The Beadle of Lower Port Kevin S. Greenwood, 2010-06-22 A small riverside community fights to stave off economic ruin Friends and neighbors are as unaware of their strengths as they are their diversity One young man among them weighs his diminishing options buoyed only by the spirit and support of an unlikely mentor The river appears a constant reminder of what is lost and adrift and what is bound onto its diminishing banks A small group of unlikely friends join together in support of one another only to discover their boundaries are self-inflicted No one is unknown to the Beadle of Lower Port and no one is here by chance He perceives the coming change and guides his followers from quiet confinement to unlimited expanse Only in confronting the future could such an unlikely past ever be revealed *Grandfather Tang's Story* Ann Tompert, 1990 Grandfather tells a story about shape changing fox fairies who try to best each other until a hunter brings danger to both of them **Grandpa's Stories** Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared That's all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story

Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them *American Women Writers* Taryn Benbow-Pfalzgraf,2000 These volumes present essays offering critical biographical and bibliographical information on each writer **Between the Sheets** Robin Wells,2008-02-01 How do you have a life when everyone in America thinks you gave the president elect a fatal heart attack during an illicit sex romp Emma Jamison never thought she d have to answer that question but here she is smack dab in the middle of a political scandal that would make Monica Lewinsky blush Trouble is nobody believes that Emma wasn t the call girl who killed the president to be with her uh carnal skills So Emma packs up and moves to small town Chartreuse LA to escape her infamy and to start over But when her grandmother starts dating the grandfather of district attorney Max Duval the quiet life she was seeking blows up in smoke *People's Medical Society Health Desk Reference* Charles B. Inlander,1996-07-11 The founder of the health care advocacy group The People s Medical Society offers consumers a comprehensive reference guide to their rights and opportunities concerning medical care including information on insurance medical tests and much more Reprint [Daring To Dream](#) Autumn McCullah,2003-03-09 Time has run out for Sunny James She must stop hiding from the future and make a stand in the present for herself and her two children An unseen force leads her to Black Horse Colorado where she discovers the meaning of family love devotion and friendship Does she dare let herself dream of a future with local rancher Zach James Does she dare let herself trust again Her children adore him and she cannot deny her own growing attraction for the dark haired tall muscular man whose charm and humor are a difficult combination to resist Zach has loved Sunny since their meeting at her wedding to his cousin seven years ago Now a widow of two years she turns up in Black Horse ready to settle down But there is a mystery about the beautiful lady She is terrified of something that has kept her on the move for the past two years Zach is determined to erase the sorrow from her sapphire blue eyes and to build a future together with her by his side He is set on marrying Sunny and will do whatever he must to make his own dreams come true When destiny leads Sunny to Black Horse can she overcome the haunting of a brutal marriage and fear of a cold heartless grandfather to accept a future of love for herself and her children **Christmas**
