Max And Rufus:

Max and Rufus ,1982 A dog Rufus and his boy Max agree to change places for a while **Rufus and Max** Hermann Moers,2003 Two dogs use their imagination to build a castle and to become kings of the meadow **The Max** Ken Bruen,Jason Starr,2011-04-20 MAX AND ANGELA ARE GOING DOWN When last we saw Max Fisher and Angela Petrakos Max was being arrested by the NYPD for drug trafficking and Angela was fleeing the country in the wake of a brutal murder Now both are headed for eye opening encounters with the law Max in the cell blocks of Attica Angela in a quaint little prison on the Greek island of Lesbos *Rufus and Max* Hermann Moers,2003-03-01 In a lighthearted look at the power of imagination two lively pups spend a busy day playing make believe Proclaiming themselves kings of the meadow Rufus and Max dress up in regal clothes and scratch the outline of a castle on the ground But the other animals don't see how special the castle is in fact they don't see it at all In despair the pups nearly abandon their dream but happily optimism and their irrepressible imaginations triumph *The Last Year of the Wild - Volume 3* Lizzie Pepper,2024-10-28 In the hot dry summer of 2060 a Great White Pelican scans the wildfires below him as he flies Northwards What have they done to our world he asks Noticing his master's distress Erithacus his loyal Grey Parrot flew closer Forget them Pelecanus they have destroyed their own homelands as well as ours we must save ourselves now You are right Pelecanus answered thoughtfully But we must have hope that they also manage to save themselves Erithacus looked confused as he turned to ask Why Sighing Pelecanus looked across at the horizon noticing the sight curvature of the Earth Because we share this planet and believe it or not we need them Can the creatures of the wild save their homelands and themselves before it's too late Summer Solstice is the third volume in The Last Year of the Wild adventure series which celebrates British wildlife and their determination to survive The story follows on from the second novel as the wild birds realise that the Human Beings are behind the destruction of the earth yet they believe there may be ways to help the lands recover *Touch the Throne* I AM Samuel,2022-06-23 As an observational writer Throne tells the American story woven together by my account from the waning days of the great depression to the era of Vietnam's extravagance Voiced and performed by a plethora of actors who details America's transforming events What is fashioned is an American population both angelic and diabolical too often unable to discern one from the other Americans a pampered people for whom more is never enough easily roused to anxiety and reconciled to the paradoxical belief that God loves America but Satan keeps us safe *Maximillion Slaughter: That Ain't No Jive* Ronald Louis Bryan,2024-11-17 It's Saturday night July 15th 1944 and club Avalon is jumping with Blues and Jazz lovers of all colors Maximillion Slaughter an African American in his early thirties the owner of the Avalon is in the center of his universe Oakland California the Harlem of the West coast With his good looks caring personality and pearl bright smile women are drawn to him but none can compete with his love for the Avalon In a week's time Max meets the beautiful Lily Carter who dies in his bed searches for her son finds her murderer and buries her Max's journey pits him against two of the city's most

powerful men and their plans for postwar riches Their use of brutality and fear is not as motivating as the regret that fills his heart and haunts his dreams The Last Year of the Wild - Volume 2 Lizzie Pepper,2023-09-28 From the degraded lands of the North to the scared Islands of Andromeda off the Southern coast of England wild birds hunt for who caused the destruction to their world in the Spring of 2060 *Paws for Friendship* Jan Schmidt,2023-03-19 Have you ever visited a care facility where you ve seen 4 legged furry friends visiting residents or patients bringing joy and comfort to those who might have been going through some rough times with their health or maybe even abandoned in a care facility Did you ever wonder how that service was started or how to maybe get your own pets involved Really how many of us think our babies are the most sweet adorable creatures anyone has ever seen If you re shaking your head in agreement to these questions then this book is for you You will read the story of a lost soul who was rescued by a little Great Dane who started this journey 30 years ago You will read first hand testimonies of volunteer members whose lives have been forever changed because of Paws for Friendship Inc You will smile you will cry and maybe just maybe you will want to become a member of this wonderful organization Everything you need to know is in this book Pathway of Dreams Adam Bailey,2000-12 Better to make a complete break I ll no longer be a drag on your career The daughter of a glamorous film star Sarah Castle had always been single minded as a career woman determined to be as successful in her profession as her mother had been in hers In spite of this she was shattered when she received the news that Simon Dowling was to marry another woman for she could not envisage him belonging to anyone else but her And she had no one to blame but herself She and Simon had been lovers and he had wanted to make their relationship permanent His new job however took him to a distant part of the country and Sarah had been offered a wonderful position on a large syndicate newspaper chain Torn between her love for Simon and her ambitions for the job she had always wanted she chose her career Subsequently having had to shake off other suitors and suffering a number of reversals she realized her mistake the hard way *The Pet Dective: Fido's Hunt* Scarlett Stoyer, n a quaint neighborhood where canine camaraderie flourishes the disappearance of Fido the beloved family dog sends shockwaves through the community Enter Max an unconventional pet detective with a penchant for solving mysteries alongside his feline counterpart Whiskers As they navigate the world of paw prints suspicious squirrels and clashing personalities they must gather clues and unravel secrets that could lead to Fido s return Amidst dog park espionage and rival detectives Max and Whiskers forge an unexpected partnership highlighting the power of friendship and loyalty With each twist and turn the stakes rise culminating in a thrilling chase that reveals more than just the truth about Fido Join them on this heartwarming adventure filled with humor friendship and the indomitable spirit of our furry companions **Tuesdays at the Castle** Jessica Day George,2013-01-01 A magical castle with a life of its own and a plucky princess who will defend it at all cost Annual Report of the Reynolds Library Reynolds Library,1895 The Territory Stuart F.
