forever Now a TV series on NBCUniversal's streaming service Peacock *The Elusive Embrace* Daniel Mendelsohn, 2012-01-04 Hailed for its searing emotional insights and for the astonishing originality with which it weaves together personal history cultural essay and readings of classical texts by Sophocles Ovid Euripides and Sappho *The Elusive Embrace* is a profound exploration of the mysteries of identity It is also a meditation in which the author uses his own divided life to investigate the rich conflictedness of things the double lives all of us lead Daniel Mendelsohn recalls the deceptively quiet suburb where he grew up torn between his mathematician father's pursuit of scientific truth and the exquisite lies spun by his Orthodox Jewish grandfather the streets of Manhattan's newest gay ghetto where desire for love competes with love of desire and the quiet moonlit house where a close friend's small son teaches him the meaning of fatherhood And finally in a neglected Jewish cemetery the author uncovers a family secret that reveals the universal need for storytelling for inventing myths of the self The book that Hilton Als calls equal to Whitman's *Song of Myself* *The Elusive Embrace* marks a dazzling literary debut *Time Commences in Xibalbá* Luis de Li3n, 2012-11-01 *Time Commences in Xibalbá* tells the story of a violent village crisis in Guatemala sparked by the return of a prodigal son Pascual He had been raised tough by a poor single mother in the village before going off with the military When Pascual comes back he is changed both scarred and enlightened by his experiences To his eyes the village has remained frozen in time After experiencing alternative cultures in the wider world he finds that he is both comforted and disgusted by the village's lingering indigenous characteristics **And the Bride Closed the Door** Ronit Matalon, 2019-10-01 A young bride shuts herself up in a bedroom on her wedding day refusing to get married In this moving and humorous look at contemporary Israel and the chaotic ups and downs of love everywhere her family gathers outside the locked door not knowing what to do The bride's mother has lost a younger daughter in unclear circumstances Her grandmother is hard of hearing yet seems to understand her better than anyone A male cousin who likes to wear women's clothes and jewelry clings to his grandmother like a little boy The family tries an array of unusual tactics to ensure the wedding goes ahead including calling in a psychologist specializing in brides who change their mind and a ladder truck from the Palestinian Authority electrical company The only communication they receive from behind the door are scribbled notes one of them a cryptic poem about a prodigal daughter returning home The harder they try to reach the defiant woman the more the despairing groom is convinced that her refusal should be respected But what exactly ought to be respected Is this merely a case of cold feet A feminist statement Or a mourning ritual for a lost sister This provocative and highly entertaining novel lingers long after its final page **Three Rings** Daniel Mendelsohn, 2022-04-26 A memoir biography work of history and literary criticism all in one this moving book tells the story of three exiled writers Erich Auerbach Franz Kafka and Walter Hasenclever and their relationship with the classics from Homer to Mimesis In a genre defying book hailed as exquisite *The New York Times* and spectacular *The Times Literary Supplement* the best-selling memoirist and critic Daniel Mendelsohn explores the mysterious links between the randomness of the lives we lead and the artfulness of the

stories we tell Combining memoir biography history and literary criticism *Three Rings* weaves together the stories of three exiled writers who turned to the classics of the past to create masterpieces of their own works that pondered the nature of narrative itself Erich Auerbach the Jewish philologist who fled Hitler's Germany and wrote his classic study of Western literature *Mimesis* in Istanbul François Fénelon the seventeenth century French archbishop whose ingenious sequel to the *Odyssey* *The Adventures of Telemachus* a veiled critique of the Sun King and the best selling book in Europe for a hundred years resulted in his banishment and the German novelist W G Sebald self exiled to England whose distinctively meandering narratives explore Odyssean themes of displacement nostalgia and separation from home Intertwined with these tales of exile and artistic crisis is an account of Mendelsohn's struggle to write two of his own books a family saga of the Holocaust and a memoir about reading the *Odyssey* with his elderly father that are haunted by tales of oppression and wandering As *Three Rings* moves to its startling conclusion a climactic revelation about the way in which the lives of its three heroes were linked across borders languages and centuries forces the reader to reconsider the relationship between narrative and history art and life

Minds Wide Shut Gary Saul Morson, Morton Schapiro, 2023-01-31 A timely exploration of intellectual dogmatism in politics economics religion and literature and what can be done to fight it Polarization may be pushing democracy to the breaking point But few have explored the larger interconnected forces that have set the stage for this crisis namely a rise in styles of thought across a range of fields that literary scholar Gary Saul Morson and economist Morton Schapiro call fundamentalist In *Minds Wide Shut* Morson and Schapiro examine how rigid adherence to ideological thinking has altered politics economics religion and literature in ways that are mutually reinforcing and antithetical to the open mindedness and readiness to compromise that animate democracy In response they propose alternatives that would again make serious dialogue possible Fundamentalist thinking Morson and Schapiro argue is not limited to any one camp It flourishes across the political spectrum giving rise to dueling monologues of shouting and abuse between those who are certain that they can't be wrong that truth and justice are all on their side and that there is nothing to learn from their opponents who must be evil or deluded But things don't have to be this way Drawing on thinkers and writers from across the humanities and social sciences Morson and Schapiro show how we might begin to return to meaningful dialogue through case based reasoning objective analyses lessons drawn from literature and more The result is a powerful invitation to leave behind simplification rigidity and extremism and to move toward a future of greater

open mindedness moderation and perhaps even wisdom *Skin in the Game* Paulo Scott,2022-01-04 Happy Dreams
