Creating Theatrical Magic Max Howard, 2014-10-20 **Max Malini** Steve Cohen, 2021-12 Max Ernst and Alchemy M. E. Warlick, 2001-03-15 Surrealist artist Max Ernst defined collage as the alchemy of the visual image Students of his work have often dismissed this comment as simply a metaphor for the transformative power of using found images in a new context Taking a wholly different perspective on Ernst and alchemy however M E Warlick persuasively demonstrates that the artist had a profound and abiding interest in alchemical philosophy and often used alchemical symbolism in works created throughout his career A revival of interest in alchemy swept the artistic psychoanalytic historical and scientific circles of the late nineteenth and early twentieth centuries and Warlick sets Ernst's work squarely within this movement Looking at both his art many of the works she discusses are reproduced in the book and his writings she reveals how thoroughly alchemical philosophy and symbolism pervade his early Dadaist experiments his foundational work in surrealism and his many collages and paintings of women and landscapes whose images exemplify the alchemical fusing of opposites This pioneering research adds an essential key to understanding the multilayered complexity of Ernst's works as it affirms his standing as one of Germany's most significant artists of the twentieth century **Max and the Magic Word** Colin Hawkins, Jacqui Hawkins, 1986 Max the dog becomes angry when his animal friends refuse to share their candy and toys with him until he says the magic word *Max the Magnificent* Trina Wiebe, 2002 From the iMax a Million series starring Max who is determined to become millionaire by age twelve and his best friend and voice of reason Sid **Practical Mental Magic** Theodore Annemann, 1983-01-01 Outstanding collection of nearly 200 crowd pleasing mental magic feats requiring no special equipment Author offers insider's tips and expert advice on techniques presentation diversions patter staging and all else needed to make any trick a foolproof success Lucidly written thoroughly diagrammed book by one of magic's legendary figures **3ds Max 4 Magic** Sean Bonney, 2001 3ds Max 4 Magic follows the same project based pedagogy that has made previous Magic titles a success The primary goals are to present changes in functionality best practices and inspirational effects Each project is 10 to 15 pages in length and provides instruction as well as suggestions for enhancing or modifying the project effect Each page is designed in a 3 column format with step by step instructions on the left and corresponding graphics or code in the middle The third column is used to provide additional tips and tricks Any effect technique or tip can easily be customized to fit the readers **The Magician's Hat** Malcolm Mitchell, 2018-02-27 A magician introduces children to the fantastical powers of books in this delightful and encouraging read by a Super Bowl champion and literacy crusader This is not your typical afternoon at the library a magician invites kids to reach into his hat to pull out whatever they find when they dig down deep Soon poof each child comes away with something better than they could've imagined a book that helps them become whatever they want to be and makes their dreams come true through pages and words and the adventures that follow But each child can't help but wonder What's really making the magic happen Praise for The Magician
