby room in Montmartre and in 1915 he converted formally from Judaism to Catholicism with Picasso as his godfather In his later years Jacob split his time between Paris and the monastery of Benoît-sur-Loire In February 1944 he was arrested by the Gestapo and sent to Drancy where he would die a few days later More than thirty years in the making this landmark biography offers a compelling tragic portrait of Jacob as a man and as an artist alongside a rich study of his groundbreaking poetry in Warren's own stunning translations Max Jacob is a nuanced deeply researched and essential contribution to Modernist scholarship *Yet Again* Sir Max Beerbohm, 1909 Essays first published in various periodicals **Belief** N. John Hall, 2007 This is the story of a young man who became enthralled with Catholicism around 1950 went on to become a priest served in three northern New Jersey parishes and left the priesthood in 1967 What makes his story different is the phenomenon of the will to believe As the author writes In my first year of divinity school in 1951 at Seton Hall I felt my faith come crashing down But such was the allure the pull the command that the triumphant Catholic Church at the time had upon the mind of an impressionable youth that I soldiered on trying my best to recover my faith I exercised what John Keats called Negative Capability the art of remaining in doubt and mystery of being content with half belief while suppressing the reasoning side of one's mind Hall's memoir is an insider's picture of Catholic life and Catholic education in the 1950s and 1960s Although his work is not a frontal attack on or exposé of the Church it touches on problems in the Church and he elucidates the issues confronting American Catholics and indeed other Americans today This book is a voice for scepticism presented not in the form of a treatise or argument but through a personal story a story by turns sad and funny but also compelling The overall effect is not one of gloom but of the delight and exhilaration that comes with intellectual freedom *Portrait of Max* S. Literature and the Politics of Post-Victorian Decadence Kristin Mahoney, 2015-06-09 In Literature and the Politics of Post Victorian Decadence Kristin Mahoney argues that the early twentieth century was a period in which the specters of the fin de siècle exercised a remarkable draw on the modern cultural imagination and troubled emergent avant gardistes. These authors and artists refused to assimilate to the aesthetic and political ethos of the era representing themselves instead as time travelers from the previous century for whom twentieth century modernity was both baffling and disappointing. However they did not turn entirely from the modern moment but rather relied on decadent strategies to participate in conversations concerning the most highly vexed issues of the period including war the rise of the Labour Party the question of women's sexual freedom and changing conceptions of sexual and gender identities. When Found, Make a Verse of Helen Bevington, 1961 A gathering of prose and verse commentary on life and literature. **Enoch Soames** Sir Max Beerbohm, 2014-11-01 had another book coming out soon I asked if I might ask what kind of book it was to be. My poems he answered. Rothenstein asked if this was to be the title of the book. The poet meditated on this suggestion but said he rather thought of giving the book no title at all. If a book is good in itself he murmured and waved his cigarette. Rothenstein objected that absence of title might be bad for the sale of a book. If he urged I went into a bookseller's and said simply Have you got or Have you a copy of how would they know what I wanted. Oh of course I should have my name on the cover. Soames answered earnestly. And I rather want he added looking hard at Rothenstein to have a drawing of myself as frontispiece. Rothenstein admitted that this was a capital idea and mentioned that he was going into the country and would be there for some time. He then looked at his watch exclaimed at the hour paid the waiter and went away with me to dinner. Soames remained at his post of fidelity to the glaucous witch. Why were you so determined not to draw him I asked. **Trollope** N. John Hall, 2000-05 Anthony Trollope was a giant of Victorian letters whose works are still read avidly today. Now in what is surely the definitive biography the world's leading expert on Trollope provides an amusing insightful and authoritative portrait of this remarkable figure. N. John Hall writes with an unparalleled knowledge of his subject he is the general editor of the 62 volume Selected Works of Anthony Trollope and the editor of Letters of Anthony Trollope which Victoria Glendinning herself a Trollopian suggested in The Spectator already constitutes a biography by other means simply by virtue of its brilliant footnotes. In this volume Hall draws on Trollope's works themselves as well as all pertinent historical evidence and interweaves Trollope's public and social life as a civil servant devoted hunter and extensive traveler with lucid accounts of his writing. Starting with Trollope's early days on the family farm and at the famous Harrow School studying with Byron's former tutor we learn of Trollope's marriage his politics Hall calls him a conservative liberal his career at the Post Office and his last decade which gets full treatment although many have ignored it. We trace his initial attempts at writing his first three novels were resounding failures and follow his eventual popular success beginning with The Warden and Barchester Towers the latter of which Hall shows boasts Trollope's rich comic dialogue and distinctive characterization. In Hall's telling Trollope's life almost

approaches that of his novels as when we watch him swoop down into a small village on his horse to interview the surprised residents about their mail service Trollope once claimed that his life's ambition was to cover the country with rural letter carriers Trollope's legendary prolific output nearly seventy books in a thirty five year career attests to the rigor of his writing schedule Every morning he would produce a certain number of words recording his output in a ledger he devised for the purpose and then head off to work To increase his efficiency he took to writing on trains for which he designed a special writing tablet and later had carpenters build him desks in his steamer cabins during ocean crossings And as Hall points out Trollope was not simply a prodigious writer but also more of a scholar than has been recognized Nevertheless his genius lay especially in his comic sensibility and in the care and judgment of his writing despite the fact that he almost never rewrote a line Hall's complex but sharply focused narrative portrays this daunting figure in vivid detail combining humor with subtle insight into a mysterious personality Those who have enjoyed the Barsetshire chronicles or the Palliser novels and who want to know more about one of the greats of 19th century literature will be richly rewarded by this comprehensive biography
